DEATH AT BATTERSEA

Of Mrs. William Kirkpatrick of Pleuro-pneumonia.

Battersea, March 8.—Shocked indeed were the many friends of Mrs. William Kirkpatrick, formerly Miss Alice Jamieson, to learn of her death on Saturday last, following a brief illness of pleuro-pneumonia. Miss Smith, a trained nurse from Seely's Bay, was constantly with her while Dr. Elliott did all in his power, but without avail. The deceased had resided here about eight years, coming from Leeds county with her brother and settling on the farm purchased from John Hughes. About three years ago she was married to William Kirkpatrick and went to reside at the latter's home on the adjoining farm. She was a member of the Methodist church and was much esteemed by those who knew her best. The saddest feature in connection with her most un-

The moment you suspect any kidney or urinary disorder, or rheumatism, begin taking this harmless preparation as directed, with the knowledge that there is no other medicine, at any

CLIFFSIDES COMING

THEY WILL MEET QUEEN'S ON SATURDAY NIGHT.

For the Allan Cup—The St. Mary's School Team Won the City Championship in the Junior League.

The championship of the Interprovincial Amateur Hockey Union again goes to Ottawa. The Cliffside and Victoria teams clashed, on Wednesday evening, in the final of their home-and-home games, to decide the honor of the amateur league, and the result was a win for the Victorias, by a score of 4 to 3, but Cliffside win the round. Cliffside and Queen's will negotiate, to-day, with a view of arranging the Allan cup games for Saturday night.

Juvenile Hockey League.

The Y.M.C.A. Juvenile City Hockey League was brought to a most successful conclusion, Wednesday afternoon, when the St. Mary's team defeated the Y.M.C.A. team on the Rockwood rink, for the championship of the junior section. The game was a good exhibition. The Saints led at the finish by 5 to 0. The Saints played a very aggressive game.

The standing of the junior section of the league was:

Teams.	Won.	Lost.
St. Mary's	6	1
Y.M.C.A.	5	2
Wolves	2	4
Indians	0	6

The hockey played in the senior section of the league was a surprise, at least two of the teams could hold their own in the Junior City League, and will likely be found there next season. The Victorias went through the senior section without one defeat, and certainly deserve great credit for winning from such good teams as the Eagles, Wellingtons and Tigers.

The Dr. C. C. Nash cup, the trophy for the junior section, will bear the name of the St. Mary's Hockey Club, for the year.

The above league was organized by the Y.M.C.A. physical department, and the members saw it to a successful issue. William McFridgic is president of the league and J. J. Thompson, secretary.

Thanks to Regiopolis.

The management of the champion Frontenac juniors desire to thank very heartily the staff and sporting element of Regiopolis College for the great help given during the year. At all times the college threw their teams open to Frontenacs, giving their players freely, even when it barred them from playing in the City League. This is certainly good sportsmanship, and

NO APPOINTMENT MADE

Of Official of the New Prince Albert Penitentiary.

A special from Ottawa to the Whig says: It was learned authoritatively, this afternoon, from officials of the justice department, that no appointments have yet been made to the proposed new penitentiary at Prince Albert, Sask. Asked if a Kingston penitentiary official was slated for the job of deputy warden, or had he got it, an official said that no appointments at all had been made. He explained that the piles for the foundation of the building had only been driven lately; that it would not be ready for eight or ten months, and perhaps longer. He intimated that for the fourth or fifth time a Kingston man's name had been mentioned. He would probably be an applicant, and officials from other penitentiaries would also be applicants, but no appointments connected with that institution have been made, and they will not be until the penitentiary is completed.
