ARNPRIOR DRUGGIST ENDORSES D. D. D.

Canadian druggists are becoming enthusiastic about D. D. D. as they find it really cures their customers of eczema and other torturing skin diseases.

This is what Druggist Chambers, of Arnprior, Ont., wrote us on November 10th last:

"I have handled D. D. D. ever since you commenced advertising it in Canada, as I know it to be good, having sold it for several years in Belt, Montana, where I found it gave superior satisfaction."

(Signed) J. CHAMBERS.

For years doctors tried to cure eczema through the blood. As it is caused by germs in the skin itself, they were naturally not very successful.

Then came D. D. D. Prescription—a mild, soothng, yet penetrating compound of oil of wintergreen, thymol, glycerine, etc., that kills the germs in the inner skin, relieves the awful itch and cures.

For free trial bottle of D. D. D. Prescription write to the D. D. D. Laboratories, Dept. A. W., 23 Jordan St., Toronto.

For sale by all druggists.

SPRING REMINDERS

of Rheumatism—Damp Weather Starts the Pain.

Changeful spring weather, often cool and damp, is pretty sure to bring a time of misery to people who suffer from rheumatism, but it must be borne in mind that it is not the weather that causes rheumatism, but trouble is rooted in the blood—it damp, changeable weather merely irritates the aches and often almost unbearable pains going. The trouble must be reached through the blood and the poisonous rheumatic acids drain out. This is a medical truth every rheumatic sufferer should realize. Liniments, outward application and so-called electric appliances, are cold, and never can cure rheumatism. The sufferer is only wasting valuable time and money with the sort of treatment, and all the time his trouble is becoming more and more violent—and harder to cure. There is just one sure way to cure rheumatism—Dr. Williams' Pink Pills. They act directly on the impure blood and tainted blood. They purify and strengthen it, and so root out the cause of rheumatism. John F. Flanagan, Marysville, N.B., says: "I was under the doctor's care I was not regaining my strength and I decided to give Dr. Williams' Pink Pills a trial. I took altogether nine boxes and they simply worked wonders in bringing back my full strength. I still take six pills occasionally as I am working in a saw mill where the work is pretty heavy."

Not only rheumatic sufferers, but all who have any trouble due to weak, watery blood, will find a cure through Dr. Williams' Pink Pills. It is because of their direct action on the blood that these Pills cure such troubles as anemia, indigestion, general weakness, neuralgia, and the aches, pains and secret troubles women folks alone know. Give Dr. Williams' Pink Pills a fair trial, and they will not disappoint you. Sold by all medicine dealers or by mail at 50c. a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

It wouldn't be surprising if Mr. Miller's anti-betting bill, having been reported upon favorably by the special committee, were to pass the commons and left to the senate to do battle with more or less drastically. There are many members who, knowing that the bill is popular in their constituencies, dare not vote against it.
