Paris, March 2

Cures Any Cough in Five Hours. NEW PRESCRIPTION HERE.

Here is given the most effective cough prescription known to the medical world. It is a mild laxative, too, and this is what a body needs when suffering with cough and cold on the lungs. A cough or cold indicate poisons in the system, causing inflammation and congestion. Nearly all cough syrups relieve, but make the trouble worse by their constipating effects.

This prescription not only relieves drunk he cannot be termed with a model of the cartifusian atoms, and the cartifusian now der investigation by the government.

Wilkesbarre, Pa., March 21.—A man John F. Donahue decided because a man with a wooden leading prescription not only relieves drunk he cannot be termed with the cough and cold on the cartifusian not be termed with the cough and cold on the cartifus and the carti syrups relieve, but make the trouble worse by their constituting effects, this prescription not only relieves quickly, but it cures any cough that is curable. Get one-half ounce fluid wild cherry bark, one ounce compound essence cardiol and three ounces syrup white pine compound. Mix in a bottle Take for acute cough or bronchitis twenty drops every half hour for four ours. Then one-half to one teaspoontal three or four times daily. Give thildren less according to age. A few hours treatment will cure and heal the hroat and lungs of all but consumptives. Cut this out and give it to some riend who may need it to be saved rom an early death by consumption.

because a man with a wooden leg is an employee of the Vigars Shear Lumber and wholly drunk, but only about twoithirds full. He applied this principle in firing John Buckson. He said the usual fine was \$1 but would charge Buckson only of the landlady wrote as requested, but though the daughter is dead, the letter went to Connor's wife at Gaylord, Mich. She, with her son, immediately came to Port Arthur, findlets. Druggists refund money if it fails to cure. E. W. Grove's signature is on each box. 25c.
