Our Motto—The Best for the Least. Come and See.

RONEY & CO., 127 Princess Street. THE HOUSE THAT SETS THE PACE.

### THREATENS ACTION

#### AGAINST BOARD OF EDUCATION FOR SALARY.

Ellie Carter, Former Collegiate Teacher, Serves Notice — Extra Collegiate Institute Accommodation Considered by Board.

The Board of Education had a special session yesterday afternoon at five o'clock to take up some urgent business. A letter was received from J. McD. Mowat stating that Ellie Carter, formerly a teacher in the Collegiate Institute, had instructed him to issue a writ against the board unless it paid him six months' salary from January 1st, 1909 and interest thereon. Mr. Carter was one of the teachers who were relieved of their duties in the collegiate, in December, 1907, at the request of Queen's Faculty of Education to whom they were not satisfactory for the work the collegiate was doing for that faculty, and for which it was paid. Mr. Carter resigned, but afterwards withdrew his resignation. Knowing that his resignation was in, Queen's authorities made provision to pay three other teachers whom it wanted released, if they didn't get positions during the following six months. Mr. Carter was not considered in view of his resignation, and when the board released him there was nothing on record to show that Queen's was to pay him for the six months. On several occasions he applied to the board to take up the matter with Queen's. His case was considered but the university authorities never came to a decision upon it. It was intimated by Secretary Macdonald that he had communicated with Queen's principal and that the matter was to be considered by a special committee of the university of Wednesday morning.

Mr. Bennett claimed that Queen's would take a very wrong course if it forced the Board of Education into a law suit over the matter. While Queen's perhaps could not be held legally bound to pay Mr. Carter, he thought the university was morally bound, as it had been responsible for any friction that had resulted. Mr. Donaldson agreed with Mr. Bennett. A law suit would put the board in a very unfavorable position, Queen's, he said, should settle. The chairman was of the same view. It was decided to refer the matter to the management committee.

The board considered a report of the management committee on the necessity of increased accommodation in the collegiate institute in order to get the school approved this year by the department of education. The committee recommended that the city council be asked to reconvey the old collegiate building to the board for additional school accommodation. In reply to Mr. Elliott, the chairman of the committee, Mr. Renton said that it hadn't been decided whether to utilize the old collegiate building for collegiate school purposes. Mr. Wallace wanted to know how much money it was proposed to spend on the old building. Mr. Meek said that the board had to do something regarding increased accommodation if the Collegiate Institute was to receive government approval. He was in favor of leaving the question of accommodation to the property committee.

Principal Ellis was asked by the chairman what was in the way of approval by the government inspector. He replied that the inspector had reported that the congested condition of some of the rooms must be relieved. That is the only condition that prevents government approval of the collegiate at present. In the case of approved schools, second class certificate candidates were relieved of writing on bookkeeping, art, geography, writing and perhaps a couple other subjects at the examinations. Two additional rooms were needed by the collegiate.

Mr. Elliott said that all the members of the board recognized that the congestion must be relieved. It was a question for careful consideration, however, as to whether it was advisable to utilize the old collegiate building. He wanted to know if the other portion of the upper flat could not be made into extra rooms. Principal Ellis said he was anxious to retain that upper floor assembly room for a general study room for the pupils in their spare time.

Mr. Donaldson said that the board should at once assure the inspector that it intended to take action at once regarding increased accommodation in order to secure approval. The board then adopted the following: "That in view of the fact that the Collegiate Institute has not been approved, and will not be until additional accommodation has been provided, and as it is not expedient now to undertake an addition to the building, pending conditions which have not developed, that the property committee be instructed to take up and deal with the matter at once."

### PLAY ON SOFT ICE

#### HOCKEY MATCHES AT COVERED RINK TO-NIGHT.

The Associated Football Club Has Reorganized for the Coming Season—The Victoria Baseball Club in Line.

The fee will not be in any too good condition for the two City League games this evening at the covered rink, but, nevertheless, the teams will be in line ready to put up the game of their lives, even though they do play in water. The first game, between the Royals and R.C.H.A., will be pulled off sharp at 7:45 o'clock and immediately after this is finished Irishmen and granites will play off to decide their group. The first game, if won by the Royals, will give them the cup, and if won by the soldiers, another game will be necessary, as the two teams will be a tie. The second game should also be a fast one. The teams have met twice before and each have a victory to their credit. The games should draw a large attendance. "Senator" Powell will referee both games.

The four teams to play at the covered rink this evening will line up: R.C.H.A.—Payette, goal; Constantine, point; Dumphy, cover; White, rover; Baker, centre; Boak, left wing; Murray, right wing. Royals—Kennedy, goal; Cherry, point; Lemmon, cover; B. Ainslee, rover; Muckler, centre; Charles, right wing; Ainslee, left wing. Irishmen—Kane, goal; McConville, point; Barry, cover; Hunter, rover; Hunt, centre; Millan, left wing; Moran, right wing. Granites—Spring, goal; Simmons, point; Page, cover; McConig, rover; Hughes, centre; Pound, left wing; King, right wing.

The annual general meeting of the C.L.C. Association Football Club was held on Monday evening, at the Congress hotel, and was well attended. A satisfactory balance sheet was read and everything points towards a successful season. The club is entering the newly-formed league and hopes to make a good showing. These officers for the ensuing season were elected: Manager, A. Jerkin; Captain, W. Keshaw; vice-captain, F. Gault; secretary, R. C. Waite. Victorians Meet. On Tuesday evening a meeting of the Victoria Baseball Club was held in the Y.M.C.A. rooms, a large number of players and supporters being present. The business for the year was straightened out and for the coming season everything looks fine. After routine business had been transacted these officers were elected: Hon. president—W. F. Neikle, M.P.; S. S. Johnson, U.S. consul. Hon. vice-president—W. H. Macneil, President, H. J. Dick. First vice-president—J. McD. Mowat. Second vice-president—H. V. Price. Business manager—S. E. Trotter. Secretary-treasurer—Reginald Crawford.

It was decided to have both a playing and business manager and the former will be elected at the next regular meeting of the club. The team will start practice as soon as the grounds permit. Indoor Baseball at Y.M.C.A. In the Y.M.C.A. Junior Indoor Baseball League, two very fast and exciting games were played yesterday. In the first game, the Pikers and Hykers had a battle royal, the Pikers outclassing the Hykers in a batting bee and won with a score of 19 to 10. The residents continued their winning streak and secured a real good trimming to the Scouts. Score: Crescents, 27; Scouts, 12. The senior team to represent the Kingston association at Ottawa, Good Friday, will be picked from the following men: N. McCartney, L. Meek, F. Birch, F. King, D. Pound, C. Moxley, W. Bearance, M. Orr.

Sporting Notes. The receipts at Saturday night's St. Michael's-Sherbrooke hockey game, at Toronto, were \$760. Simpson, of Hiawatha, is going to run in Derbies, in Chicago, Pittsburg and New York this summer. There will be no more Allan cup games this season, and St. Michael's will hold possession until the end of next season. Montreal and Buffalo baseball teams are both training in Georgia, near the New York Americans' camp at Athens and each of the Eastern League teams will play two games with the Highlanders.

At Paris, "Billy" Pappo, of Illinois, knocked out "Willie" Lewis, of New York, in the third round. The fight was for the middleweight championship and was scheduled to go twenty rounds. Hugh Kippen, a Cornwall lacrosse player, has been awarded the Royal Humane Society's medal for his brave act in saving a young lady's life last fall. Miss McIntosh fell in front of a railway train and was saved by Kippen at the risk of his life. While at New York, the Ottawa hockey officers enquired into the chances of getting an artificial ice plant for Ottawa. It is understood that the cost proved above their reach, it being estimated that it would cost \$20,000 to install and operate the ammonia pipes for one year. Two American's cup yachts were sold, at New York, to be sent to the Caribbean in the turtle fishing trade. They were the Volunteer, the last of the old guard of racing craft, and the Vigilant, the first of the new. Edward S. Reiss bought the Volunteer from Capt. Charles Barr, and the Vigilant from E. Neslin. The Chicago Federation of Labor has placed a boycott on the Cleveland American League baseball team because the baseball park at Cleveland was built by non-union labor. Secretary Edward N. Nichols was instructed to communicate with President Charles A. Comiskey, of the Chicago American League team, to the effect that "organized labor in Chicago has the highest regard for Mr. Comiskey, and the club, but on account of the 'unfair attitude of the managers of the Cleveland team, a boycott will be placed on the games when the Cleveland play in Chicago."

### CITY AND VICINITY.

#### Young Man Turned Back.

Because he had not the necessary \$10 in his possession, a young man, who was on his way over to Uncle Sam's territory, was stopped at Cape Vincent, N.Y., on Monday, and had to come back to Kingston. Several young men have been turned back on this account, within the past few weeks.

#### A Big Display.

We are told that our big stock of new spring rats discounts anything ever shown before in Kingston and it embraces all the new styles from the greatest hat-makers of the world. See our wonderful values, in stylish derbies, \$2, \$2.50, \$3, \$4, Campbell Bros., the leaders in men's hats.

#### B.A. Hotel Arrivals.

C. C. Coynes, New York; W. Lawson, Elginburg; R. G. Wright, R. A. Shaw, W. O'Connor, M. H. Chadwick, Toronto; J. P. Plankett, Chicago; W. Carman, Stratford; C. Knowles, Hamilton; George B. Pelletier, Montreal; S. A. Austin, Picton; Thomas Moon, Hamilton; George Comerford, Bedford; H. E. Smith, Ottawa.

#### Many Persons Despondent.

Many persons become despondent because they have been unable to find a permanent cure for eczema (scald head) and kindred skin diseases, such as pimples and blotches. Wade's Iron Tonic Pills will positively cure these ailments and make the skin healthy. Price 25c, at McLeod's drug stores.

#### Not Yet Considered.

It was stated in labor circles, today, that the request of the carpenters, for an increase in wages, had not yet been taken up by the contractors. The men are not asking for this raise until May 1st, so the contractors have some time yet to take up the matter. A leading labor man told the Whig, to-day, that he thought that some compromise would be made in regard to the matter.

#### Assembly at Seeley's Bay.

A most successful dance was held in the Masonic hall, Seeley's Bay, on the night of March 17th. The young people from the town and surrounding country attended in large numbers, and thoroughly enjoyed themselves. Music for dancing was furnished by Miller's orchestra. The capable committee was composed of William Macauliffe, F. Dillon, P. Tierney and P. J. Webb. It is proposed to hold another assembly on March 31st.

#### Repairs to the North King.

Extensive repairs and alterations are being made to the steamer North King, which is in Crawford's slip. The bulk of the work consists of a new cabin, and when the work is completed, it will be a great improvement over the other.

The steamer Pierrepont is all in readiness to take a hard in the breaking of the ice, as soon as the weather is favorable. The Pierrepont will go on the Cape Vincent route as soon as it is opened. "Fake Medicines." Are fast being eliminated from the market by the action of the Pure Food and Drugs Law, but there are many dependable advertised medicines, such as the Cod Liver and Iron preparation called Vinol, constantly prescribed by reputable physicians who are successful and broad enough to recognize the intrinsic merit of such a preparation. This combination of two world-famed tonics builds up the system when run down and weakened by sickness or age quicker than any other means. G. W. Mahood, Druggist, Kingston, Ont.

#### Lighting of Store Windows.

Since the business spring opening of last week a number of the merchants are keeping their windows lit at night, and they are gaining thereby, for the downtown streets these nights draw a great many people. It is to be hoped that the merchants will continue to keep their windows lit at night. The cost is small in comparison with the effect and the result. Palestrians like to look into the windows at night and they generally see things they buy.

Ferns, palms, etc., 109 Brock St. A. E. Wellbanks, of Port Milford, was in the city, on Tuesday, and left for Cape Vincent.

Bibb's the best \$2 Hats. Dr. McQuade and L. Gardner, of Yarker, have been spending a few days in the city.

### THE QUEEN'S.

Toronto, the Queen City of Canada, has much of the beautiful. It is found in the many handsome churches, artistic public buildings, imposing offices, public drives, parks and gardens. Its government buildings are fine. Old hotels there are many, none, however, approaching the Queen's for perfect service, quiet comfort, and homelike surroundings, and the peculiar excellence of its cuisine. Its fame is far-reaching, and many remember with pleasure the hours spent within its hospitable walls. The charges are based on the American and European plan, and are as follows:

- Rooms without bath (American Plan) \$3.00 per day up; Rooms with bath (American Plan) \$3.50 per day up; Rooms (European Plan) \$1.50 per day up

## AUTOMOBILE AND MOTOR BOAT SHOW

COLISEUM, GUY AND DORCHESTER STREETS.

### March 26--April 2

GREATEST MOTOR SHOW EVER HELD IN CANADA.

### E. M. WILCOX, Manager.

Windsor Hotel, Montreal.

### A Muscular Feat.

Chicago News. The late Representative Brosius, of Pennsylvania, had a tremendous voice and was a great word-spinner. One day when the Wilson tariff bill was being debated in the House Brosius made a speech comparing Thomas B. Reed and William L. Wilson, the author of the bill. "Why, Mr. Speaker," he roared, "if Thomas B. Reed was as much greater physically than William L. Wilson as he is mentally, he could take Wilson with one hand and cast him with one sweep far beyond the rim of the earth's attraction, while with the other he could hold to his eye a sprig of sufficient power to watch his gyrations in interplanetary space."

### Pleasant to Look Upon.

A smooth, rosy, healthy complexion is pleasant to look upon. Pimples, blotches, carbuncles and all skin diseases are removed by using Wade's Iron Tonic Pills. They are great blood makers and nerve strengtheners and the best tonic pill obtainable. Price, 25c., at McLeod's Drug Stores. See Bibb's special \$2 Hats.
