Rosy Cheeks or Pale Ones?

A moment's reflection with your mirror will give the hint as to the condition

of your system. Pale cheeks, muddy complexion, dull eyes, show a poverty of blood. You require something to make a plentiful supply of rich, red blood course through your veins. To ensure this take

the wonderful little blood-makers. Whatever your blood may need the stomach

will supply from the daily food when it is in good working order. Beecham's

Pills aid the stomach to digest its food and to assimilate the blood elements.
They increase the supply and improve the quality of the blood. If you are pale, weak, languid, or anaemic, a few doses of Beecham's Pills will
