between the two countries is inpainted in his sky high quarters over- skys fled. ooking Lake Michigan. He decided hat he would rather starve than resort to fraud and so he continued to stigmatize Lis picture with the name of his native city. Then he discovered that if he meant to be honest and survive he must paint portraits, and with a said heart he abandoned the fields. Elysius and began to paint merchant princes and kings of commerce at orices that made him feel like a guilty

> He called these lowering presen ments of millionaires "potboilers" but ne waxed fat on the profits, and as aostages to his better self he continsed to paint "serious" things which attracted neither praise nor purchasrs. Brushington thought it was bad enough to have to stare at and study or hours the rich "sitters" whose patonage he disliked even while he lived apon it, but when he got orders to mint portraits of the deal with no beter guides than a photograph and lock of hair his conscience smote him and his heart became sick. When he cepted a "commission" to paint Mil-Logaire Slupsky, deceased, and stoods tione in his room with a solar print of the subject, a lock of gray hair and He succeeds the late James Breck Perkthe gold spectacles of the departed ins, Rochester, N.Y. great man his degradation seemed

In order to stifle his bitter thoughts ie resolved to put a high price on the Slupsky portrait, and so he set to work upon it, determined to learn whether money could ever be an emollient for bruised ideals. The son of his subject, who expected to pay for the portrait, used to come in every lay to give the painter hints about and hair, the droop of his eyes, the shape of his ear and the expression of his face. But, work as he would, quire as he might, no art that he ould command seemed to satisfy the xactions of young Slupsky. As a matter of fact, Mr. Slupsky was astonished at the fidelity of the

portrait; but being a good business man, he knew that by finding fault with it he might be able to get it at recluced price when the day + for payment came. Brushington never su spected the guile of his patron and worked away till it seemed as if every alteration possible had been suggestel and made, Slupsky himself admitted that it was time to bring down the widow and all the surviving Slupskys to view the life size "picture of papa," but when he conducted the amily into poor Brushington's studio every member was instructed to sup-

press Admiration and, as Slupsky put t, "take a little rap at the picture." The artist was expecting his visitors. His smeking jacket was brushed; tlesmake Canyon is so full of but of the company petitioner for he said bitterly. Cured of severe compound

cold and cough by

From Dec. 20, '08, to March 1, '09, I had three bad colds, one on top of the

other. I got so weak I could hardly get around. Nothing seemed to help me until I began to take Vinol. The

change was magic. Three bottles com-pletely fixed that compound cold and stopped the terrible cough—and what

surprises me most, at the same time

it cured me of a severe stomach trouble that has bothered me for 20 years.
