An Address That Woke Up Hon. F. Oliver

THE MOST CAREFUL TREAT-MENT OF INDIANS.

In Moving Their Reserves the For Benefit of Indians-Judges vie Milling company, of Montreal.

Special to the Whig. ply was made by the Hon. Frank Oli- ville, died. the St. Peter's reserve in Manitoba. the heart. Mr. Oliver declared that never within the walls of parliament had there been such a systained tirade of unwarrantperpetrated by Mr. Bradbury: In its gratuitous inexactitude it was an of fence against the privilege of parliameat and an insult to the intelligence of the house. The policy of the government, he said, in admiréstering in than abairs was that where lands held by Indians were not being used to their profit those lands should be surrendered in exchange for money which could be of benefit to the Indians. The surrender of the lands on ago. the St. l'eter's reserve had arisen because of confused conditions with regard to the titles of claims by various half-breeds and wnites. Claf Justice Howell, Manitoba, had recommended the surrender of the lands on the reserve. The terms of surrender, which Mr. Bradbury had described as a scandalous piece of trickery, delibera-

itoba. Any insinuation that pressure was brought to bear by the government, or by anybody connected with the government, to compel Indiana to sell their lands to any particular person at any particular price have put up, and the local team came would be safe. These intimates of the was absolutely without foundation out on the short end of the stick. Mr. Oliver quoted from records to show that Indians, who were alleged not be dropped by any means, and by Mr. Bradbury to have been bribed, that a league can be formed. sold their lands at prices varying from

\$4 an acre to \$17.50 an acre,

As to the charge that the Indians had been bribed or foeled into the surrender Mr. Oliver noted that the whole matter had been fully placed before IS HUDSON'S BAY ORE ENCIRCL. lengthy vacations in anticipation of ment's existence depended upon the The international waterways comthe band, at a public meeting, and the majority had voted for the surrender knowing fully what they were doing. There was absolutely no truth in the charge that the chief and the councillors of the band had been given each twenty acres more than they were entitled to as a bribe to put the transaction through.
