ECZEMA FOR NINE YEARS.

Zam-Buk Works Another Great Cure for Man.

Another wonderful cure of the dread scourge, eczema, by the great herbal balm, Zam-Buk, is reported from Montreal by Thos. Amrose, of 600 St. Timothy St. He says:

"For about nine years my son, Emilio, was a great sufferer from eczema. The disease broke out on his face and arms, which were covered with sores. These would scale over for a time, but would then break open again, and cause him terrible agony.

"We tried ointments and soaps and preparations of all kinds, but it seemed that we could get nothing to benefit him. This state of affairs went on during nine long years, and you can well imagine the agony he suffered."

"Zam-Buk was recommended to us, but we feared it would prove useless. We got a supply, however, and it was not long before we found out its virtues. It eased the pain and removed the irritation. Then it began to heal the sores, until fit by fit the patch got less and less. The skin which was cracked and sore became soft and smooth, and in the end every trace of the disease was banished.

"Not only for eczema, but for ulcers, blood poisoning, bad leg, varicose ulcers, itch, salt rheum, cold cracks, scaly rashes, children's rashes, and piles, Zam-Buk is a sure cure. Used as an embrocation it cures rheumatism and sciatica. All druggists and stores at 50c. box or post free from Zam-Buk Co., Toronto, for price. You are warned against substitutes and harmful imitations.

MAN'S MISERY PROMPTLY BANISHED.

(From "Man's Maladies.") A certain sort of misery which causes a man to become abject in manner, timid, suspicious and nervous without real warrant, can be readily banished by a systematic nerve treatment which can be followed out in the privacy of home and restoration of a normal or rational condition speedily ensues.

A man feels and knows when he is not getting out of life all that it holds, and this knowledge makes the misery which occurs with each symptom an insupportable weight. Weak, drooping eyes, cold extremities, loss of flesh, loss of self-control, lack of self-esteem, pain in the back and back part of head, shooting pains, neuralgic, palpitation, nervousness, sleeplessness, hollow eyes, sunken cheeks, colorless lips, dizziness and trembling.

The requirement to overcome these dreadful symptoms is a restoration of the power and strength to the nervous system which has been poorly nourished or abused by thoughtless eating, drinking or social duties, perhaps superinduced by overwork. Keep strong, sensitive nerves which carry every sensation of emotion, desire, to the centers of consciousness and should be the possession of every living individual. Let this prescription be used and the results will surely reward the efforts.

Obtain of Dr. J. P. Kelly, three ounces of syrup sarsaparilla compound, in a six ounce bottle, add one ounce of compound fluid balsam, shake and let stand for two hours, add one ounce of tincture cadomene compound (see card) and one ounce of compound essence codon. Mix. Shake well and take a teaspoonful after each meal and one when retiring. The three last named ingredients are specially prepared and concentrated, much used in various prescriptions, but contain no opiates to harm the system.
