Of Opposition To Party Capital

SION QUESTION.

Sir Wilfrid Laurier Declared That the King and Hindahl, who worked to-Manitoba.

Special to the Whig. Ottawa, April 28 .- There is a strong probability of a general election in

resolution reciting the terms of the guise. resolution unanimously passed by the commons in 1908, providing for the extension of the provincial boundaries of Manitoba, Ontario and Quebec, and asking the house to affirm the contention of Manitoba that in connection

of boundaries had been considered by

The resolution, which was tanta mount to a vote of confidence in the government since it was made on motion to go into supply and, therefore could not be amended, was voted down, on a straight party vote by 102 to 63. The rest of the day was for the most part taken up in supply on blic works. At the opening of the ouse. Sir Wilfrid announced that the government expected to reach prorogation by the end of next week.

UNITED STATES SENATORS.

of agitation, the advocates of ction of United States senators opular vote won a victory in House of Representatives, when a re-solution favoring popular election was substituted for an adverse committee port by a vote of 109 to 98. The plution had the backing of the democratic members and about a quar-ter of the republicans.
