GANANOQUE TIDINGS

HOG SELLER MUST MAKE GOOD DISCREPANCY.

Fire in a Residence—A Couple Wedded in St. John's Church—Board of Health is Clearing Gananoque.

Gananoque, April 28.—At St. John's church at six o'clock, Wednesday morning, the marriage sacrament was administered to Miss Alice Uland Green, daughter of Mrs. Peter Lozo, Stone street, and Hugh Dowling, of Toronto, a former employee of the Canada Cabinet company, while operating here, by Rev. Father John P. Kehoe, rector. After the ceremony the bridal party repaired to the home of the bride's parents, where a bounteous repast was served. Mr. and Mrs. Dowling left for their new home. The bride was the recipient of many useful and handsome tokens of esteem from her large circle of friends.

About 8:30 o'clock, yesterday morning, the residence of Michael McDonald, mason, Charles street, was discovered on fire. In a short time the firemen had the blaze in hand, confining it to the upper storey. The building was owned by Mr. McDonald, and his loss will be partially covered by insurance.

The coal schooner Horace Taber pulled out of Gananoque river, yesterday, but had to wait till night for favorable wind.

Judge Reynolds, of Brockville, held division court in the town hall, yesterday, when quite an interesting docket was dealt with. In the hog case re negligence, in weighing, showing the two hogs as weighing sixty-five pounds more than their actual weight, the seller, Mr. Dempster, was ordered to make good the amount of discrepancy.

Harmony lodge, No. 15, Daughters of Rebekkah, held a pie social in their rooms, last evening. The Dominion government's tuberculosis exhibit in Turner's hall, attracted an unusually large attendance last evening. Medical Health Officer Dr. Sinclair was present to make necessary explanations to the gathering.

The new board of health is deserving of the greatest credit for the way in which it is enforcing the much-needed reform of getting the lanes and alleys of the town in a respectable condition. Never in years have they presented such a clean and tidy appearance as at present.

W. V. Bulloch, Charles street, is spending some time in Montreal. S. Braid, Montreal, is in town this week getting things ready to remove his household effects and family to that city early next week. W. F. Latimer, Main street, and daughter, Miss Pearl Latimer, have returned from a visit in New York city.

BASEBALL MEETING.

Final Arrangements for the Coming Season.

A meeting of the Kingston Baseball League executive will be held on Tuesday evening next in the College Inn Cigar store, when final arrangements will be made. Every team entered should be represented at this meeting as many matters of importance will be finally settled, such as drawing up a schedule, dividing the teams into groups, etc. The league will open about May 14th.

Will Not Have Marathons.

A runner named Nelson, of Gananoque, has written W. C. Martin, secretary of the Victoria Day celebration committee, asking about foot races, where they will be held and the distances. It is not likely that the Gananoque speed artist can be accommodated this year, as no foot races will be held.

Sporting Notes.

Western clergymen will endeavor to prevent the Jeffries-Johnston fight.

Cameron, winner of the Boston Marathon, declines to turn professional at present.

Both Johannsen and Ljungstrom, the Swedish runners, will be in Toronto for the Marathon Derby on May 7th.

Fred S. Cameron, champion long-distance runner of America, was given a gala reception on his arrival at Amherst, N.S., from Boston.

Sam. Crawford, of the Detroit Tigers, is slugging at a terrific rate again this season. It's a poor day for Sam when he doesn't get a couple of extra base clouts.

Jeffries is very confident of his condition. In a letter he says he feels as physically "fit" as he ever did. His work now consists mainly of exercise to improve his wind. Running and handball are the principal means used towards that end.

Mayor Gaynor, himself a pedestrian of no mean ability, has granted permission for Edward Payson, the Canadian walker, to tramp triumphantly down Broadway with an escort of police when he arrives in New York the last day of this week. Judging by his progress Weston will reach the upper part of the city late Friday, seventy-five days after his start from Los Angeles, 3,460 miles away, and fifteen days ahead of his schedule.

Reciprocity With Canada.

Washington, D.C., April 28—Representative Butler Ames, of Massachusetts, is getting members of congress to sign a petition for a favorable report from the ways and means committee on his resolution to put the house on record in favor of reciprocity with Canada. So far he has eighty names. He wishes to have a majority of the 217 members before presenting his petition to Representative Sereno E. Payne, chairman of the committee.
