

Knitted into its Perfect Shape—Not Stretched

Long after it is purchased—after numerous trips to the Laundry—Pen-Angle Underwear still retains its graceful, perfect glove-fitting shape, and looks as if it were donned but yesterday. Ask your dealer to show you Pen-Angle. Examine it—feel it, note its soft, smooth texture; stretch it, and see its wonderful elasticity—it cannot shrink. Pen-Angle Underwear is vastly different. It is knitted, not woven—comfortable, not irritating. Pen-Angle is an individual, exclusive Underwear creation. It is knitted into its snug, perfect shape—not stretched. The variety of styles, sizes and weights (for any climate) is almost unlimited. Look for the Pen-Angle label—it's a guarantee of complete satisfaction, or your money refunded. It means quality—removes the last straw between you and Underwear satisfaction. Remember the Watchword.

Pay a Fair Price And Get the Best

The grocer who gives the greatest number of pounds of granulated sugar for a dollar, naturally won't give "the best Montreal granulated."

The only way you can be sure of getting the best, is to insist on having

St. Lawrence Sugar Put up by the Refinery in 20 pound Cotton Bags

The analysis of Prof. Hersey, Government Analyst, shows that "St. Lawrence Granulated" contains 99-99/100 to 100 per cent. of pure cane sugar with no impurities whatever.

How Catarrhozone Cures.
Miss Worrell is a resident of Clarksville, Pa., and has been the means of pointing the way to health of many of her friends. "I received such extraordinary benefit that I have induced many of my friends to use it also. My catarrh was so bad a year ago that I despaired of ever getting cured. I am sure my lungs were somewhat affected also. The relief I got from Catarrhozone was remarkable. I improved under this treatment very quickly, and was cured so thoroughly the disease has never returned." Get the large dollar size of Catarrhozone; it contains a beautiful hard rubber inhaler, and medicine that lasts two months. Smaller sizes, 25c. and 50c. each. Beware of imitations—accept only "Catarrhozone," sold by all reliable dealers.

Mr. Bryan's operation was very successful and he is gaining rapidly. Miss Murphy, of Antrim, visited her brother, Dr. H. H. Murphy, his return home.

VERONA'S DOCTOR WEDS.
Miss Nellie Asseltine is the Happy Bride.

Verona, May 6.—The Union hotel was the scene of a pretty wedding on Wednesday when Dr. J. M. McCarter was united in marriage with Miss Nellie A. Asseltine, eldest daughter of Mr. and Mrs. Asseltine, at three o'clock. The bride and groom entered the reception room unattended. About forty guests were present. The nuptial knot was tied by Rev. Falcour Dowdell, church of England minister, of Sydenham. After congratulations the wedding party repaired to the dining room, which was profusely decorated with white roses, carnations, and other flowers, marguerites and lilies of the valley. The party partook of a sumptuous repast. Afterwards the guests viewed the many beautiful presents, which very much evidenced the popularity of the bride and groom. The groom's gift to the bride was a sterling silver tea service, and among the numerous gifts was a cheque from her mother, Mrs. Asseltine. The bride and groom returned to Toronto to spend a short time with the groom's brother, J. R. McCarter. The doctor will settle down in Verona and will in a few months occupy his new dwelling, which is in course of erection. Work is progressing vigorously at the Hoffman mine, Fourteen Island Lake, which has been lately opened up. Division court held Wednesday with Judge Madden on the bench. Farmers are nearly through seeding. Measles are prevalent in the village and school is closed in the senior department. The teacher, Mrs. Swabrick, has come to her home in Parham smitten with the disease. Old Mrs. Lamson received a partial stroke of paralysis on Friday and is very ill. Old Mr. and Mrs. Shields, from Salmon Lake, are visiting with her sister, Mrs. M. Trundle, who is in her ninety-seventh year and retains all her faculties and is still enjoying good health. Miss Jenn Grant is making preparations for visiting her brother, W. A. Grant, Temagami, where she will reside for the summer. The survey party, of the N.C.R., are back again in the village. The villagers extend sympathy to old Mr. and Mrs. Graham, who have, this week, been bereft of their daughter, Mrs. Thomas Godfrey. Mr. Graham has been confined to his room for several weeks and the sad news has been a heavy blow to his health. Some of the farmers intend sending their cream to Toronto. Cans have been supplied here for transport. W. D. Percy, barber, has lately enlarged his barber shop and added a new kitchen to his dwelling. A Ludbrook, spending the winter in Michigan, is back. The new cement south end of the village, it was very much needed.

SPRING SKIN SORES

At this season, scores of people, girls and women especially, find their faces marked with pimples, dark spots, eruptions, etc. The skin needs attention, needs renovating after the trying winter season. Just think what it has had to go through!

You have been out in rain and sleet and snow. You have been perspiring from skating, or some other exertion. Then you have stood to "cool off." You have spent hours of the day indoors at a temperature equal to summer heat. Then you have covered up your skin, except your face, and gone out into a temperature away below zero! No wonder that the skin of the face and neck shows signs of needing attention. Zam-Buk is a skin food. Smear it lightly over the spots, the eruptions, the shallow patches, at night, and notice how quickly your appearance improves. As the rich, refined, herbal essences sink deep into the tissue, the hard scurvy-like patches are removed. The cuticle is softened. The cells beneath are stimulated to healthy operation. The pores resume their work properly. Better color results. The cells of the skin being purified by Zam-Buk's stimulating balm, become transparent; the blood beneath is able to impart its proper coloring to the tissue, and the delicate bloom of health replaces the sallowness and pallor of disease. A few days of Zam-Buk treatment will transform a "muddy," speckled, spotty complexion into one of attractiveness and prettiness. Use Zam-Buk for more serious skin troubles, such as eczema, pustules, boils, ulcers, febrile sores, ring worms, scaly sores, sores on the body due to blood-poisoning, etc. Mothers will find Zam-Buk unequalled for baby! Had Given Up All Hope of Living.

Heart Trouble Cured by Milburn's Heart and Nerve Pills.
Mrs. Andrew Savoy, Grattan's, N.B., writes: "In the year 1905, I was taken sick and did not think I could live any length of time. My trouble was with my heart and people told me that nothing could be done for a case like mine. I consulted the very best doctors, but they could do me no good. For seven weeks I could hardly cross the floor. I had no pain, but was so weak nobody in the world can believe how I felt. I had given up all hopes of living and had given my little girl to my sister-in-law. "One day a friend came to see me, and calling me by name, said, 'Lizzie, if I were you I would try a dose of Milburn's Heart and Nerve Pills as they are good for heart trouble.' My husband got me a box, but for two days I was not feeling any better, but on the fourth day my husband said, 'I believe those pills are doing you good.' I was able to say, 'Yes, I feel a good deal better this morning.' He said, 'Well, I will get you another box right away.' I took two boxes and three doses out of the third one, and I was perfectly well and had not been sick since then. "I will never be without them in my home for God knows if it had not been for Milburn's Heart and Nerve Pills, I would not have been alive now."
