

"IT SEEMED LIKE THROWING MONEY AWAY Until I Tried Gin Pills."

Mr. P. Fitzgerald was completely disheartened. He had suffered so long with his kidneys, and spent so much money on doctors without relief, that he had made up his mind he could not be cured.

Then, he chanced to read about the wonderful cures by Gin Pills, the great Kidney Remedy, and sent for a sample. The pills did him so much good that he immediately bought two full size boxes. And these two boxes of Gin Pills made him feel like another man.

But let Mr. Fitzgerald tell his own story of a really remarkable cure. Provincial Asylum, Orillia June 18th.

I have much pleasure in stating that the sample, which you sent me, led me to buy two boxes of Gin Pills from a local druggist. They are the best remedy for Urinary Acid Trouble that I have ever tried.

After reading such a letter as this, you simply can't doubt the value of Gin Pills in cases of Kidney and Bladder trouble.

Probably your own family physician would tell you that it will do your blood and nerves good to drink REGAL LAGER with your dinner.
