CHANGE FOOD

And Lose That Uneasy Feeling.

A man who has always been a "skinny chap," although hardly ever ill, tells of the way he put on flesh and reduced his irritability and nervous condition.

"In a short time I found myself another person, the old feeling of discontent and uneasiness left me entirely, it became a pleasure to go about my work, whereas, before, for years, I had always had the feeling of being a little weary, now I seem to have a surplus of energy for everything. My weight has increased 11 pounds in 4 weeks, and I am still gaining."

"I have never been very sick, and am satisfied that if my present improvement in health continues, I shall not be."

"The change that this food has made in my life has been remarkable and so satisfactory that I am glad of the opportunity to tell you."

WERE YOU TAGGED? Money Collected on Holiday for a Worthy Cause.

Were you tagged on the holiday? If you were not, you should have been, for it was for a most worthy cause. A special contribution was taken up, on behalf of St. Mary's-On-The-Lake orphanage, and a band of women were in charge of the collections, turning it into a "tag day," and receiving the offering on the street. The amount has not yet been counted up, but it is expected that quite a large sum will be realized. One thousand tags were disposed of, and this, in view of the fact that the undertaking was not advertised, and the people unacquainted with the matter until it was explained, speaks very well for the result.

A bevy of young girls took possession of the street corners, and they "tagged" every passerby they could. It was noticed that the visitors in the city were very liberal. A better day could not have been selected for the collection, as all day long, and especially during the morning, the down town streets were filled with people.

The special committee having charge of the arrangements for the collection was composed of Mrs. D. Phelan, Mrs. William Harris, Miss Josie Brown, and Miss Agnes Doolan.

She leaves one sister, Mrs. Elizabeth Snider, Wilton, and five children: Chester, of Kingston; Henry, of Couits, Alta.; Mrs. D. Barrett, Cataragus; Mrs. D. Viek, and Mrs. J. S. Coglon, Kingston.
