COULDN'T GET STRONG Digestive and Liver Troubles Cured. "I was never actually sick," writes Mrs. La Pierre, wife of a well-known resident of Labriere, "yet I never got strong like other women. I ate well enough, but somehow blood rich and red I could never make. When I married I took a great pride in my housekeeping, but it kept me tired all the time. My leucania, my neighbor, looked well—she told me her health had been made by Dr. Hamilton's Pills. I only thought of pills as a physic, but now I know that Dr. Hamilton's Pills are more, for they quickened my stomach, liver and bowels—made me stouter and stronger, gave me such color in my cheeks as I never had before. They do good to parts in ways I need not mention in this letter, but I sincerely believe Dr. Hamilton's Pills should be used at regular intervals by every woman—that's why I write this letter." No medicine invigorates a woman like Dr. Hamilton's Pills. 25c. per box, all dealers.

NATURE TELLS YOU

As Many a Kingston Reader Knows Too Well.

When the kidneys are sick—Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action. Any urinary trouble tells of kidney ills. Booth's Kidney Pills cure all kidney ills. Kingston people testify to this. J. Johnson, of 330 Brock street, Kingston, Ont., says: "I would have been a number of times each night. The desire to urinate was very frequent and the secretions were uncontrollable. The urine was highly colored and contained deposits of sandlike sediment. There was a dull, heavy pain across the small of my back, and if I would do any stooping or lifting I would scarcely be able to straighten myself up again. This was my condition at times for over a year. I had tried numerous remedies with little or no relief. Booth's Kidney Pills were advertised at Mr. Mahood's Drug Store. I tried them and found them to benefit me. I continued their use and in less than one month the urinary disorders were regulated. My back strengthened and the pain left it. I have not been troubled since and can recommend Booth's Kidney Pills highly." Sold by dealers. Price 50c. the R. T. Booth Co., Limited, Fort Erie, Ont., sole Canadian agents.
