Dr. Chase's Nerve Food.

No symptom of nervous prostration is more to be dreaded than the inabilty to sleep. Man can exist for conout sleep, and the restoration which it brings, he soon becomes a mental d physical wreck.

When you cannot sleep and rest look to the nervous system and remembe that lasting cure can only be obtained from such treatment as Dr. Chase's Nerve Food, which naturally and gradually restores the exhausted nerves to health and vigor.

William Graham, Atwood, Ont., writes: "My wife had been ill . for some time with nervous prostration and we had two of the best doctors we could get, but neither of them did her any good.
