A Courtier in Blue Flannel.

A fine vacht lay at anchor awaiting favorable breeze for her mission . of pleasure. The crew idled about the deck, and a Mappy group of guests was aft conversing pleasantly. In the group was a handsome mother, Her over it and was whirled down the tide The mother's shrieks roused a dozing, lounging sailor, who at once comprehended the situation and plunged after the child. Others promptly manned a boat and soon overnauled the sailor, who was now swimming with the little fellow in his grasp. As soon as they returned to the yacht's deck the mother, with streaming eyes, threw her arms around the neck of the dripping escuer and fervently exclaimed: "Oh. oh, sir, how, how can I ever repay you? Name your own reward for giving back my son and saving me from a broken heart !"

Then she pressed a half score of kisses on the tar's weather bronzed "Lady," answered he as she released

His First Taste of Discipline. Admiral Jouett, probably one of the jolliest sea dogs our navy ever knew,

> Preaching and Practice. W. S. Gilbert on one certain occa owner of a fine English country house On the morning after his arrival he was chatting with his host before breakfast when he became sudden aware that family prayers were about to be read. The household filed in, and the distinguished guest knelt down ! on the spot where he happened to be standing. Looking up, he caught his host's eye fixed on him with a warning glance, which he, however, failed to read aright. The service began, "Almighty Father, who hast made all men alike" (more telegraphic glances) "rich and poor, gentle and simple" then, unable to contain himself any longer, the host called out, "Gilbert you are kneeling among the servants ?"

A Gentleman and Boots.

The "first gentleman in Europe" got the very worst definition of a gentle to Brighton. The prince regent was I arraing about the gentleman and finally turned to his valet. And the valet replied that a gentleman was one who did not clean his own boots. It was a funky's reply. One likes better the demand of the Duke of Wellington. "Give me men who can sleep in their
