GOOD TEMPLARS.

The Closing Session Was on Thursday Afternoon.

The closing session of the grand lodge of Good Templars, was held, on Thursday afternoon. The finance committee's report was received and the financial arrangements of the past year and officers' salaries were continued.

Later in the session the report was recalled from the committee and a motion to concur in the clause of the G.C.T. report was adopted.

Fort William Temple was awarded the prize banner for best increase and work during the year.

A motion to amend by-laws so as to meet biennially instead of annually was, after a lengthy discussion, referred to the subordinate lodges for consideration, so that action could be taken at the next annual session in London.

Commenting Sunday, June 19th. Sunday service with Cape Vincent will be inaugurated, Steamer America leaves 7:30 a.m. and 2 p.m. 50c. return.

Creamery butter, 25c; cooked ham, 30c. J. Crawford. Horlick's Malted Milk (see cold) dispensed at the Red Cross soda fountain.

DECIDE ON MACADAM GRAVE WAS OPENED

FOR PRINCESS STREET FROM BUT WILL OF JOSEPH GEORGE WAS NOT FOUND.

And For King From Princess to Brock—Board of Works Forced to do Something—The Work can be Completed This Year, if it is Begun at Once.

There will be no permanent pavement for Princess street, in this decade anyway, if the city adopts the recommendation of the board of works made at its meeting yesterday afternoon. This board decided to recommend to the council that Princess street, from King to Brock, and King street, from Princess to Brock, be macadamized, the council to provide the money.

The city engineer was instructed to confer with the street railway company and find out if it was agreeable to plan Princess street, above Alfred street, in a condition satisfactory to him, after it had removed its rails from the road.

It was decided to increase the street watering area by adding Raglan Road between Montreal and Bagot streets.

The board ordered the building of a sewer in Sydenham street, between North street and Baglan Road, on recommendation of the board of health.

The application of James Earle, for permission to sell popcorn and peanuts from a cart on the street, was refused, as there is a by-law prohibiting this.

Thomas Mills petitioned for the levelling and grading of lower Alfred street, where a sewer had been constructed some time ago, but the board refused the request, as it has no funds.

Those present at the meeting were Aids. Chown (chairman), Hart, Carson and McCartney.

RAILROADERS WON GAME.

But There Will be a Protest Entered.

The second game in the Mercantile League was played at the cricket field, on Thursday afternoon, between the Live Coals and Railroads, resulting in a win for the latter 13 runs to 10 and thereby hangs a tale. It was agreed before the game to play six innings, as it was after six o'clock when the game started, but this agreement was not followed.

The Coals put five men across the plate and in the second the Railroads came with six. The former took a wicket, made 13 to 10 in favor of the railmen.

The Coals went in for the first half of the fifth and were retired without scoring, when to the surprise of all "Johnny" Gratton, who declared himself captain of the Railroads said they would play no more, and the game stopped.

As William Mackie, of the Railroaders could not get away for the game, the Coals dropped Nolan to even up and the game was played with eight men a side. The next game will be played on Tuesday, June 21st, when the teams from Wornwirth's and Retail stores will clash.

COOKS' WON OUT.

In the junior game, in the Sunday school league, on Thursday evening, Cooke's shared defeated St. James' by a score of 12 to 4.

GRADUATES OF TRINITY

Held a Luncheon at the Randolph Hotel.

The graduates of Trinity University in the Diocese of Ontario, had a luncheon in the Hotel Randolph, on Thursday afternoon. The tables were tastefully decorated with flowers and college colors and the menu was of the best.

Dr. Lloyd dwelt on the importance of university training in the making of a nation, and declared that no nation, past or present, had such an opportunity as Canada to-day.

Dr. Lloyd dwelt on the importance of university training in the making of a nation, and declared that no nation, past or present, had such an opportunity as Canada to-day.

Great sale of White Boots and Shoes, for men, women and children, enormous reduction. Dutton's Shoe Store, 209 Princess street, Crawford.

DECIDE ON MACADAM GRAVE WAS OPENED

FOR PRINCESS STREET FROM BUT WILL OF JOSEPH GEORGE WAS NOT FOUND.

Every Portion of the Clothing of the Dead and of the Casket Was Searched—Suspicious of Relatives and Friends—Against Widow Proven Incorrect.

It has been proved that the will of the late Joseph George, Wellington street, is not concealed in the casket of the deceased. At seven o'clock Friday morning, the grave of the deceased in Catarqui cemetery was opened, the body was removed from the casket, and a careful search was made for the document that was supposed by some of the relatives and friends to have been placed there.

The grave was opened, under the direction of Superintendent Nicol, and by order of Judge Price. William Mundell represented the widow, who gave her consent to the opening of the grave; W. F. Nickle and John Elmer represented the applicants, and John A. Cornelius was present to take charge of the body. The search was very carefully carried out, and nothing was allowed to escape the closest scrutiny.

William Mundell, acting for the widow, will now proceed to apply for letters of administration to the estate, which is probated at \$43,000.

Those of the deceased's relatives and close friends who hold that the will is still in existence, will take steps to prevent the administration of the estate as far as possible. They propose to make further search for the missing document, made about four years ago, and in which they claim that sums were left to them.

HAD HIS LEG BROKEN.

John Doran Met With Serious Accident.

John Doran, a longshoreman, and married, living on Queen street, met with an accident on Friday noon, and as a result had his left leg broken.

He is in the Hotel Dieu and is doing nicely under the care of Dr. Robert Hanley, who was called to attend him.

Doran was working for McKelvey & Birch, and was engaged in unloading some bags of cement, where some work was in progress on Wellington street, at one of the houses, and, in the unloading, some of the bags fell on him.

He suffered a very bad fracture between the ankle and the knee. He was carried over to Dr. Hanley's office and after being attended to was sent to the Hotel Dieu.

HELD A JOPLY PICNIC.

Thursday was an ideal day for a picnic, and it was a jolly party that went out to Lake Ontario Park. The occasion was an outing given to the orphans of the Hotel Dieu, through the courtesy of H. Nickle, of the street railway. The children had a fine time. There were races and games, for which prizes were awarded, and Thomas Ronan ably looked after this part of the programme.

The children were dressed in white, and made a very fine appearance, showing great credit on the sisters who have them in their care. Members of the Woman's Auxiliary accompanied the children, and they returned thanks to Mr. Nickle for his kindness. This was the first picnic to be held at the park this season.

A NEW MEAT MARKET.

A. Hood, for two years meat cutter with Anderson Bros., has taken over the store, corner Earl and Barrie streets, lately occupied by Mr. McCreville, and will re-open it to-morrow with a choice selection of all kinds of meat and canned goods, pickles and vegetables. Lowest possible prices will prevail.

CORRIGAN'S.

INSPECTOR ADVISES

CONTINUATION SCHOOL CLASS FOR NORTH FRONTENAC

In Order to Aid in Getting Qualified Teachers—The Rate Needed for General Purposes—Grant for Wolfe Island Wharf.

M. R. Reid, inspector of schools for North Frontenac, Lennox and Addington, addressed the county council on Friday morning regarding the condition of education in the back of Frontenac. It was most difficult, he said, to secure qualified teachers, and this was owing to the fact that in the above district there was no chance for young people to get the necessary training.

He recommended, therefore, that the county council establish continuation classes. Mr. Reid asked also to be allowed to reside at Sydenham for another year, when he would move to Sharbot Lake which is more central.

The roads and bridges committee recommended that Cross Lake bridge be inspected on June 23rd, and that the repairing of Little Catarqui bridge, on the Bath Road, be left to the committee, with power to act.

An application was received from the jail trustees asking for an increase in salary.

Councillor Hamilton presented some figures to show what the council would have to raise for general purposes this year. He stated that it cost from \$25,000 to \$30,000 to conduct the ordinary business of the county each year and in order to meet this it would be necessary to strike a sufficient rate on the assessment of \$6,300,000.

For some years past the general purpose rate has been only 2-2-3 mills on the dollar. This has not been nearly enough to cover expenses, and, hence, there have continually been overdrafts to provide for. For roads this year a rate of two mills will be required and for debentures one and one-fifth mills. General purpose will require four and a half mills. Last year's total tax rate was eight and one-fifth mills. This year it will be 7-7-10 mills, or one-half mill less.

Councillor Fawcett moved, seconded by Councillor Calvin, that a grant of \$500 be given to aid Wolfe Island in the building of a new wharf.

Councillor Gordon and Hamilton opposed the grant, holding that Wolfe Island had no right to such consideration. The former pointed out that Wolfe Island had dropped out of the Sydenham high school giving it no support, when the other townships did.

Councillor Rankin favored some grant, probably not as much as \$500. Councillor Fawcett stated that he didn't expect so much as \$500 although he did move that amount, but expected to be met more than half way.

Councillor Kennedy said he was opposed to giving any township special privileges, and suggesting leaving over the matter till next November.

Councillor Hamilton said it was just making such grants as the one proposed that placed Frontenac in the position it has been for some years. If this grant was made other similar grants would be asked for.

Councillor Fawcett changed his resolution to read \$200, and this was carried on the following vote:—

Yeas—Warden Thomson and Councillors Salmon, Kennedy, Godkin, Calvin, Foley, Rankin, Purdy, Miller, Gordon, Baiden, Wood, Sleeth and Fawcett—14.

Nays—Councillors Hamilton, Truscott, Cronk and Trousdale—4. Councillor Rankin moved, seconded by Councillor Gordon that a grant of \$200 be made towards getting the Eastern Ontario Dairyman's association to hold its convention in Kingston next winter. Carried.

Councillor Rankin was appointed delegate to the Eastern Ontario Dairyman's Association.

Has Fine Institute. Perth, June 15.—It is extremely hot here to-day. Measles are in town in many homes. The public meeting of the Woman's Institute was held on Wednesday of last week in the town hall. There was a good attendance of ladies. The speaker was Miss Murray, Toronto. Subject, "Life's Tallies." We are very proud of the growth of our institute and only wish every town could boast of one as large. Miss Mamie Davis, Toronto, is at present visiting at her home here. Miss Minnie Moore returned from Ottawa.
