WORLD'S DEBT TO CANADA
 A Wonderful Achievement

Discovery of "Fruit-a-lives" has meant health for all
 Canada's fame does not rest solely on her furs and wheat fields. Her rise in the esteem of the world is not due to her Cobalt mines. It is the work of her great men that has made her great.
 A graduate of McGill University has won lasting renown for his original researches in the realm of Physics. Everyone knows that fruit is wholesome, when eaten judiciously. Physicians generally recognize the fact that fruit juices have a beneficial effect on the various organs of the body. It remained for a Canadian physician to discover a process whereby the medicinal action of fruit could be so increased as to make the intensified juices a wonderful cure.
 "Fruit-a-lives" is this combination of fruit juices and tonics. Since its introduction to the public, "Fruit-a-lives" has met with a success accorded to no other medicine in the world. The reason is plain. "Fruit-a-lives" is the one remedy that is actually made of fruit, and is the only remedy that naturally cures Constipation, Biliousness, Indigestion, Headaches, Rheumatism, Neuralgia, Eczema, Kidney and Skin Troubles. At all dealers at 50c. a box, 6 for \$2.50, or trial size, 25c. or from Fruit-a-lives Limited, Ottawa.

Suffered Terrible Pains From His Kidneys.
 Perhaps no other organs work harder than the kidneys to preserve the general health of the body, and most people are troubled with some kind of kidney complaint, but do not suspect it.
 There is no way of getting the kidney poisons out of the system except through the kidneys, and no medicine so effective in taking them out as Doan's Kidney Pills.

They help the kidneys to flush off the acid and poisonous impurities which have collected, thus clearing out the kidneys, bladder and urinary passages.
 Doan's Kidney Pills are entirely vegetable, and may be safely taken by old and young.
 Mr. Donald A. McLean, Broad Cove Banks, N.S., writes:—"I was troubled with my kidneys for nine months, and suffered with such terrible pains across the small of my back all the time that I could hardly get around. After taking two boxes of Doan's Kidney Pills I began to feel better, and by the time I had taken three I was completely cured."
 Price 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

Obituary Notice.
 Colebrook, June 20.—Death entered our midst on the evening of June 11th, 1:10, and suddenly called away one of our best known and highly respected women, in the person of Mrs. Ira B. Lake, widow of the late Ira B. Lake, who predeceased her about thirty years. She had gone to bed feeling in her usual health when she suddenly called her daughter, Mrs. Alfred Galbraith, with whom she had been visiting about three weeks, expiring a few minutes afterwards. She was a faithful member of the Methodist church for about forty years, a loving wife and mother and a kind, obliging neighbor. She was aged seventy-three years and five months.
 The funeral service was conducted at the Methodist church, Colebrook, by the Rev. Mr. Harrison, and was very largely attended. She leaves to mourn her loss one son, Maitland, on the old homestead, and one daughter, Mrs. Alfred Galbraith, and two step-children, Mrs. Charles Hicks, Harrowsmith, and Damon W. Lake, Sydenham; also two sisters, Mrs. Grant Day, Harrowsmith, and Mrs. Edward Richmond, Oswego county, N.Y. The remains were laid to rest in the Harrowsmith cemetery.

THE SPORT REVIEW.
Notes on Baseball and Other Field Events.
 "Young King" Cole, the Chicago Cub pitcher, is still holding the National League heavy hitters.
 There is talk of a new baseball league being formed, with Ottawa, Smith's Falls, Gananoque, Morrisburg and Brockville.
 Last year, Hans Wagner drove in 102 runs for the Pittsburgh team. So far this year he has only sent in fourteen runs, accounting a great deal for the poor showing made by the Pirates.
 Toronto Globe: Everlasting "Jim my" Reynolds, the veteran "walking barber," tried to walk from Port Hope to Toronto, yesterday, but took a cramp at Newcastle and "clucked up" the job.
 The latest development in the big fight situation is a report that the governor of Nevada will follow the example of Governor Gillett and will prevent the holding of the fight either in Reno or Goldfield.
 The Langford-Kaulman fight, scheduled for last Saturday, and prevented by the decision of the governor, at San Francisco, will take place on July 2nd, in Nevada, in the arena built for the Jeffries-Johnson fight.
 Hamilton Times: Cricket is looking up considerably, and every lover of outdoor sports should be glad of it. Cricket is a good old sport, British in origin and temperament, and suited to any country where grass grows and summer comes—and where there are men who love a recreation that calls for skill and physical soundness. Like grade, cricket seems to follow the flag, and that is why it has gone around the world, and men in far off Australia can now play it as well as it is played in its home in the tight little island in the North Sea.

WELLINGTON NEWS.
Summer School in July—Damage by Lightning.
 Wellington, June 21.—The summer school of about 150 will spend a week at Wellington, commencing July 4th. Some of the most talented men of Ontario will be in attendance. It is Kenabek was stricken with paralysis on Sunday evening. There are no hopes for his recovery. The House of Refuge, Pictou, was damaged by lightning on Saturday last.
 F. C. Spencer, continues very ill, with no hope of his recovery. Mrs. Aminta Wilson, who spent the winter in Detroit with her daughter, Mrs. J. L. Hill, returned home last week. A light board fence is being placed around the grounds of Hotel Alexandria.
 Considerable damage was done by the recent electric storm. Mr. and Mrs. W. H. Jackson, son and daughter, of New York city, are the guests of Mr. and Mrs. Thomas Jackson, East Wellington. Mr. Jackson was one of the old boys of Wellington. He held a high and responsible position with the G.N.W. Telegraph company. Mrs. George Noble, of Chicago, and child are visiting Mr. Noble's parents at Wellington.
 Lightning struck W. R. Fox's house last week, also William Oliver's at Bloombury. Strawberries are very plentiful this season. The factories will not handle them this year. Two cement walks will be laid on Belleville street, East Wellington.

TO LOWER COURT WAGES.
 Buckingham Palace Will be Children's Playhouse.
 London, June 21.—King George and Queen Mary propose to tighten the purse strings of their household. Much of the pomp of Buckingham palace's past will of necessity be reduced, but there is to be a general scaling down of salaries for directors of public, or imperial services. The lord steward, lord chamberlain, master of the house and others of the large functionaries, of course, will be retained.
 There is to be a radically new note in the domestic life of the palace, for the first time in more than a generation the corridors of that externally grim old pile will resound with the merry voices of children. The king and queen have five boys and one girl, ranging from 4 to 16 years of age, as a nucleus for the youthful element of the court. They share, not the three brothers of Queen Mary, of whom she is extremely fond, her affection being heightened by the recollection of the days when she shared comparative poverty with them. Her father, the duke of Teck, a ways was hard up and the boys were forced to work for a living.
 On Saturday, Mrs. Alexander Moffat passed away at Belleville. Deceased, who was seventy-four years of age, had been for many years a resident. "Bajaz" XXII porter is a great builded builder. It is most interesting physicians prescribe it.
 Mrs. A. J. Latta, Ameliasburg township, died on Saturday. Deceased, was in her sixty-sixth year.
