

TO ARRIVE TO-NIGHT

YOUNG PEOPLE'S FELLOWSHIP EXCURSION, TORONTO.

Big Crowd is Expected to Come From the Queen City—Special Services Arranged for the Sunday—Committees in Charge of the Affairs.

The Young People's Fellowship excursion, from Toronto, will arrive in the city between eight and nine o'clock to-night, via the Grand Trunk. The train has been scheduled to leave Toronto at 2:45 p.m. It is not known how many people will come on the excursion, but it is believed that several hundred will take advantage of the cheap rate, which has been secured. The Alexander choir will also come, and Miss Grace Hildebrand, a famous soloist, will sing at the services.

The excursion is being conducted under the auspices of the following committees:

Fellowship committee—R. Robinson, president; S. Beal, vice-president; E. G. King, secretary; W. E. Warham, assistant secretary; W. R. Lea, treasurer.

Ladies' committee—Miss L. Stringer, Miss A. Blackburn.

Choir committee—M. McDonald, president; E. N. Sharp, vice-president; W. R. Lea, secretary; Miss B. B. Smith, assistant secretary; G. E. Lea, treasurer.

The excursion will, like last year, hold good until Tuesday and will give the visitors a chance to see the city. A special programme of services has been arranged for Sunday, and arrangements have also been made for a trip down among the islands, on Monday. Quite a number, no doubt, will be looking for boarding houses, and citizens wishing to care for visitors will be able to meet them at the Y.M.C.A. after the arrival of the train.

Robert Robinson, the president of the Fellowship, is an old Kingston boy, and is well-known in the city. He came to the city last year on this same excursion, and a month or so ago was in the city making arrangements for this year's excursion.

The Sunday services arranged for are:

9:30 a.m.—Fellowship service at Cooke's church, led by Staff Captain Fraser and others.

4 p.m.—Mass meeting for men, Chalmers church, assisted by Rev. J. D. Morrow, Toronto; chairman, Mayor Cooper.

FOR BRIDGE PLAYERS.

Some Timely Advice Given by an Expert.

The Smart Set.

The following advice to bridge players is given by D. B. Van Buren.

With the years against you, never venture a weak heart declaration unless you have diamonds enough to pull you through.

Holding a commanding club, don't hesitate to tell the cook it looks like rain, if the soup justifies the declaration.

Never waste time attempting to finesse when your wife is obviously leading up to a new broadcloth suit.

If you find an unguarded knave, kick him and run.

If you are short of honors, never mind—many an obscure man dies rich.

With three good suits and four diamonds, it is safe to accept an invitation to a week-end party.

If your partner is a dummy, don't complain; she probably wouldn't have married you if she hadn't been.

With the score against you, tip the waiter liberally.

Do not make a practice of leading through the cafe door.

No Ear For Music.

"How do you like the music, Mr. Judkins?" said Miss Parsons.

"I'm sorry, but I have no ear for music," he answered.

"No," put in Mr. Jasper. "He uses his for a pen rack."

Strictly Accurate.

Lawyer—So you say the defendant pushed you against your will? Witness—No, sir; I said he pushed me against the door.—Baltimore American.

Men will be interested in the clothing store which began to-day at Livingston's, Brock street. "Something's going to drop," announced the management, and it did. The price of clothing took a long drop. In fact, suits of the best material and finish are to-day selling at half price. Over 135 men's suits are marked down for a cash sacrifice sale. The sizes range from 34 to 42. A half price sale at Livingston's means all it says. It is the golden opportunity for the purchase of summer suits.

An Admirable Service.

Col. Samuel Hughes, called on Postmaster Stewart to thank him for the efficient manner in which he handled the mails at Barriefield camp. The work was expeditiously and satisfactorily performed.

Procrastinate.

Teacher—What is the meaning of the word "procrastinate?" Pupil—To put off. Teacher—Right. Illustrate in a sentence. Pupil—I tried to steal a ride on a street car yesterday, but I was procrastinated.—Toledo Blade.

Not Fussy.

The Missus—No, I tell you I object to giving money at the door!

The Tramp—Well, mam, perhaps you'll hand it out of the window. I'm not pertikler.—Ladies' Home Journal.

Large discount (from twenty to thirty per cent.) on bicycles at Up-town Bicycle Depot, 233 Princess-street.

READY FOR GAME.

The Weather is All That Can Be Desired.

The baseball fans were pleased to see the fine weather to-day, as the Victoria-U.L.C. game has aroused great interest. The teams were to line up: Victoria—Cotton, C.; Gillespie, C.; McCann, P.; McMahon, D.; Martineau, B.; Pound, S.; Dick, 3b.; Stokes, 1b.; Crawford, L.L.; Nicholas, n.f.; C. Brown, C.; Mathis, P.; Davidson, B.; Dehany, 2b.; Ewart, S.S.; Samuels, 3b.; Wilson, r.f.; J. Ewart, n.f.; LeFord, 1b.

Frederick Lumb was chosen as umpire. The junior game, between the Victoria and C.L.C. was held to start at 1:30 o'clock, and the big game at 3 o'clock.

May Wax Not Yet Started.

May Wax, W. H. Carson's pacer, has not yet been started in any of the summer's races. She may start at London on July 1st. It is quite probable that she will meet Syka Direct, her competitor of last week, on some of the outside tracks this summer.

Big Day at Belleville.

A big day's sport is on the programme for Belleville on Dominion Day. A five-mile track race, for a cup, will be one of the features.

Sporting Notes.

The Canadian Derby will be held at Fort Erie on July 2nd. Motor cycling is enjoying a big boom all over Ontario.

Hundreds of Easterners are already on their way to Reno to witness the Jeffries-Johnson fight. The Toronto Flanagan has been relieved of the management of Jack Johnson, and George Little reinstated in that capacity.

Chief Kee, a horse which has been doing things up on the Canadian racetracks, is named after the Fort Erie chief of police.

Ross Birkeley, the star half-back of the Dundas Rugby team, has moved to Toronto and will turn out with the Argonauts in the fall.

Longboat will not team with Shrub in the relay race, and Alf will probably hook up with Muller of New York.

According to J. L. Sullivan the switching of the Jeffries-Johnson fight to Nevada is the worst blow that California has received since the big earthquake.

It is asserted that if Coffroth had made a successful bid for the Jeffries-Johnson fight it would have been pulled off on the coast without interference.

Tom Ekx wants to run four Canadians in a team against any nation of combination of runners. The veteran runner names as the Canadian team Abbie Wood, Fred Meadows, Alfred Shrub and Tom Longboat.

The latest thing in New York is a five-pound weight put. The record is 56 feet, held by a 145 pound man. The big fellows, like Sheridan and Flanagan, cannot throw it without fouling.

They invariably fling it like a man throwing a pebble. It like a man throwing a pebble.

The Toronto Baseball club has asked the board of directors of the Eastern League to consider the decision in the McMillan case as given out by Fox and Poveras. The decision is regarded here as being the most absurd of the many peculiar findings handed out by Mr. Poveras in dealing with the Toronto club's affairs.

To take a hard won victory from Montreal because Rochester played an ineligible man is the height of absurdity and to take a game from Toronto is another piece of gross injustice.

CHILDREN.

Charles T. Rogers in the Century. On little people from the hills of Dawn. What set a straying hitherward your feet?

Still rosy from your wanderings on her peaks, Still dewy from her daisies of asphodel, And all the laces of God's unweaved moon Still shining in your confident, clear eyes?

Was it some new-splend flower farther down The western slope, whose gaudy tints Some nodding, dusty daisy whose frank Outrived the breathless, stierly purity Of asphodels that, like unnoted stars, Slow shone on the windless fields of dawn?

So soon the dust upon the tender feet That slow and slower treaded, The reaching hands, grown tired of plucking now, Yet clasping to the end some wayward weed?

Men will be interested in the clothing store which began to-day at Livingston's, Brock street. "Something's going to drop," announced the management, and it did. BARRIEFIELD CLEAR

NOT A SOLDIER REMAINS ON THE CAMP GROUND.

Some Fights Occurred on Friday in the City—One of the Intoxicated Soldiers Pulled a Knife on a Street Car Motorman.

The village of Barriefield, has once again taken on its role of quietness and peace, after being for twelve days in the hands of twenty-six hundred red coats and rifles. To-day every soldier had departed for his home, to rest up and think over the pleasant two weeks spent under canvas, as guests of the Dominion government. The camp grounds were left clear and clean by the men, every regiment cleaning up its own quarters and doing it well. Every vestige of paper or refuse was cleaned up and burned before the troops left camp.

As far as the camp went, it was about as quiet and peaceful as one could wish, as long as the men were kept busy, but when they had been given their money and got over into town, with nothing to do, but hang around, things changed somewhat, and many became "illuminated" as the saying is, and naturally, a few fights resulted. One of the conductors on the street car, was troubled with three of them, one of the bunch picking fifty cents from his pocket, and another pulling a knife on him, when he tried to get his money back. The conductor was going to have them arrested, but they jumped off the car and ran into the city park. Three other men, also under the influence of liquor, made themselves rather obnoxious on Princess street early Friday morning, and one of them was given a good trouncing by a civilian. Will be found in every large number of men, no matter what they are engaged in, and the entire camp cannot be judged by them. Taken on the whole, it was a quiet, orderly camp, the best conducted here in years, and the officers in command deserve credit for the way it was conducted.

IN MEMORIAM.

The Late Francis W. Bell.

On June 16th a prominent farmer, an upright man and an affectionate husband and father, was removed from our midst in the person of the late Francis W. Bell, J.P., eldest son of the late Francis W. Bell, Sr. He was born on the homestead, near Sharpton, fifty-six years ago, and, besides a wife, leaves a family of eight children, four daughters and four sons, also three sisters and three brothers, to mourn.

Just one week before his death he was taken to the general hospital, Kingston, suffering from pernicious anemia, but sank rapidly and towards the last slept peacefully away.

His piety was sound and characterized by great simplicity and sincerity. About two days before he passed away he told a friend he longed to go, he wanted to be at rest with Jesus.

The deceased, who was a consistent member of the Methodist church, at Glenvale, was twice married, his first wife being Miss Amelia Cowdy, daughter of John Cowdy, sr., of Colebrook; his second wife, Miss Jennie Wood, daughter of Thomas Wood, Brockville. Two of Mr. Bell's daughters are married, Mrs. Cyrus Miller, Morven, (formerly Mabel Bell), and Mrs. Dr. Farrburn, at British Columbia, (formerly Una Bell).

The funeral services, conducted by the Rev. Mr. Danby, of Glenvale, were held at the home. The casket was covered with beautiful flowers sent by loving friends. In Cataract, the beautiful city of the dead, his body rests, surrounded by dear friends, until the resurrection morn, in sure and certain hope.

PASSED RESOLUTIONS

Regarding Good Work of Y.M.C.A. at Camp.

At a meeting held by Col. Sam Hughes, in command, and officers of the three different regiments, a resolution was unanimously passed, expressing their most hearty appreciation of the splendid work of the Kingston Young Men's Christian Association, in behalf of the regiment, while in camp. It was recognized that the success of the undertaking has been very largely owing to the forethought of the secretary, E. F. Trimble, who deserves the sincere thanks of the officers and men assembled in camp.

A copy of the following resolution was received at the Y.M.C.A.:

"Moved by Capt. T. E. Burke, seconded by Lieut. Kingston, that the officers of the 56th, on behalf of the regiment, express its appreciation of the kindness of E. F. Trimble, and the directors of the Y.M.C.A., for extending to their men, the privileges of their association."

Two Kingston People Wed.

The bride, given away by D. J. Cooke, Bramford, was prettily attired in a draped gown of cream color silk over tulle, trimmed with embroidered chiffon and silver knotted net, and a large cream picture hat with willow plume. She carried a bouquet of white roses; Miss Winnifred Cosgrove as best woman, wore Copenhagen blue silk crepe de chene, with white hat and carried pink carnations, and American beauty roses. Miss Nellie Buckley, as maid of honor, wore pale blue Japonika silk hat with a matching veil and a sheaf of dark red carnations and white stocks. John McEwen, Toronto, acted as best man. The bridal party drove to the residence of the bride's sister, Mrs. McGill, street, where they sat down to a dainty wedding breakfast. After the usual toasts to the bride and groom, Mr. and Mrs. Shanahan left, amid showers of confetti, to take the 12:15 o'clock train for Niagara Falls and Buffalo.

The bride's going gown was a smartly tailored suit of tulle grey, with tulle hat. Both young people were former Kingstonsians.
