The Challenge Accepted.

Boston, July 9.-The challenge the moving picture syndicate in connection with the intended exhibition of the Reno prize fight pictures has been accepted, to-day, by Secretary Shaw, general secretary of the United Society of Christian Endeavor. Shaw has issued this statement :

"All that has been done thus far in the fights to prohibit the exhibition of moving pictures of the Reno prize fight has been but preliminary skirmishing for position, if the syndicate controlling the pictures intends to appeal to the courts for protection. "The only reason given is the finan-

cial one. The demoralization of our young people, the degradation of mangood, and the destruction of life do not count. "We accept the challenge, and if I
