Should Give Reasons.

About eight o'clock, last evening, ner of Princess and Alfred streets, a lady fell and was hadly shaken up. Evidently she thought the car was not going to stop as it went past the first crossing and stopped at the lower one. This is a rule of the road, but evidently the lady did not know it and got off the car while in motion with the above result. Ladies should stay on the car until it is brought to

A great many people wonder why the cars always run past the first crossing and stop at the second one. If a satisfactory explanation could be given a number of accidents might be

More Lights for the Rideau. Capt. D. Noonan has been requested to appear before the lighthouse board

of the dominion marine department, with regard to lights which he wants placed on the Rideau between Kingston and Kingston Mills. This portion. of the Ridean is not lighted, and should be, for there are many boats which navigate in that part of the stream. Twenty lights are required, white on the other.
