OFF TO PETAWAWA

"B" BATTERY LEFT FOR CAMP FRIDAY NIGHT.

"Teddy Bear," the mascot for the Battery, accompanied the boys—Several Dogs and a Kitten Also Taken—Given a Grand Send Off.

There was a lively time around the Kingston and Pembroke railway station, Friday evening, on the occasion of the departure of "B" battery, for camp, at Petawawa.

There was a very large crowd at the station, to say good-bye to the boys, and as the train pulled out, there was much waving of handkerchiefs, and fond wishes were expressed.

There were four coaches for the men, and three cars for the horses. In all, there were about 100 men and fifty horses. The officers who left were Major H. A. Panet, in command; Capt. E. de B. Panet, Lieut. H. E. Boak, (Lieut. Kiely, of the R.M.C., also accompanied the battery.

In two of the cars the arrangements were fine for the horses, but in the other two, the animals were somewhat crowded, and in a bad state of health there by a stampede. In the two best cars, each horse had a stall by itself, but in the other car, the horses were all packed together.

It may not be generally known, but the members of "B" battery are great fellows for pets. With the men were noticed one bear, about half dozen dogs, and a tiny kitten, all bound for the camp. The dogs were kept in the cars with the horses, but "Teddy Bear," as he is called, and the little kitten, occupied seats in the coach.

"Teddy Bear," who has been the battery's mascot for two years, caused a great deal of amusement. Before the train pulled out, he amused himself by sitting up on one of the seats, and eating peanuts, getting away with them just as fast as the soldiers would feed him.

It took the batterymen just twenty minutes to load its four guns on cars yesterday. Only twenty minutes were taken to load the baggage into a car. That is pretty fast work.

The artillery band will return to Kingston next Saturday. "A" battery will be home on the 22nd.

DOG PAID PENALTY

FOR ATTACKING PEOPLE ON THE STREET.

Better Care, on Part of Owners. Would Prevent Death of the Dog—Should Not be Allowed to Run at Large.

A revolver shot rang out, at the police station, on Friday afternoon, there was a short struggle, and then all was over. A dog dropped dead, and paid the penalty imposed by the court, for having attacked three people.

The canine was the one which figured in the police court case, on Friday morning. It was shown that the dog had bitten three people, and it was sentenced to die.

A great many will say it is too bad, that a dog has to be shot. Yes, it is too bad, but there is a remedy for all this.

It is indeed very sad to see these dogs killed, when just a little forethought on the part of the owners would save its life, and a great deal of trouble.
