Wonderful Success of "Fruit-a-tives" -The Famous Fruit Medicine

Fruit juice consists of about 91% water, 8% of sweet matter, and only 1% almost through having; they have Reynolds, at D. McLeod's. of an intensely bitter substance. Careful their barns well filled. Miss Lillian experiments show that it is this bitter | File is spending her holidays with her principle, which is the active or medi-

Under certain conditions, the bitter principle can be made to replace or sform some of the sweet atoms in the juice, thus making a new compound which is much more active medicinally

than the ordinary juice.

Many fruits were analyzed and it was found that the juices of apples, oranges, figs and prunes gave the best results. These fruit juices, having been made more active by the secret process of changing the sweet principle into the bitter, are combined with tonics and antiseptics and made into tablets. These "Fruit-a-tives"-known in every part of Canada for their wonderful carative qualities in diseases of the Stomach, Liver, Bowels, Kidneys and ikin.

"Fruit-a-tives" is the only medicine Frank Woodman. A large number in the world made of fruit juices. 50c. rom here attended the Scotch manie a box, 6 for \$2.50 or trial size, 25c. at Brophy's Point, on 25th.
