FINE RIFLE SHOOTING

BEING DONE BY THE LOCAL MARKSMEN THIS SEASON.

Some of the Old-Timers are Making Good Scores—First of Civilian League Matches Takes Place at the Butts on Saturday.

"If Kingston had been favored with the present rifle ranges five years ago, there would be some more Limestone city men on the Bisley team," said a rifleman to-day. The 14th Regiment and the civilian marksmen have been tremendously handicapped by the lack of a rifle range.

Other old-timers who are shooting well this season are W. M. Baillie, the chief of police, who was a crack shot with the old rifle years ago.

To-morrow afternoon, the Kingston Rifle Association will fire the first of four matches for a silver salver offered by the Dominion Rifle League.

DEATHS IN KINGSTON

SINCE THE BEGINNING OF THIS YEAR WE'RE 223.

The Chief Diseases That Caused Them—Fourteen Were From Tubercular Troubles—Too Many Anæmic Girls.

There has been registered in the city clerk's office up till yesterday 223 deaths in Kingston since the first of this year. A good many of these were people from outside places who had died in the hospitals, all the above number not being residents of Kingston, but the following analysis is none the less interesting.

Of the 223 deaths, twenty-seven were from various diseases of the heart, and twenty were from pneumonia of various kinds.

A visiting New York doctor the other day remarked upon the fact that there were too many anæmic-looking girls in Kingston.

LIVING IN CANADA

BUT WAGES ARE ALSO MUCH LESS THAN ON THIS SIDE.

The American Workman is Better Off Than His Canadian Cousin—Taxes Are High and Schools Not Up to Ours—General Conditions of Other Side.

Oswego Palladium. Belleville, Ont., July 26.—(Special).—You hear a great deal about how much cheaper you can live in Canada than in the United States. It is true that such is the case providing that you have plenty of money and not forced to work for a living.

The laborer here gets \$1.25 a day for ten hours. All skilled mechanics work eight hours here. Carpenters get \$2.25; masons and bricklayers, \$3.37; machinists, \$2.10; tool makers, \$2.75.

Belleville, like all Canadian cities, supports a large market. The market days are Tuesday, Thursday and Saturday of each week.

Oats, now, 40 to 42 cents a bushel; live hogs, \$9; hay, new, \$8 to \$9; butter, 25 to 28 cents a pound; fresh eggs, 19 to 20 cents a dozen; Fall wheat, 95 cents a bushel; barley, 55 to 60 cents a bushel; rye, 63 cents a bushel; peas, 70 to 75 cents a bushel; buckwheat, 75 cents a bushel; timothy, \$2.75 to \$3 a bushel; clover, red, \$9 to \$10; Spring wheats are also low.

From the above it is easy to see that the necessities of life cost somewhat less than in Oswego, especially butter, eggs, poultry and meats. Hens here are as low as \$1.00 a pair, which would rent for \$25 and \$30 a month in Oswego.
