The Poor Man's Opportunity

"Any man who owns a home in Kingston possesses something that he can sell almost any day at a good profit," said a prominent business man the other day. "For this reason I cannot see why any family in Kingston pays rent, especially when lots can be bought on such easy terms. To pay rent under such circumstances is wasting a golden opportunity."

But it is not so much with an idea of speculation that we would urge you to buy, as to save paying rent and have the satisfaction of living in a house that is your own.

Pick out your lot now, while there is yet a good chance without going too far out, and we will help you plan how to put a house upon it.

POULTRY ASSOCIATION.

Will Hold Show With Horticultural Society.

A meeting of the Kingston Pet Stock and Poultry Association was held on Thursday evening, when it was decided to hold the usual show, in conjunction with the Horticultural Society. This will be held the middle of September, in the armchairs.

Arrangements were made for a number of special prizes, which will add materially to the prize list. Last year the show was a great success, and this year it promises to even still be greater.

Bicycle Hits Automobile.

There is one man in this town who will not ride his wheel for some time. He is Charles W. Hood, expressman on the suburban train. Mr. Hood was riding up Queen street, yesterday afternoon, about five o'clock, and when near the corner of Division street met a rig. He turned out for the rig and in doing so got right in the path of an approaching automobile. Mr. Hood did not see the auto and consequently could not get out of the way. He escaped injury, but his wheel was badly damaged.

Coming Band Concerts.

Ald. Kent, chairman of parks, will likely arrange with the Kitties' band to give one of their two concerts in Victoria park next Tuesday evening. The R.C.H.A. band will again play in Macdonald park next Thursday evening, and probably the following Thursday also. It is expected that this fine band will give the citizens a complimentary concert before the season ends.

A Summer Tonic

For that worn out, tired and run down feeling there is no better tonic than a combination of

Beef, Iron and Wine.

Ours is delicious in taste, contains iron to enrich the blood, peptonized (digested) beef to feed the tissues, and choice wine as an appetizer. In a recent Government analysis a bottle taken from our stock of Beef, Iron and Wine proved to be a superior article ranking as first class.
