New York Times Has Editorial on the "Canadian Peril."-Advertising is

New York, N.Y., Aug. 12.—The Times calls on the American government to do something to stop the trek of American farmers to Canada. "To begin," says the article. "The statistics now being arranged and classified by the bureau of immigra-

tion and naturalization, prove that Canada has much the better of us in the matter of import and export of population, so far as the results of the movements in both directions last year are concerned. Whether this is proof of a larger flow to the north in succeding years is not known. The experts will not say; probably they do not know."

experts, are then given, a commission er expressing the opinion that during 1909 not less than 15,000 American itizens returned from Canada to the

The Times, however, says that dur-ing the last three years the United States has given to Canada eight far-mers-either owners or laborers-for each one she has sent the United States. On the other hand, Canada has lost a greater proportion of skill-ed laborers to the United States than she has gained. The United States has gone northward across the fron- The Pepper Twins had received three for every one that

The Times concludes as follows : "A resume of the comparison of the northward and southern movements of the population on this continent, it is fair to presume, lend the following answers to the following questions:

"Is there a Canadian peril?"

"Is there a safeguard against the de-letion of our farming population by
