Seaman Edgley is spending a few days with A. W. Burch at Lansdowne. The Misses Meyer, Kingston, are the guests of Miss Ida Lane.

SUFFERED THREE YEARS. Dr. Morse's Indian Root Pills cured his kidney trouble. These are few diseases that cause more acute suffering than kidney trouble, and Mr. F. A. Thomas, of Sudbury Ont., is one of those who know it. He writes: "For over three years I suffered from kidney disease. First I thought I had sprained my back, for suddenly the pain would catch the small of my back and it would be impossible for me to straighten myself up for several minutes. A dull ache across the kidneys was always present, my urine was thick and cloudy, and passing it caused a burning, scalding pain. Tried medicine, but they failed. I was advised to try Dr. Morse's Indian Root Pills, as they had cured my wife years before. A few boxes affected a complete cure. I now enjoy the blessings of good health, which is due to this remedy."

Don't neglect kidney trouble—it's too dangerous as well as too painful. That old, reliable family remedy, Dr. Morse's Indian Root Pills, has cured thousands and will cure you. It is equally effective in curing constipation and its attendant evils, biliousness, indigestion and sick headache, and in purging the blood, like a box of your druggist's.

HARVEST DINNER.

It was a Fine Affair at Keelerville—A Fine Grove. Keelerville, Aug. 23.—Harvesting about finished. Not a whistle of a threshing machine have we heard yet, but are anxiously waiting for one. The harvest dinner was a great success. The day was elegant, and a large crowd of people gathered in by noon to enjoy what the people of Keelerville had in store for them. There were not disappointed by any means. At twelve o'clock sharp the ladies had the dinner ready. The tables were loaded with chicken pies, and everything else imaginable for an up-to-date dinner. After dinner, and everybody thoroughly served, the crowd gathered around the spacious platform, where a programme of very high order was rendered. The addresses by Rev. G. Churchill, Mr. Dancy, C. Sleeth, reeve of township, and John A. McDonald were very interesting and listened to very attentively. The singing by the Battersea choir was very much appreciated; also the duet given by Miss Lily Knapp and Miss Carrie Battersea. Miss Ethel Earl gave a few selections, and was encored time and again. Rev. Mr. Shortt made an excellent chairman. A hearty vote of thanks by Edward Moore and J. E. Anglin was tendered to all who took part in the entertainment. Then the crowd proceeded to the canteen for an hour or more and a jollier gathering was seldom seen, and many were heard to say that it was the best harvest dinner they ever attended, and that the people of Keelerville knew how to get one up. The grove on Horseshoe Lake was an ideal spot for such occasions.

Harold Sleeth's bee, on Saturday, was well attended. J. Carney is working for Edward Sleeth, Our champion runner, Wallace Jackson, beat young Diverse in a two mile heat last Thursday. R. J. Stanley was at Lyndhurst on Sunday. Miss Ethel Earl has returned home, after a few weeks' visit with Mrs. R. J. Stanley. James McIlroy took a load of cheese to the city to-day. John Robb and family are visiting friends at Wilmur. A number of American tourists passed through here en route to Jones' Falls, that popular summer resort. Anglin's; Mr. and Mrs. George Richards and Mrs. Dennis Caird, of Battersea, at Alexander Jackson's. William Yatomas, on the sick list for the last week, is reported much improved. Rev. Mr. Stuart and wife, at E. J. Dool's.

Peerless Peninsular—the right range for your kitchen. When we say that the "Peerless Peninsular" is the right range for your kitchen, we mean right in every respect. There is no range on the market which combines so many good points in efficiency, convenience and economy as the "Peerless". It is the best type of cast-iron range. And a cast-iron range will last longer than any other kind. At the same time, it includes all the advantages of the best steel ranges in its construction, having a steel oven, steel drop oven door, and a larger oven than any other range in proportion to size. All "Peerless" Ovens are 20 inches deep. And this is 20 inches actual depth of oven floor, no account being taken of the projection of the oven door. When opened, the oven door drops down level with the oven floor, forming a shelf on which the largest baking dishes or roasting pans can be drawn and basting done without holding the pan. "Peerless Peninsular" has a damper that lets you regulate the heat just as you want it. You know the ordinary damper—either wide open or shut tight—which means no heat or too much heat. This adjustable damper may be set for quick baking at full draft or anything between, and regulated to 1/4 inch. The oven door being made of 2 sheets of steel with airspace between, keeps the heat in the oven and saves fuel. PATTERNS OF ALL PARTS ARE KEPT FOR 20 YEARS. If accidents should happen, and any part of your range get broken, you can always duplicate Grate Bars, Fire Backs, Legs, Doors, etc., at any time. We keep patterns of all parts for 20 years—so that your order through your dealer can be filled quickly and exactly. This is only one of the satisfactory features in connection with buying ranges made by an old and reliable Canadian Foundry. Peerless Peninsular is the range shown above. Constant Peninsular is different from the other mainly in plainer design and finish. Advance Peninsular—plain in design with swing door for those who prefer it.
