

The College Book Store

Stock Reduction Sale

Will be extended for one week, closing Sat., Sept. 3th

OUR REASONS FOR EXTENDING THE SALE ARE:—

FIRST.—Scores of customers were unable on Saturday last to make all the purchases they desired and requested the privilege of buying this week at the Sale Price. We hoped to prevent this by keeping the store open four nights last week, but even with an increased staff of clerks the rush was more than could be handled. From our record on one of the most improved National Cash Registers installed Tuesday noon 5,728 CASH CUSTOMERS made purchases from Tuesday noon up to Saturday night.

SECOND.—Owing to the assignment being forced on us by certain firms in the interests of their trade, we must necessarily be in a position to purchase goods on a Cash basis. This is the primary reason of making such a slashing reduction in order to turn as much stock into ready cash as possible.

THIRD.—To secure space for New Goods. In spite of the fact that our new adjustable shelving gives double the amount of space for stock, yet our line of Holiday Goods, School and College Text Books and Supplies will require every square inch that we can get in the store.

The extension of the time of the sale will be welcome news to every Kingstonian. While the stock is as complete as in any book store in the city, we would urge customers to shop as early in the week as possible. Morn'g shoppers have a better opportunity of looking over the stock, and are assured of the most careful and courteous attention on the part of our staff.

COLLEGE BOOK STORE LIBRARY.

As with the 40 per cent. Discount Sale, the special rate of \$1.00 for Life Membership will continue throughout the week.

Toronto Lending Libraries make a charge of 50c per month, or \$5.00 per year, for identical the same service that we are now offering at \$1.00 for LIFE MEMBERSHIP.

FREE EXCHANGES.—During the week Free Exchanges will be allowed to all members exchanging their books before 1.00 p.m.

THE GAME WAS SLOW

THERE WERE CHANGES ON THE CRICKET FIELD—The Story of the Game—Partell is Good Pitcher.

The game at the cricket field, Saturday afternoon, between the Irishmen and Victorias, was ragged and slow. It was like running away with the thing. Both teams played poor ball. Found, of the Vics, had several errors scored against him. The game started about 3.30 o'clock. The Victorias had a couple of changes in their line-up. Nicholson was late getting there and Gillespie played in his place. When Nicholson did come Nicholson retired as he had a sore leg and Gillespie played left field in his place. McCammon twirled for the Vics and pitched a good game. Partell was on the sack for the Irishmen and slugged the ball over in great style but he did aim support. Torcotte played a poor game at second base and in the seventh innings was replaced by Little. Duncan had several errors to his credit. Bert Derry, who is now playing the second base since Dickson came back, showed the same good form that he displayed at the Park at the street railway employees' picnic.

Victorias took the innings with Crawford to bat. He took his base after being hit on the wrist with the ball. He was caught stealing second base. Gillespie fanned. Nicholson hit to short stop, got second and third on wild throws and scored. Gotman made a nice hit to center field and had stolen to second when Dick struck out to short stop. Dick went down first thing on a fly to short stop; Joyce hit a dandy to left field and made a home run but was put out for cutting first base while running; Millan hit to left field and Stokes fanned.

The Vics made no runs in the second innings, their men going down in one, two, three order. Irishman failed to find the plate in the second. In the third the Vics managed to bring in two runs. Crawford and Gillespie coming over the plate. Irishmen brought in their first run when with three men on bases, Stokes made a hit that brought Partell in; Duncan went out on a fly, Little fanned and Tilson grounded to the pitcher.

Brand and Derry were put out on a double, and McCammon struck out to short stop. The Irishmen failed to tally at all in the fourth. Millan fanned. Stokes struck out on a grounder to short stop and Little sent a grounder down to Derry. No score. Crawford fanned, Gillespie grounded out to Tilson and Nicholson scored. One to Tilson and Nicholson scored. Tilson tried to get one past "Bong" Pound, but he couldn't do it, and had to pay the penalty; Wilson made a nice hit to centre field that missed "Nickie," but was caught on the second bag when Torcotte lined one down to Derry; Partell had a hole in his bat and let three go by without hitting out.

Gotman, Dick and Dickson scored by using a little headwork when the fielders were trying to see how they could throw the ball. The Young Irish hopefuls couldn't get a run in this inning. No score from either side in the seventh innings. The champions of the league run their scores up to nine on runs brought in by Dick, Dickson and Pound, and Irishmen, evened things up for spite by bringing in Little, Tilson and Wilson, making the score 9 to 4. The Vics' aggregation were not satisfied with the way the score fell, and brought Nicholson, Gotman, Dick and Dickson over. The Irishmen, evened things up for spite by bringing in Little, Tilson and Wilson, making the score 9 to 4.

Victorias—Gotman, c.; McCammon, p.; Dickson, lb.; Derry, 2b.; Pound, s.; Little, 3b.; Brand, r.f.; Nicholson, c.f.; Gillespie, l.f. V.I.C.B.A.—Stokes, c.; Partell, p.; Tilson, lb.; Little, 2b.; Duncan, s.s.; Millan, 3b.; Wilson, r.f.; Torcotte, c.f.; Joyce, l.f.

Notes on the Game.

Partell fanned seven men and McCammon five. Partell hit two men with; McCammon made them ease their bases. McCammon and Derry were the only men of the Vics who did not score. One thing is certain, that Joyce won't attempt to cut bases any more when making home runs. He's safe to say that if Partell had the support he deserved he would show Kingston some ball-throwing. He is one that will be heard from in the days to come.

Retailers to Be Busy. The game, Tuesday evening, between Posties and Retailers, has probably had a good deal of interest from the fact that Posties have had all chance to tie Wormwiths for first place in group "B." Had they beaten the Printers, Friday evening, and trimmed the Retailers, to-morrow evening, they would have been able to play the Wormwith aggregation for first place. The way the game turned out last week gives the group to Wormwiths without any trouble. Retailers are going to go right after "Joe" Daly's bats and will try to put it all over them.

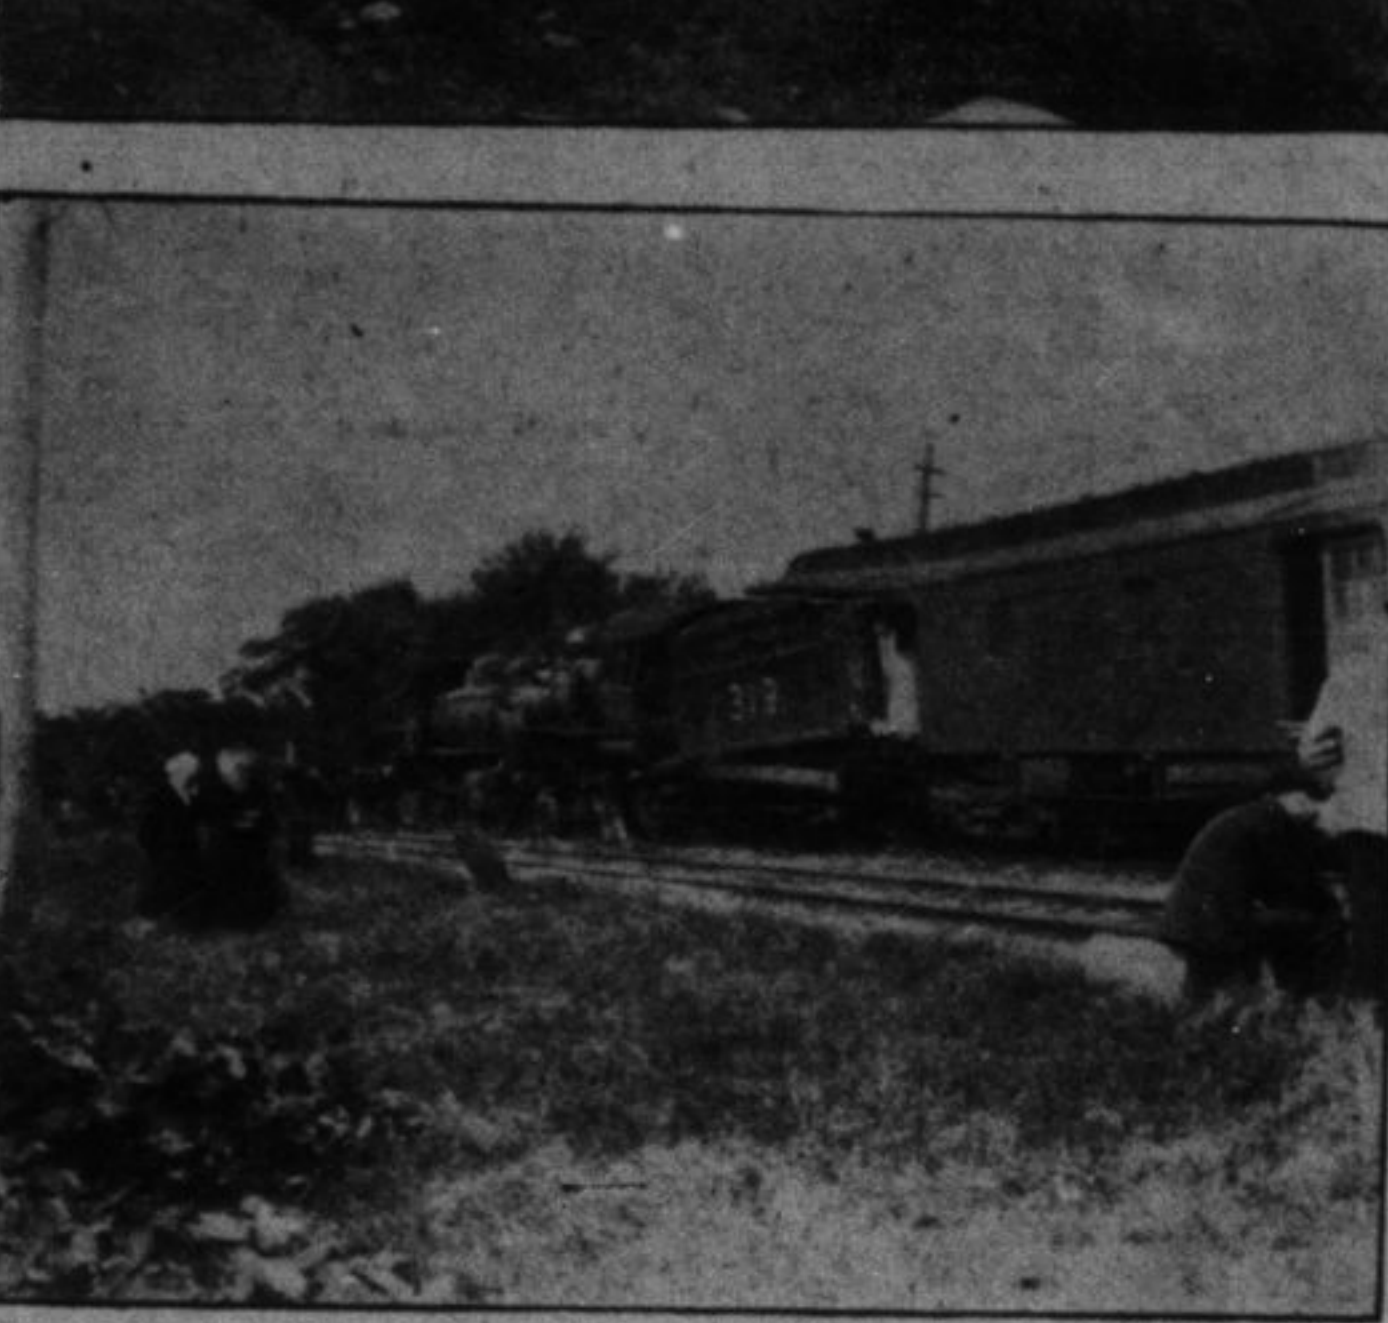

City League Over. The city league is over for this season, Saturday's game being the final one. Next Saturday the league promises to give the sports of Kingston a real exhibition of all the tricks in baseball, such as ball throwing, base running, base stealing, sacrifice hits, fielding, etc. A game will be pulled off between two outside teams but it is not known just what teams will play.

What is in Prospect? Live Coals have been asking for a chance to come in contact with the speedy Wormwith team and this evening, promise to give the piano-makers the time of their life. Live Coals have been playing stellar ball lately and the pitchers will have to do more than root for the team to bring them out victorious.

THE COLLINS BAY RAILWAY WRECK CALL FOR LABORERS

REV. DR. BUCHANAN MAKES A STRONG APPEAL

In Sermon at Sydenham Street Church on Sunday Evening—The Good Work Being Carried on in India—Ideals in Christian Faith.

The church of God is calling for laborers; go forth, laymen and ministers. We need men to take the message of God to those who are crying out for it. May we be faithful. May we be faithful to the charge God has given us.

This strong appeal came from Rev. Dr. Buchanan, in Sydenham Street Methodist church, on Sunday evening. Dr. Buchanan, who has been engaged in missionary work in India, told many interesting stories of the work, and explained every effort which is being put forth in that far off land for the spread of the gospel. He preached at both the services, and was listened to very attentively. Miss May Hinkley sang a solo in the morning, and William Eva rendered one at the evening service. Both were given with fine effect.

In his sermon, Dr. Buchanan referred to the ideals set forth in the Christian faith. The faith was so different than others. It was a great thing to be outside of ourselves, to rejoice in the prosperity of our neighbors, and to have the great love manifested by Christ. It was stated by some, that the Hindu religion was good enough for the Hindus, but the question was, "Do all those other religions lift up and give the power, Love must be in this life. Love that gives to the uttermost. The Hindus know nothing of this. How the human heart loves to exalt itself. God went about doing good, and we can do the same. He became a servant, looking after the little things, sacrifices, healing the sick, raising the dead, and comforting the sorrowful. He gave Himself and went to death. He was filled with the love, which is boundless. He gave His life and we should be willing to give our life, too.

And do we give a tenth to the missionary cause? There are many stints in the way of Christ. References was made to Paul and Timothy who endeavored to live a life like Christ. The speaker urged everyone to assist in the great work of saving souls.

Princess Street Methodist Church. Both services were well attended yesterday. In the morning the pastor preached from Colossians 1:18. "That in all things He has the pre-eminence." For it pleased the Father that in Him all fulness dwell. He spoke very strongly on the need of keeping Christ in the forefront of our lives. Miss Nicholson, of St. Paul's church, Montreal, sang "Hold Thou My Hand" with great expression. In the evening the pastor spoke for a few minutes from John 1:4. "In Him was life, and His life was the light of men." Mrs. Grace Mitchell sang "Crossing the Bar" with strength of tone and much feeling.

CAN IT BE SECURED? The Grenadier Bandmen Greeted by Old Friends. The Grenadier band, England's crack musical organization, passed through here, Sunday, on its way to the exhibition, formally opened at Toronto today. The men were agreeably surprised to see that some of their old friends had assembled at the outer station to give them a grand reception. They said it lightened the journey considerably to receive a handshake on the way.

A correspondent writes: "How delightful it would be to purchase this band to stop off here and give the Kingston people an opportunity of listening to England's finest." Could it not be arranged? If it was tempted with a good substantial sum it might be persuaded to give us a concert. Who will start the ball rolling? If the band is to be brought here it must be done by private subscription.

HIGH COURT ADMIRERS. Officers for Eastern Ontario Elected at Picton. At Picton, Ont., at the Eastern Ontario L.C. high court, a memorial resolution respecting the death of King Edward VII was passed by a standing vote. A donation of \$50 was made to the Campbellton fire sufferers, and increased aid given to the orphan children of Forsters.

The reports of the companion cruise were encouraging. The address meeting in Eastern Ontario was over 400. The election of high court officers resulted: High chief ranger, Dr. A. L. Smith; high vice chief ranger, Geo. M. Farrington; high secretary, G. J. Dickinson; high treasurer, J. S. H. McCann; high physician, Dr. Simons; high councillor, Horace Pratt; high auditors, T. Lambert and J. W. Ne-Elyou. The high court will meet next year in Pembroke.

Score at D.R.A. In the D.R.A. rifle match at Ottawa, Lieut. Swaine, of Kingston, scored 96 out of a possible 105 in governor-general's match, and qualified to shoot in second stage. Capt. Swaine scored 92. In the General Lake match, 500 yards, Staff-Sergt. Skinner scored 15, and won \$4; Lieut. Col. Cunningham scored 14, and won a similar amount.

Death at Oxford Mills. Mrs. William Basson was called to Oxford Mills on Saturday, having received word of the death of her mother, Mrs. James Williams. Deceased was eighty-two years of age, and known to a number of Kingstonians. Mrs. Basson will have the sympathy of a large circle of friends in her bereavement.

Fine Day on the Water. Sunday was an ideal day on the water and a large number of boats were out. The steamers America and Capitan had larger crowds on their regular trips. A large crowd came over from Rochester and made the trip down among the islands.

BROCKVILLE FAIR

HAD A LIVELY TIME. The Quest for Pencil Boxes Was Very Vigorous.

The firm of James Reid inserted an advertisement in Friday night's Whig that it would, on Saturday, give away to every child that presented itself at their store a pencil-box, complete with pen, pencil and eraser. They say that it was laughable to see the way some came after them. Some mothers brought their own children with them and some one's else too. Some of the business cranks say that people do not read the advertisements inserted in the papers, but if anything is to be given away see how quickly a store can be filled with eager people. The Reid brothers say they had a merry time distributing the gifts satisfactorily, but eventually got through it all right. They enjoyed it as much as the youngsters did.

HORSE WAS DROWNED. Robert Crawford Lost Valuable Animal on Saturday. Robert Crawford, the well-known coal dealer, lost a valuable horse, by drowning, early on Saturday afternoon. The animal was attached to one of the coal carts, and was engaged in unloading one of the coal schooners. The horse became rather restless, and the driver made an attempt to quiet it down, but this only tended to make the animal worse, and before anything could be done to stop it, the animal backed right into the ship. The driver then jumped into the water and attempted to get the harness of the horse, while others secured ropes to help get it out. It was a hard task, however, and was not accomplished. The body of the horse was afterwards recovered.

Has Recovered. The friends of Mrs. John Hughes will be pleased to hear that she has returned to her home on Collingwood street. She has been confined to the Hotel Dieu for the past three weeks, and underwent two successful operations.

Gasanoque Citizens' Band Will be on board steamer America, Wednesday, for Brockville fair, 7.30 a.m.; returning leave there 6 p.m. 7th. return.

An Acknowledgment. The ladies of the Ypsilon's Home gratefully acknowledge the receipt of \$32.25 from the treasurer of the Locomotive Works' picnic committee.

Cut Out Breakfast Cooking. Easy to start the day cool and comfortable if Post Toasties are in the pantry ready to serve right from the package. No cooking required; just add some cream and a little sugar. Especially pleasing these summer mornings with berries or fresh fruit. One can feel cool in hot weather on proper food.

THE TUSSECK MOTH. Causing Trouble for Some of City Trees.

Tussock moths are causing some trouble for trees about the city. The city engineer has notified the city fathers that the tussock moth on trees on King street. He has just received a letter from the agricultural department at Goddich, which gives remedy for the evil, and which it will be for city engineers who have trouble with the moths. It is that of gathering and destroying the eggs, which should be done in April or early in May. Sprays seem successful, accurate or bad, about three or four pounds to forty gallons of water.

Illegal Shooting. The duck-shooting sports will be getting into shape soon for the annual hunt. Some people are under the impression that the season for shooting ducks starts on Sept. 1st. It does not, however. The Ontario game laws say that ducks must not be shot before Sept. 15th. Considerable shooting has been reported in the United States, and these sports should not be surprised if they have to walk the carpet before a justice of the peace. Usually this walk on the carpet is accompanied by a heavy fine, so it is not worth the risk to shoot before. Some instances of illegal shooting have been reported to the game and fisheries department at Toronto and proceedings will be taken.

Died in the Hospital. The infant child of Mr. and Mrs. John Jamieson died in the general hospital, after a short illness, aged one year and six months. The parents are strangers in the city, coming here from Kincardine, and have the sympathy of the people here. The funeral took place, this afternoon, at two o'clock, in Catholic cemetery.

WHY HESITATE? An Offer That Involves No Risk For Those Who Accept It.

I am so positive our remedy will completely relieve constipation, no matter how chronic it may be, that I offer to furnish it free of all cost if it fails.

Constipation is caused by weakness of the nerves and muscles of the large intestines or descending colon. To expect a cure you must, therefore, tone up and strengthen those organs and restore them to healthier activity.

I want you to try Bessal Orderlies on my guarantee. They are eaten like candy and are particularly ideal for children. They act directly on the nerves and muscles of the bowels. They have a neutral action on the other organs of glands. They do not purge or cause irritative whatever. They will positively overcome chronic or habitual constipation and the urgings of associate or dependent chronic ailments. Try Bessal Orderlies at my risk. Two sizes, 10c and 25c. Sold only at my store—The Bessal store, G. W. Mahood.

Kind words can never die, but a evil jolt does its work in fine fashion and takes its departure.
