IN BASEBALL GAME.

Contest Interrupted by Darkness in

Sept. 13th, 15th, and 16th, and hardly deserves to be called a game. It was merely a workout for the two teams. On account of the late arrival of men on both sides, the game was not started until after six o'clock, and as the days are getting shorter, darkness came down before the game vould be half finished. Only two innings and Shipments From Montreal Were Congress

FAIRLY STEADY DEMAND.

Shipments From Montreal Were Not

The great feature of the dairy in-

dustry this year has been the demand What came nearly being an unfortu-nate accident occurred in the second innings. Rutherford, who plays first commenced, and the demand for supto jump over Loucks' head, and just Townships immediately adjacent to as he jumped, Loucks stood up. Rutherford's knee caught Loucks in the other has given up butter and cheese chest and knocked him out for about making, and have gone into the cream five minutes. The force of the jump shipping business, many of them beand coming in contact with Loucks, ing as far as fifty to sixty miles from threw Rutherford on his face in the the international line. We hear now sand. His frontpiece was scratched up of factories in Eastern Ontario going Into the business, and there is not 1st International Eucharistic Rutherford, 1b.; Millan, 2b.; Gratton, dustry in the counties along the line s.s.; Hanley, 3b.; Ward, r.f.; Attwood, of the St. Lawrence river will suffer

onsiderably on this account.

The market for butter is very strong, and prices are steadily advancing. The demand is principally from the local dealers, who are inclined to look upon present prices as low, in the fall make are stocking up now for their winter trade requirements. As high as 237c, has been paid he the country this week, and the trade generally is asking 24c. here for fines. creamery, with under-finest quoted at

Montreal, Aug. 31.—There has been a fairly steady demand for cheese during full particulars at K. & P. and been subscribed to send the Ottawa the past ten days, and prices throughout the country have been well maintained, most of the markets last week end sold at 10gc. to 10gc., although in one or two cases, notably at Kingston, the board was cleared at 10 te. The markets this week have opened with prices firmly maintained, and a good demand from most buyers. At Campbelyord on Tuesday morning the offerings were all sold at 10%c., and although reports are not yet in, t is expected that the colored cheese to be sold at the Peterboro board meeting will fetch even more money. There is a good demand expecially for colored cheese, and in some cases a slight pre-mium is being paid for this class of
