Do you find it a hard, nevernding pull to make "ends meet?" Rent, grocery bills, meat bills, clothing bills, etc., etc., keep you constantly poor?

Then why not "take the bull by the horns" right now and reduce your expenses by buyng a home, and thus put an nd to paying rent?

If you haven't the means to buy a home outright, get one on the instalment plan. It will be no harder to meet the payments for a few years than i is for you now to pay rent, and once you have it all paid you will feel like a new man.

Let us show you what we anve to offer.

Lectures at the Royal Military Colmitory room for so many. It was in- [ ] tended during the past summer to have added a storey to the present dormitories, but the public works chief architect when he came here to inspect, disapproved of the plan, which was withdrawn. It is not likely anything will be done this year, but the new tory building, making it twice as arge. This will be far more satisfactory and will provide accommodation for a larger number of cadets, for in another five years, there are likely to pe 200 cadets at the college.

"MISTAKES" OF HUNTERS

In Shooting Ducks for Mudbens and

Thursday marked the opening of the shooting season for the feathered ones. While the duck season does not open until the middle of the month, hunters are permitted to shoot mud hens and lover. However, it is learned that some of the sportsmen are continually mistaking ducks for mud hens, and are bagging quite a few of the forbidden ones. If Inspector Taudvin gets next to them, it will be dear shooting for them. It is said that he has his eye ! on a number who have been indulgin in this kind of thing, and he will give them the time of their lives.
