As the enamelled metal bed is to the wooden bedstead, so the "Ideal" Guaranteed Metal Bed is to ordinary metal beds. If it were not above the average in every detail, the "Ideal" Guarantee would not be on the footrail

For while any metal bed is sanitary, sensible, practical, the "Ideal" Metal Bed is all these and more besides. The Guarantee label means satisfaction to the buyer.

Because "Ideal" Metal Beds retain the snowiness of their enamelno chance of its turning yellow or dingy. Take it down or set it up without risk of breaking it, and with no need for a mallet and much muscle—the parts fit snugly. Forty inspections make us so sure of that that we can afford to guarantee it to you.

Maybe you will be asked a little more for "Ideal" quality-perhaps forty cents more. But that cannot weigh against the certainty the "Ideal" Guarantee gives you of genuine value—and of the same quality in material and workmanship, even though you pay but three dollars for your "Ideal" Metal Bed.
