

CHURCH UNION PLAN

IS THE PRICE TOO BIG TO PAY FOR IT?

Reviewing the Charges of Presbyterian Sacrifices as Presented by Rev. Dr. Mackie in His Appeal Against Union.

Kingston, Sept. 23.—(To the Editor)—Looking at the Rev. Dr. Mackie's list (Whig of Wednesday), of Presbyterian sacrifices involved in the acceptance of church union, one can only be amazed at the successful work of the joint committee in framing the basis—

1. Union will abolish the right of the congregation to choose their own ministers. This is to be vested in a settlement committee.

2. Union will abolish kirk sessions, with the order of elders.

3. Union will abolish ordination by presbytery—the very essence of Presbyterianism.

4. Union will subject the minister to a kind of episcopacy in the form of an irresponsible settlement committee, making and severing ministerial ties at their pleasure.

5. Union will subject the minister to a kind of episcopacy in the form of an irresponsible settlement committee, making and severing ministerial ties at their pleasure.

BEGGING ON THE STREET.

Good Deal of It Going on in the City.

"Please sir, could you give me ten cents to help pay for a meal?" Have you ever been stopped on the streets of Kingston, within the past few weeks, with an appeal such as this? Perhaps not, but there are a great many who have. When a case of this nature occurs, it makes it very hard for the poor unfortunate, who is really deserving of help, as there are so many playing the game as a mere "bluff" to secure money to buy whisky.

The fact that the magistrates all over the country have been dealing very severely with vagrants, sending them to the jails, to do hard work, has been the means of cleaning up the country of a great many of these offenders, but from time to time they manage to get in their work.

Good Health for Baby.

Baby's Own Tablets only cost 25c a box. A box bought now may save baby's life. Summer complaints come suddenly, and carry away thousands of little ones every year. If the stomach and bowels are kept in order there is little danger from these troubles. Baby's Own Tablets is the best medicine in the world for preventing and curing stomach and bowels troubles. They can be given with perfect safety to the newborn baby or the well-grown child. An occasional dose of the Tablets will regulate the stomach and bowels and prevent summer complaints. The mother who keeps these Tablets on hand may feel assured her little ones are safe. If you have not got a box of the Tablets get one without delay. Do not wait until trouble comes; it may then be too late. Sold by medicine dealers or by mail at 25c a box from the Dr. Williams' Medicine Co., Brockville, Ont.

Royal Commission's Visit.

The civic finance committee met last evening to make arrangements for the visit to Kingston on the 29th and 30th of Royal Commission on Industrial Training and Technical Education. The committee visited the board of trade rooms and learned what the organization had done in the way of appointing committees to deal with various subjects to be discussed. The use of the city council chamber will be offered to the commission, which is to be asked by whether it wishes to be shown through local manufacturing plants and educational institutions.

Special Church Features.

On Sunday evening the music at Sydenham street Methodist church will be led by an orchestra, composed of first-class Kingston musicians. There will be special music by the orchestra and organ, and solo by Miss May Hineckley and William Eva.

TOLD ON HER HUSBY.

Some Remarks of It's at Grand, Friday.

There are some amusing incidents in connection with the entertainment, given by It's, at the Grand, Friday night, a Kingston woman asked her for some information, and she got more than she bargained for.

Your husband recently went to Toronto, on what he termed a business trip," she said, "but I can tell you that it was not altogether business that took him away. The next time your husband goes to Toronto, I would advise you to go with him."

The audience smiled at this, and the woman took the fun good-naturedly. It's also had a little joke, at the expense of a young couple. She described correctly, a trinket he had in his pocket, and after so doing, said that the young man did not come to the show to "have" describe this trinket, "and what did he come for," asked It's manager.

"To find out when he would marry the young lady with him." This brought down the house, and the young people themselves joined in the joke. There were several other amusing incidents.

It's gives her closing entertainment at the Grand, to-night.

"Mrs. Wiggs of the Cabbage Patch." Optimism, undaunted by the rude jolting of the world's rough elbows, and impervious to the depressing tones in "Mrs. Wiggs of the Cabbage Patch," which comes to the Grand on Monday, September 26th. Mrs. Wiggs, dear, kind-hearted, optimistic soul, seeing everything through rose-tinted spectacles, appears to have been transplanted from the printed page to the lighted stage without having lost one vestige of her sterling goodness.

The homely wholesome philosophy of Mrs. Wiggs with her quaint sayings and her optimism that cannot be subdued even under the most depressing circumstances, is uplifting and at the same time thoroughly amusing. The play itself is a homely story of humanity and real goodness, honesty and right purpose, with a pardon in sight for every sinner who looks for it.

There are thirty in the cast and even the post and "Coby," the "fit horse," bid for popular approval. The scenery is descriptive of humble surroundings and preserves the atmosphere of the play.

100 Singers and Musicians. The cast of "Il Trovatore," will include Edith Helena, soprano, as Leonora; Domenico Russo, tenor, as Manrico; Harry Luckstone, baritone, as the Count di Luna; Louise Le Baron, contralto, as Azucena; William Schuster, basso, as Ferrando; and Elizabeth Harris, mezzo-soprano, as Inez, at the Grand on Tuesday, September 27th.

Where a choir has been in existence for over thirty years, when its name has become a household word throughout the length and breadth of the land, when it has received the unstinted praise of the most competent critics, when it has been more than once honoured with a Royal command and has also sung its way into the common hearts of the people, it seems superfluous to suggest that such a choir must possess qualities of the highest standard.
