tea is the result of care and experience in blending—must be the combination of fine flavor, smooth strength and richness. Because all these elements are so generously included in Red Rose Tea it well merits the term "good tea."

**ANOTHER WONDER OF SCIENCE**

Biology has proved that Dandruff is caused by a germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human body has been a tropical wilderness, from which no hair preparation has before proved a successful cure until Nephro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality, causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff.

Sold by leading druggists. Send 10c stamps for sample to The Herpicide Co., Detroit, Mich. \$1 bottle guaranteed. Jas. B. McLeod, druggist, special agent, Kingston, Ont.

Miss Kate Smellie gave a delightful bridge, on Friday afternoon, in honor of Miss Madeline Higgins and her sister, Miss Lou Smellie. The players filled three tables and were twelve in number: Miss Madeline Higgins and Miss Lou Smellie, guests of honor; Miss Helen Gordon, Miss Mildred Jones, Miss May Rogers, Miss Lenore Hamilton, Miss Hilda and Miss Doris Kent, Miss Madge Dawson, Miss Jean Duff, Miss Mavis Garrett and the hostess herself, Miss Helen Gordon carried off the prize. Miss Mildred Jones poured tea and after the bridge was over Miss Vera Carson, Miss Dorothy Hill, Miss Marjorie Merrick, Miss Lilian Kent and Miss Madge Taylor dropped in for tea. Mrs. Francis Mance, St. Lawrence Cottage, was hostess at a bridge party, Thursday afternoon, when six tables were in play. The first prize was won by Mrs. Nelson, of Montreal, while Miss Lily Norton Taylor carried off the second. In the drawing room the flowers were rose pink gladioli and white asters, while in the dining room were yellow chrysanthemums on the table, where Mrs. Howard Folger poured tea, assisted by several of the younger girls, who dropped in at the tea hour to make themselves useful as well as ornamental, and to enjoy Mrs. Mance's hospitality in dear old St. Lawrence Cottage.

Miss Mildred Jones, King street, asked a few friends, informally, on Wednesday evening, to say "farewell" to Miss Madeline Higgins and have a game of bridge. There were two tables, the players being Miss Madeline Higgins, the guest of honor, Miss Hilda Kent, Miss Madge Taylor, Miss Lenore Hamilton, Miss Lilian Kent, Miss Lou and Miss Kate Smellie, and the hostess herself. Delicious refreshments were passed after the bridge and much fun indulged in, though all felt somewhat sad at the near departure of Miss Higgins.

**THE GEORGE CUP WOULD BE REPLAYED.**

Eastern Lake Yacht Association Should Have a Cup for Competition Only by its Own Clubs—Too Costly to go After George Cup.

Henry Cunningham, Kingston's veteran amateur yachtsman, makes the suggestion that another cup should be loaned to the Eastern Lake Yacht Association to replace the George cup, which has gone to Toronto, and which is likely to remain there for a long time. The suggestion is to go to Toronto and buy a new cup, to be used for the George cup, and that is what the Eastern Lake Yacht Association would like to do. Mr. Cunningham would like to see some one in Kingston who is up to the eastern association, and stipulate that it was to be competed for only by clubs who were members of the association. The George cup, it is understood, was intended originally as a trophy for the association, but the rules were not made up to the eastern association, and stipulate that it was to be competed for only by clubs who were members of the association. Owing to the wet grounds the great rowing match between the Scotchmen and Englishmen, at Queen's campus, on Friday afternoon, had to be postponed. Owing to the heavy down-pour of a couple of days the greens were in bad shape. The game will probably be played in the course of a few days.

**PRINCESS THEATRE.**

Popular Playhouse Again in Hands of Capt. Geo. Hammond.

Capt. George Hammond has returned from the west, where he has been the employ of the Allen Amusement Co., of Calgary, for the last six months, and has purchased the "Princess" Theatre outright, closing the same Saturday night after the performance for a week to make necessary repairs, and a thorough renovation, after which it will be re-opened as a first class vaudeville and picture theatre.

Mr. Hammond says the "Princess" will play only first class vaudeville, of the advanced variety, and will be the only pictures that have never before been shown in Kingston, having come from the celebrated Gaumont Co., of France and Canada, for their foreign subjects, and the old reliable Kinetograph Co., for their native subjects.

He has also gathered together the best that can be brought together as his co-workers: Mrs. Hammond will officiate in the ticket office, Prof. Milner at the piano and Mr. Peitchard at the machine. Mr. Hammond will sing and also manage the concern.

They will have the first 250 only Gaumont Chrono Projecting Picture machine in Ontario. This machine is without a star wheel, or in other words it is the machine that gives the most steady and flickerless pictures in the world. The pictures can be viewed by the weakest eyes, with out the least distress to old or young. There will be more seats made, more ventilation, and better lighted. There will be three big sets of handrails, with the usual number of films, reels, illustrated songs, etc. Mr. Hammond insists that one cannot possibly run such a class show for five cents; that the prices will be for matinee, five cents to all night performance, adults, 10c, children 5c. There will be late shows for spectators not seeing the entire last performance allowing them to return at any time for the same admission.

One can readily see that Mr. Hammond intends to do business on the square with all, or be having a home boy, with a full programme from start to finish, it is hardly necessary to say money spent at the "Princess" will be well spent, if only to hear Mr. Hammond sing alone. Also, as it remains right at home in Kingston, it is well worth a visit.
