HOW MANY REALIZE AMONG THE MARVELLOUS **VALUE OF FRUIT**

IN CURING MANY DISEASES? Monderful Success of "Fruit-a-tives"

—The Famous Fruit Medicine

Fruit juice consists of about 91% water, 8% of sweet matter, and only 1% of an intensely bitter substance. Careful

experiments show that it is this bitter principle, which is the active or medicinal material of fruit juice.

Under certain conditions, the bitter

"Fruit-a-tives"—known in every part of Canada for their wonderful curative qualities in diseases of the Stomach, Liver, Bowels, Kidneys and Skin.

"Fruit-a-tives" is the only medicine in the world made of fruit juices. 50c. a box, 6 for \$2.50 or trial size, 25c. ble and self-sacrificing work.

LASCIA BURNACE

Shows A Saving in Fuel of 131/2%

It is not what a furnace should do, nor what it is said to do-but what it has actually done for others and will do for you-that should hold your consideration.

"Hecla" Furnace is truly economical-in first cost and operation.

"Hecla" Furnace has a steel ribbed Firepot. By adapting the principle of Fused Joints to the firepot, we fuse Steel Ribs on the outer surface of the "Hecla" firepot, thus getting three times the radiating surface of any other firepot of the same size. The radiating surface of the firepot is the most efficient part of the furnace because it is in closest contact with the fire. And the greater the radiating surface, the greater the amount of air that can be heated by a given amount of fuel.

By a careful, accurate three years test, these Steel Ribbed

Firepots made an actual saving in fuel of 131/2%. And remember, that the air from the "Hecla" is never hot.

The perfect radiation of heat brings warm air-fresh and invigorating-into the house, because "Hecla" firepot never becomes red hot. And a firepot that never becomes red hot won't burn out.

We make the firepot in two pieces which prevents cracking. This Steel Ribbed Firepot is only one of many improvements perfected by the old reliable firm who have 59 years heating experience to guide them.

Send us a rough diagram of your house-and we will plan the heating arrangements, giving you the cost of installing the right "Hecla" Furnace to heat your home right. We make no charge for this service. Write us right now.
