QUEEN'S LOST AGAIN

VARSITY TOOK LAST GAME BY 9 TO 5.

Royal Military College Beat Varsity 11, 10 to 2. But Only Tied on Round—A Deciding Game Necessary.

The curtain has been rung down on intercollegiate senior rugby for the season of 1910. The last act was put on at Queen's athletic grounds Saturday afternoon before fifteen hundred spectators whose desire to see the Dominion champions perform, was perhaps greater than any hope they entertained of a Presbyterian victory. Varsity won by 9 to 5, and have gone through their schedule without a defeat. The ground was decidedly soggy, and scientific play was almost an impossibility although Varsity did not fail to resort to their quick passing and running style of play. Queen's side Varsity the two-backs and a kick game and it was because of this that the Presbyterians again met with defeat. Varsity again demonstrated that they are well acquainted with all the fine points of the game and their trick plays were run off with the precision of clock-work. Gall and Leckie again contested for honors, both men played ideal football, and in Saturday's exhibition there was little to choose between them. Leckie was easily the best man on the Queen's side, while Elliott, Macdonnell and Do'Son were frequently in the limelight. Gall Maynard and Dickson carried off the laurels for Varsity.

Varsity were without the services of Gage, while Erskine, Reid and O'Connell were absent from the Queen's line on account of injuries recently sustained.

The game opened with an exchange of kicks between Gall and Leckie; after the play had advanced slightly into Presbyterian territory the Varsity captain kicked to Macdonnell, who fumbled a few yards from his own line, the ball went outside and on the first down, Foulds went over for a touch. Varsity 5, Queen's 0. A few minutes later Leckie was forced to rouse, making the score for the quarter, Varsity 6, Queen's 0.

The second period saw Queen's kicking with a slight wind behind them, and early Leckie kicked for a point. Varsity 5, Queen's 1. The play travelled into Queen's territory, and Dickson kicked for a counter, Varsity 7, Queen's 1. Leckie was forced to rouse on a long kick by Gall; closing the quarter with Varsity 8, Queen's 1.

The local students showed their usual staying qualities and in the last quarter came straggling and had by far the better of the play. Varsity kicked for a point right on the resumption of play, Varsity 9, Queen's 1. Macdonnell secured the ball on an on-side kick and went over for a safety. Varsity 9, Queen's 3. Leckie brought the game to a conclusion with two substantial swats to the dead line. Varsity 9, Queen's 5.

The teams lined up as follows: Varsity—Full back, Dixon; halves, Gall, Greene and Maynard; quarter, Foulds; scrumming, Carroll, Bell and Corey; wings, Kingston, Germain, Grass, Lajoie, Kennedy and Thompson. Queen's—Full back, Leckie; halves, Cook, Do'Son, Macdonnell, quarter, Moran; scrumming, Smith, Rodden and Bruce; wings, Sitter, Elliott, Smith, Kinella, Young and Dowling. Referee, Dr. F. Etherington; umpire, George Richardson.

Cadets, 10; Varsity, 2. The game at the Royal Military College on Saturday afternoon failed to decide the intermediate championship of the intercollegiate union. Cadets won by 10 to 2, and tied with Varsity 11, on the result, as the Toronto team won the first of the series in Toronto by 16 to 8. The deciding game will have to be played next Saturday on neutral grounds, which the intercollegiate executive will have to decide upon. Both teams are pretty evenly matched, and are playing the best intermediate rugby in the history of the intercollegiate union. They are class teams, and would make a good showing in senior ranks.

Varsity's muffing that lost it the championship for the first time was caught as well as cadets, the latter would not have scored as they did. Cadets led all through. In the first quarter, Robertson dropped a goal and kicked for two points, making the score 5 to 0. No scoring was done in the second quarter. In the third quarter, cadets scored four points, while Varsity got their first point in this quarter, on a rouse, from a kick by Ramsey, making the score 9 to 1. A tie on the result. In the last quarter, the cadets scored a goal, a rouse, and that gave them a lead of one point, and they felt quite sure of holding that lead, but just as the three minutes before time, Pritch kicked a rouse for cadets' line for a point and made the score a tie on the result, 10 to 10.

The teams were about equal on the line, but cadets had the better of the play on the back division and that was where the game was won. Royal Military College—Full back, Gall; halves, K. Stewart, Robertson, Smith, quarter, Lawson; scrumming, Irving, Young and J. Stewart; wings, Arnold, Sweeney, Roberts, Goldie, Lewis, Gwynne. Varsity—Full back, Pritch; halves, Wood, Ramsey, McKenzie, quarter, Campbell; scrumming, Gardiner, Corrie, Ferris; wings, Taylor, Sifton, Pripp, Dawson, Malqueen, McDozall, G. R. Dolan, Kingston, referee, "Marty" Walsh, Ottawa, umpire.

Other Rugby Results. Argonauts 7, Tigers 6. Ottawa 11, Montreal 9. T.A.A.C. 11, Dundas 7. Argos 10, Hamilton 7.

R.C.H.A. and C.L.C. Tied. The Association Football League of Kingston was brought to a close, on Saturday afternoon, at the cricket field, when in the closest game of the season, the C.L.C. and R.C.H.A. teams, at full time, had no score to their credit. The game was the fastest and most gruelling seen this season, and was watched with the keenest interest. At the outset, both teams set a terrific pace and to the wonder and surprise of all, kept it up all the way through. From one end of the field to

the other the ball was worked incessantly, but owing to the exceptionally good work of the full-backs, the ball did not pass under the bar. The C.L.C.'s backs worked magnificently and their splendid work saved the situation many a time. The soldiers are very fleet of foot, and it took all the strategy of the locomotive builders to keep them from scoring. The C.L.C. went into the field with a lead of two points over the other teams, and as there was no score, they were proclaimed winners of the league. The final game of the series was looked forward to with the greatest interest and enthusiasm by supporters of both teams, and the ending with no score broke the tension.

The season for association football this year has been a most successful one for the teams. Queen's H, C.L.C. and R.C.H.A., the three teams comprising the league, are all evenly matched, as the fierce battles among them indicated. The teams were so evenly matched that up till the time they went into the field no one would predict who would win.

Varsity Win at Soccer.

An exceptionally fine game of soccer was played at Varsity athletic field, Toronto, on Saturday afternoon, when Varsity defeated Queen's by 4 to 0. From the first, Queen's demonstrated the fact that she had greater combination and for the first ten minutes kept the ball in Varsity's territory. But her backs were weak and allowed their goal keeper very poor protection. Varsity excelled on long distance shooting.

The blue and white, after a pretty piece of combination, around Queen's goal, passed the ball to Godwin, who scored the first goal. Varsity then outran and the half was continually in Queen's territory, though Varsity seemed unable to score till Godwin again shot a long one between the posts. The whistle blew soon after the score at half time stood, Varsity 2, Queen's 0.

Soon after the ball came into play Langford scored for Varsity and in a few minutes Cameron also scored for the blue and white, bringing the score to 4 to 0. Queen's goal was secured, as it was, through a Varsity man's carelessness in not judging the distance of a punt, catching it on his head and making it bound too high for Stock, the Varsity goal, yet low enough to go under the bar. No points were scored after this, and at final time the score stood: Varsity 4, Queen's 1. Queen's—Goal, O'Donnell; backs, Archibald, Ramsay; halves, McDonald, McArdie, R. W. McKenzie; forwards, F. D. McKenzie, Mohan, Foster, McNabb, Bismette. Varsity—Goal, Stack; backs, Scott; White; halves, Mustard, Brown, Sills; forwards, Godwin, Robertson, Langford, Cameron, Lamb.

Finish of City Soccer League. W. D. L. Points. C.L.C.'s 3 2 1 8. R.C.H.A.'s 2 2 2 6. Queen's H 2 0 4 4.

BOATY HEADED SWAINS.

Irish Court Officials Crown Gray in the Service. The legal servants of the crown, great and small, in Ireland, are noted for growing old in the harness.

Hugh Doyle, aged seventy-seven, chief clerk in the bankruptcy court, Dublin, has sixty years of service; H. Vivian Joy, aged sixty-eight, registrar, king's bench division, and Edward J. Green, aged seventy-one, chief clerk of the same division, have each fifty-three years' service; James Skelton, aged seventy-one, clerk, Waterford registry, has fifty-two and a half years' service; and Francis Blackburne Fletcher, aged sixty-eight, a changes division clerk, has fifty-one years' service.

Won Prizes at Deseronto.

At the tombola and bazaar given by the St. Vincent de Paul Society (at Deseronto, last week, prizes were won by the following Kingston people: Silver sugar bowl, Max Barrie; silk umbrella, Miss Anna Corrigan; fancy table cloth, John McCue.

ABERNETHY'S

THE HARRIER RACE

WAS WON BY THE TEAM FROM OLD MCGILL.

Watts, of Varsity, Finished First, and Kerr, of Queen's, Second—Only Three of the Presbyterians' Team Finished the Race.

The second annual intercollegiate harrier race was run off over a Queen's course, starting at the athletic grounds Saturday afternoon. McGill's team won. Watts, of Varsity team, carried off the individual honors, winning the race in 36 minutes 11 1/2 seconds. The course comprised about six and one-half miles. On account of the recent rains the roads were heavy, although the runners managed to distinguish themselves creditably. The race started about 2:30 o'clock, from in front of the grand stand. The runners were lined up, and at the crack of a pistol in the hands of Prof. Matheson, of Queen's, the boys were off. The course led as follows: One lap around the track, thence north to the Bath Road, to its junction with Princess street, to Bath Road, along lake shore road, thence to University avenue, to Union street, to athletic grounds and once around the track. McGill carried off the honors of the day, but had to much to spare. The runners finished as follows: 1, Watts, Varsity; 2, Kerr, Queen's; 3, Murray, McGill; 4, Ford, Varsity; 5, Davidson, McGill; 6, Pierce, McGill; 7, Grant, McGill; 8, Vickers, Varsity; 9, Sproule, McGill; 10, Elliott, Varsity; 11, Meadows, Varsity; 12, Berrett, Queen's. Farrell and Smith, of Queen's, the only two men who were not heard from, dropped out when the athletic ground they were reached, and failed to finish.

McGill and Varsity both had strong teams to compete against the recently organized team of Queen's. Kerr, Queen's fleet runner, who finished second, instead of this afternoon. The second in the five-mile race here. Thanksgiving day. It was expected by those who saw the intercollegiate athletic meet here then, that Varsity would carry off the honors, but with the exception of Watts, who is an ex-Royal Military College cadet, and who established the record for five miles in the city, their team did not do as well as was expected. Kerr was practically the only good man Queen's had, as Barrett came in twelfth place. McGill made a great showing, and deserve the honor, as they worked hard for it. Murray, who finished third, is only a kid, and was nearly all in when the race was finished.

It is the belief of many that if Watts had to go another 100 yards, Kerr would have beaten him, as the latter gained considerably after both had entered the athletic grounds. Kerr finished well and did not seem to mind the race at all. McGill takes the first place with twenty-one points to his credit, while Varsity comes a close second, with twenty-three. On account of the fact that two of Queen's men dropped out, their points were not counted. The way the honor is awarded is that each runner is credited with the number of points which his finish place tallies. For instance, Murray, of McGill, finished third. He is credited with three points. The man finishing fourth gets four points. The team winning the least number of points wins the race. The members of the winning team each get medals, as also do those who finished first, second and third in the race.

The officials were: Starter, Prof. Matheson; referees, James Blevins and Ralph Bowron; timekeepers, Prof. Matheson and J. d'Esteiro.

Kerr Ran a Good Race.

Kerr, the Queen's man, made a splendid showing against Watts. At one stage of the race Watts led Kerr by nearly a quarter of a mile, but at the finish he was only leading by about twenty yards, and it was the opinion of many that if he had had much further to go Kerr would have passed him. At the outset of the race Watts set a hard pace and outdistanced the others and kept ahead of them all the way through. If Kerr had kept on the heels of Watts during the first part of the race, instead of allowing him to get such a lead in all probability he would have won. However, he made an exceptionally good showing in view of the fact that Watts has been running for a number of years, while Kerr was unknown until he came here last fall.

He Went to Ottawa.

Charles Mann, the young fellow who gave evidence in the liquor case against the Bevers hotel, has left for Ottawa, where he formerly resided. He has a claim for damages on a company for the loss of his right arm, while he was employed in a saw mill. He has sued for \$3,000.

SALVATION ARMY SERVICES.

Three Grand Meetings Were Held on Sunday.

Three grand services were held by the Salvation Army, on Sunday. Capt. Turner was in charge, and there was a good turnout of all the services. In the morning, the members held their regular meeting at the jail, and as a result of their efforts, they received a convert. One of the men in the jail professed Christianity, and asked to be helped to live a Christian life.

At the afternoon and evening meetings, there were several more converts, and at the close of the day twenty-seven people had asked for prayer that they might live a better life. Capt. Turner and the members of his corps were more than pleased with the meetings of the day. Capt. Turner has only been in charge of the local corps a few weeks, but he did not take long to "get into harness." He is a hard worker, and has made a good impression on all the local members. The young people's hall, in connection with the army work, has been renovated, and opened for the winter season.

George Simmons' Treatment.

George Simmons, Collins Bay, who was brought into the McAlpine inquest case, stated to the Whig that he was ignorant of anything that had happened to either the man or the woman after he left them. He considered that he did a charitable act in giving them a drink of liquor when they were shivering with the cold and the wet last Friday afternoon. Mr. Simmons left them immediately afterwards, but he feels that he was placed in a most unfortunate position in being held by the police. His evidence at the inquest showed that he knew little about the couple, and that what he did for them was in the way of kindness.

The waterworks committee has been called to meet, this evening, at eight o'clock, instead of this afternoon. The intake pipe will be under discussion. "McConkey's" choice of royalty "sweet," fresh on Monday, at Gibson's Red Cross Drug Store.

The man who swaggers is almost as disgusting as the woman who struts.

"The principles of a good many men run to inclinations and then stop."

NERVOUS DYSPEPSIA

A CURE FOR ALL.

Not a Patent Cure-All, Nor a Modern Miracle, But Simply a Rational Cure for Dyspepsia.

In these days of humbuggery and deception the manufacturers of patent medicines, as a rule, seem to think they claim that it will cure every disease under the sun. And they never think of leaving out the dyspepsia and stomach troubles. They are sure to claim that their nostrum is absolutely certain to cure every dyspeptic and he need look no further, in the face of these assertions, it is refreshing to note that the proprietors of Stuart's Dyspepsia Tablets have carefully refrained from making any undue claims or false representations regarding the merits of this most excellent remedy for dyspepsia and stomach troubles. They make but one claim for it, and that is, that for indigestion and various stomach troubles Stuart's Dyspepsia Tablets is a radical cure. They go no farther than this, and any man or woman suffering from indigestion, chronic or nervous dyspepsia, who will give the remedy a trial will find that nothing is claimed for it that the facts will not fully sustain.

It is a modern discovery, composed of harmless vegetable ingredients acceptable to the weakest or most delicate stomach. Its great success in curing stomach troubles is due to the fact that the medicinal properties are such that it will digest whatever wholesome food is taken into the stomach, no matter whether the stomach is in good working order or not. It rests the overworked organ and replenishes the body, the blood, the nerves, creating a healthy appetite, giving refreshing sleep and the blessings which always accompany a good digestion and proper assimilation of food.

In using Stuart's Dyspepsia Tablets no dieting is required. Simply eat plenty of wholesome food, and take these Tablets at each meal, thus assisting and resting the stomach, which rapidly regains its proper digestive power when the Tablets will be no longer required.

Nervous Dyspepsia is simply a condition in which some portion or portions of the nervous system are not properly nourished. Good digestion invigorates the nervous system and every organ in the body. Stuart's Dyspepsia Tablets are sold by all druggists at 50c. per package. Hayden's and Fry's sold there.

THE LATE WILLIAM MARSHALL.

His Death Came as a Shock to His Friends.

The news of the death of William Marshall, proprietor of the Grimsman hotel, on Saturday morning, came as a shock to his wide circle of friends. He contracted a cold at the horse show in Ottawa early in the spring, and it was further increased while attending the horse show held in Montreal a couple of weeks ago. He came home two weeks ago Saturday night and complained of chills. Doctors held out hopes for his recovery until last Thursday. On Friday complications set in. He died about 6:40 Saturday morning. And thus it was that "Billy" Marshall came to his death while in pursuit of his favorite sport, that of showing horses. He was a great lover of horses, particularly of the Clydesdales and Hackneys, which he bred and showed extensively. He would never have anything but the best, and his beautiful animals were well known for a distance around the country.

Deceased was genial and always ready to help anyone in trouble. Many an unfortunate man whose fate had dealt with rather harshly, will remember "Billy" Marshall, as he was familiarly called, to his dying day for some act of kindness. He was a great reader and in the past ten years he had accumulated quite a library. He was thoroughly well read on all the current topics of the day. Before starting in the hotel business he was a mason, and was regarded as a first-class workman. He lived in Syracuse, N.Y., for a number of years, and while there he learned the German language, which he spoke fluently. After he returned here, he was used as an interpreter for German people coming here to work in the locomotive works. In addition to the societies named in Saturday's paper, he was a member of the executive of the Licensed Victuallers' Association of the Province of Ontario, and attended all meetings at Toronto regularly. About a year ago he expressed the desire to resign, but upon the urgent request of the fellow members, he consented to remain on the board. The funeral was held from his residence, this afternoon, and was very largely attended. Rev. Dr. Mackie, of St. Andrew's church, conducted the burial service.

PLAYS IN THE GRAND.

There Will be Two Produced This Week.

There is a play coming to the Grand on Thursday, November 17th, that is bound to strike a new and welcome note. It is called, "When All Has Been Said." There are several external features about it that make it an unusual play. There is only one woman in it, and this lone woman shares claim to the leadership of the cast with the part of a seven-year-old boy. And this boy, a manly, independent little fellow, gives momentum to the drama that surges up about him, and himself strikes the crucial note in the climactic scene.

This boy, William Gordon, will be played by Thomas Tobin. The part of his mother, a dramatic role such as rarely falls to the lot of an actress, is in the hands of Emily Stevens, the talented cousin of Mrs. Fiske. The young woman's big success as leading woman for George Arliss, in "Septimus," last season, fully justifies her elevation to the head of a company of metropolitan favorites. Charles Balsar, Eugene Ormonde, George Woodward, and Joseph Sparks are conspicuous in the strong cast.

"This Woman and This Man."

"This Woman and This Man," the most finished and meritorious work from the pen of A. A. Hopwood, the author of the latest and best comedy of recent years, "Seven Days," will be the attraction at the Grand on Saturday, November 19th, matinee and night. The company, which is of the very best players, and is headed by the well-known versatile comedy and emotional actress, Miss Minnie Peterson, have won unstinted praise from press and public wherever they have appeared, and the play when presented at the Maxine Elliott Theatre, New York, met with unusual praise from the leading critics. The New York American said: "The audience gave the production a rapturous reception. This was especially true of the women who wept at the pathetic scenes and laughed uproariously at the humor."

Queen Street Methodist newly-formed male quartette sang very beautifully at the Sunday morning service. "That Beautiful Land." The quartette is composed of Messrs. Shea, Reynolds, Williams and Marshall. The only store in Kingston that sells strictly high class sweets, Gibson's Red Cross Drug Store, McConekey's, Hayden's and Fry's sold there.
