It is with great pleasure that congratulate you on the ever growing prosperity of this favoured land. Trade and commerce are advancing in McDonald, son of L. McDonald, of this all directions with rapid strides. The W. total volume of imports and exports far exceeds all previous records, and the growth of our industries and ternal trade keeps pace with the development of our external commerce. Whilst in certain of the western provinces the crops did not realize the sanguine expectations which had been formed in the early spring, yet the total yield was reasonably satisfactory, and the eastern provinces in this regard have been more than ordinarily blessed. The conditions now existing over the whole country conclusively demonstrate that even with lese production at some points, the vastness and variety of our resources ensure, at all times, a high degree of

progress for the whole country, Negotiations for the acquisition from the admiralty of the two cruisers Niobe and Rainbow have been carried on with his majesty's government, and the two ships have now arrived and are stationed in Canadian waters, in pursuance of the policy, adopted last ession, for the creation of a naval

The Hague tribunal, to which was referred the controversy between Great Britain and the United States, with reference to fisheries in Newfoundland waters, has rendered a decision which terested as a fair and equitable adustment of this long penging dispute. The result is gratifying, inasmuch as it will tend not only to promote peace and friendship between the United States and our neighbours, but also to further the practice of setting international questions by means of arbitration.

Marked progress is being made the constsuction of the national transcontinental railway, and a large quantity of grain is, this season, finding an outlet from the west to the great lakes over this new highway. It is hoped that ere long a satisfactory arrangement can be made for the operation of the finished portions of the line, pending the completion of the road from Moncton to Winnipeg.
