JOHN MCKAY, The FUR HOUSE

149-157 BROCK STREET.

Told in Twilight

The Ascalapian Society of Queen's held its annual dance on Friday evening, and the affair was most enjoyable. Grant hall, which was used for the ball room, was beautifully decorated for the occasion. Palms and ferns were banked on the platform, which was made attractive with rugs and comfortable chairs. The college colors, red, yellow and blue, were carried out in an electrical display in the form of a large "Q" in the middle of the platform. The letters "M.E.D." in the centre of the "Q" being the distinguishing feature. The halls, stairs and class rooms made delightful sitting-out places. Supper was served in the reading room at quarter tables.

The programme consisted of seventeen dances and five extras, and delightful music was supplied by Merry's orchestra. There were about three hundred guests present. The lady patronesses, who received the guests at the entrance to Grant hall, with Principal Gordon, were:

Mrs. Watson, handsomely gowned in black grenadine over white satin. Mrs. J. C. Connell, in blue satin gown, with touches of chiffon and lace on her bodice.

Mrs. W. G. Anglin, in black satin, and gold, and jet trimmings. Mrs. A. R. B. Williamson, who wore a dainty gown of pale pink satin, bertha of lace and pearl trimming.

An excursion was run to Peterboro, this morning, by the cadets, in order that their supporters might have an opportunity to encourage them to victory, in their battle with "Varsity II," for the intermediate championship. The student body of cadets is very grateful to Commandant Croyle, for permission to accompany the team. It is on rare occasions that such a privilege is granted. Besides the cadets, some of their supporters, who were with them, were, Prof. and Mrs. Iva E. Martin, Misses Phyllis and Charlie Short, Mr. and Mrs. D. E. Robertson, Mrs. Dawson, Canon Starr, Mr. Ernest Dawson, Miss Madge Dawson, Mr. E. C. Stevenson and his wife, son Allan, Miss May, E. Rogers, Mrs. W. R. Given, Miss Dorothy Hill, Miss Marguerite Elkins, Miss Lottie Kirkpatrick, Mr. Balfour Macdonald, Mr. Bruce (Archie), Capt. H. Hoak, Capt. J. Elkins.

On Thursday evening, Mrs. H. A. Kaubach, Royal Military College, was hostess at a most enjoyable dinner party given in honor of her guest, Miss Grainger, of Belfast, Ireland. White chrysanthemums were effectively arranged for the table decorations. The guests included Colonel and Mrs. J. H. V. Crowe, Miss Mabel Gildersleeve, Canon Starr and Mr. Ernest Dawson.

J. C. Baker, B.Sc., D.L.S., and Mrs. Baker, are expected to-day, from the west, where Mr. Baker has been surveying. Mrs. Baker accompanied her husband on his survey during the summer. They will spend winter months with Mrs. Baker's parents, Mr. and Mrs. E. Alden, Earl street.

Mrs. Blackhall, Albert street, entertained at the tea hour, on Thursday afternoon, in honor of her sister, Miss Cameron, of Toronto.

Mrs. Colin Hamilton, Earl street, will receive on the first and third Mondays of the month, during the winter.

Mrs. R. H. Tove, Gore street, entertained, informally, at the tea hour on Wednesday afternoon.

Mrs. H. W. Snelling, Division street, entertained at the tea hour, on Thursday afternoon, in honor of her sister, Miss Cameron, of Toronto.

Mrs. J. Elkins and Miss Marguerite Elkins arrived in the city from Vancouver, this week, and are en pension at Mrs. Beale's, Wellington street, where they will be for the next ten days, when they leave for New York to spend the winter.

Mrs. W. S. Ellis, "Roselawn," left, yesterday, for Berlin.

Mrs. W. F. Crawford, Buckingham, Que., has returned home after visiting Mr. and Mrs. J. Dunbar, Brook street.

Mr. C. N. Read arrived in the city on Wednesday and is the guest of his niece, Miss Aileen Rogers, University avenue.

Mrs. Charles A. Low and two children, Union street, are expected to-day to arrive from New York, where they have been visiting Mrs. Low's parents, Mr. and Mrs. David Price.

Mrs. A. E. Rudd, Toronto, is visiting Mrs. C. W. Lane, 55 Gore street.

PAVING RENT KEEPS YOU FROM OWNING YOUR OWN HOME

What satisfaction will it be to you in after years to say: "I always paid my rent promptly. My landlord never had to ding-dong it out of me?"

What satisfaction if you should then be homeless and unable to pay rent?

If a tenant be a good one. But you can just as well be your own landlord at once.

We have a lot of good homes listed. Many styles to choose from. There are cozy little four and five room cottages and bungalows, and by houses, too. Anything you like and at terms to suit.

You don't have to move right away. The rents will pay you well.

Y.M.C.A. LADIES' AUXILIARY

The Business Transacted at its Friday Meeting.

The Y.M.C.A. Ladies' Auxiliary held its monthly meeting at the building on Friday afternoon, with Mrs. Chown, president, in the chair. There were about thirty ladies present. Mrs. McCallum gave an interesting talk on "Prayer," one point being that all women should be interested in reform and all may have a share by praying. As this is the week of prayer the meeting was then opened for any who wished to say a few words of prayer and quite a number responded.

The treasurer reported \$131 on hand. Bills to the amount of \$8.39 for printing and painting were passed. It was decided to spend about \$120 in supplying two new ironing boards, putting new locks on the old lockers and installing new electric lights on the first floor.

Refreshments are to be served to the business boys, next Thursday night.

Mr. Hamilton has been a very faithful steward and all regret losing his services, so the ladies voted to give him a slight token of their appreciation and wish him all success in his new field of labor, which will be Lethbridge, Alta.

Quite a number of new members were received. Receipts of \$14.40 in membership fees and balance of cash and ten donations, making the total realize \$72.50.

After the closing prayer by the president the ladies served a banquet for seventy-five, about sixty of whom were boys and who seemed to thoroughly enjoy the evening.

The death of Mary Cliffe, wife of Henry Humber, Leeds township, occurred on Tuesday, at the family residence, near Thousand Island Junction. She was forty-four years old and had been in poor health.

PRESENTED TRIANGLE.

An Imposung Ceremony on Friday Evening.

W. S. Milne, of St. Patrick's chapter, R.A.M., No. 145, of Toronto, in an imposing ceremony, Friday evening, presented the beautiful triangle, to the 1st P. of Ancient Frontenac and Carleton chapter of Kingston. There was a large attendance present, from Gananoque, Brockville, Morrisburg, Belleville and Napanee, which included many distinguished companions.

W. C. Davy, grand supt., was among those present. At 6 p.m., the visitors were entertained to dinner, at the Frontenac Club, and at 8.45 adjourned to the Masonic hall, where the work of the evening was proceeded with.

This beautiful golden triangle will be placed in safe keeping, and in the very near future, will be transferred to the province of Quebec, by a large delegation from Kingston. Carleton chapter, of Montreal, will probably be the honored chapter in the above province. After this reception, the mark degree was conferred upon several candidates.

Carter James King had a bounteous repast ready for the large crowd, at the close of business, and a very pleasant hour was spent in feasting, song and story.

Kingston chapter is in a very flourishing condition. It is the oldest in Canada, having been instituted in 1797, and has had several distinguished statesmen upon its rolls, including the late Sir John A. Macdonald, Sir Oliver Mowat, and others.

The success of this large gathering is chiefly due to the untiring efforts of Dr. A. W. Winnet, first principal, and D. J. Evans, secretary, who are both very active in the advancement of Royal Arch Masonry in the city.

It was in the wee small hours of the morning when this happy crowd joined hands in singing "Auld Lang Syne" and departed.

The Kingston chapter will visit Leeds chapter, Gananoque, on November 23rd, and exemplify the Holy Royal Arch degree.

The triangle will probably be placed on view in the city, for the benefit of the craft.

The triangle was received in Chicago, at a huge gathering of over 2,000 Royal Arch Masons.

The itinerary is as follows: Province of Quebec, thence through the Maritime Province, New England States, then across to the British Isles and Europe. It is expected to take five years to complete, its long journey, and thus it will continue to further cement the feeling of good fellowship throughout all the civilized countries of the whole world.

It is accompanied by a beautiful illuminated volume, containing the names and list of officers of every chapter through which it has passed. Whoever has the privilege of witnessing its return in Toronto, after this remarkable journey will view the grandest masonic pageant ever held in the Dominion of Canada.

HAD STONE REMOVED.

Complaint Was Made by the Street Railway Company.

For the past few days men have been engaged by the engineer's department placing broken stones on Princess street. The street railway company complained about the stone being placed between the rails and close to the rails, stating that as the ground was hard it would not get away, and that when the sweeper came along to clean off the snow there would be danger of the stones flying around, and possibly some windows would be broken.

As a result of the complaint of the street railway the chairman of the board of works today had the men remove the stones from between the rails and from within eighteen inches on each side of the rails. Complaint was made by some of the taxpayers, who stated that the city should not have to pay for the extra work in this way.

"Re-Form" Arch Support

The term Flat Foot is used not only to indicate an aggravated form of the disease, breaking down or depression of the arch of the foot, but also where there is a tendency to the arch weakening, which is correctly diagnosed as Flat Foot.

The person may have a high instep arch, and yet suffer seriously from the early stage of Flat Foot. The cause is that the foot muscles and the ligaments and tissue membranes become strained or weakened to a degree that unfit it for carrying the body's weight. The RE-FORM Arch Support of this time is recommended, as it is stretched sufficiently high to support the instep arch, until these ligaments and muscles become normal and active to perform their natural functions.

RE-FORM Arch Supports, also reform a depressed arch; or when the foot is in a more advanced stage of flat foot. It is correctly shaped after anatomical lines and the plate of German Silver, the side slots have drilled openings at their exterior plate end, which prevents breaking under strain and also gives the spring naturally required.

In addition to wearing a RE-FORM Arch, massage treatment is advisable as the muscles quickly respond and soon become normally healthful.
