omfort, happiness or the means of livelihood?

When you lie awake nights, worry over little things, get nervous and irritable, have indigestion and head aches, you may be sure the nervous system is becoming axhausted.

Time is not yours to delay. You must call a halt to the wasting process. Otherwise you will have a rude awakening some day, when prostrations, paralysis or locomotor ataxia lays you low. For such is the natural and inevitable result of neglected nervous diseases.

You can restore the nervous system by using Dr. A. W. Chase's Nerve Food. Being composed of Nature's most potent nerve restoratives, it cannot fail to benefit you. Every dose must of necessity bring you near to health, strength and vigor.

Two and a Half Hours on Operating Table

Specialist Could Not Remove Stone In The Bladder

GIN PILLS PASSED IT

JOLIETTE, P.Q.
"During August last, I went to Montreal to consult a specialist as I had been
suffering terribly with Stone in the
Bladder.

He decided to operate but said the stone was too large to remove and too hard to crush. I returned home and was recommended by a friend to try GIN PILLS.

They relieved the pain. I took two boxes and went back to the specialist. He said the stone was smaller but he could not remove it although he tried for two hours and a half. I returned home and continued to take GIN PILLS, and to my great surprise and joy. I and to my great surprise and joy, I passed the stone.

GIN PILLS are the best medicine in

the world and because they did me so much good, I will recommend them all the rest of my life'. 46 . ALBERT LESSARD.

soe a box-6 for \$2.50-at all dealers, and money back if they fail to give relief. Sample box free. National Drug and Chemical Co., Dept. B., Toronto.
