**THE SPORT REVIEW**

**WILL FRONTENAS HAVE A SENIOR TEAM.**

City Hockey League Schedule Will be Drawn This Evening—Queen's Continue at Work—General Sporting Notes.

It is not yet known whether there will be a senior Frontenas hockey team for next season. The matter will probably not be decided for another fortnight. If some prospective seniors decide not to play any more, it would be of very little use going ahead forming a team that would be a second-rate team. The measure of senior O. H. A. hockey is high. St. Michaels, of Toronto, last year's champions, and holders of the Allan Cup, are the "measure." The St. Miques of last season are intact, and it will be a pretty strong team that could hope to beat them.

**Queen's Continue at Work.**  
Queen's hockey team continues daily practice at the noon hour, and the players are rounding into shape. It is possible that the champions will visit New York during the holidays.

**Y.L.C.B.A. Hockey Club.**  
The Y.L.C.B.A. hockey team is getting into shape, and expects to have a practice some night next week. The club promises to turn out some fast players.

**To the Electors of the City of Kingston.**

**LADIES AND GENTLEMEN—**

Yielding to the request of a large and influential number of citizens, I have decided to offer myself as a Candidate for Mayor for 1911. My record, both as an alderman and a business man, is well known to every citizen of Kingston. If elected, I shall endeavour to discharge the duties of this honorable position in a manner satisfactory to the city. As a progressive citizen, every movement making for the advancement of the city shall have my whole-hearted support. I respectfully solicit the vote and influence of every citizen who wishes to see Kingston prosper.

Yours sincerely,  
**JOHN MCKAY.**

**The Dipper Hockey Club.**

Lionel Crawford, better known as "Cal," secretary-treasurer of the newly formed Dippers' Hockey Club, has been very busy for the past few days and as a result of his labor he has arranged a number of games with other hockey teams. In all probability, Stanley Trotter, chief dipper, will manage the club. If he does, the boys can be assured that he will certainly bring the team through with flying colors, as he is an experienced man in this line.

**Marty Walsh to Play.**

A message from Ottawa to the Whig says: Marty Walsh, Kingston, will play centre for the Ottawa hockey team. The Citizen says, this morning, that he had heard the Ottawas did not intend to play him and went to Mr. Mulligan requesting release. Marty would have been welcomed by the Renfrew team, an offer having been made to him the day previous. However, the question of releasing Marty was never seriously entertained by the Ottawa club. Mr. Mulligan refusing point blank to grant his request and following that up with an offer to the celebrated Queen's graduate. Walsh returned in the afternoon and announced his willingness to sign.

**SNEAK THIEVES AGAIN.**

Two Places Entered, But Only Small Booty Secured.

Sneak thieves are at work again in the city. Last night two places of business were entered, and about five cents, all in copper, and about a dozen fountain pens, formed the booty secured. The money was taken out of the office at Swift's wharf, and the pens were purloined at the College Book Store, on Princess street.

A large pane of glass was cut out of the office window at Swift's, and in this way the thief was able to gain an entrance. After getting inside the office it was a very easy matter to pry open the cash drawer and take out the money. Luckily the company did not leave a large sum of money in the night prowler.

The pane of glass was taken out just as clear and nice as one would wish for and was left standing against the building. The work showed that much care had been taken and it is quite evident that the thief had his work well planned.

At the College Book Store entrance was secured by breaking off the hinge which held a Yale lock. When one of the clerks went to the store this morning the lock was found lying near the door. To-day an inspection was made of the stock and about a dozen or more fountain-pens were found to be missing.

Although there was money in the store the thief or thieves did not touch it. It appeared as if they wanted pens, and pens only, or took what they saw the saying goes, and was afraid to take the money. It is not likely that the money was passed unnoticed.

**Dimples Are Going Out!**

New York Telegram.

Annabelle Whitford makes the startling announcement that dimples are going out of date, and she really should be considered an authority on the subject, since she lately had a slight operation performed on her face which removed two of these generally termed "beauty spots."

"When dimples were solely a gift of nature," she says, "they were really attractive, and remark to be desired as a least of good hair; but what chemicals have done for the would-be blonde, beauty doctors have accomplished for the woman who craves a dimpled cheek, and now it is as hard to distinguish the genuine made-up from the real article as it is to tell the drug store brand from the real golden head."
