THE SPORT REVIEW

CITY-HOCKEY LEAGUE SCHEDULE ARRANGED.

The Dates Not Fixed, as the Executive Has to Decide on a Rink—The Juvenile League is not a Y.M.C.A. Affair.

A meeting of the city hockey league was held in the Y.M.C.A. building last evening. The newly elected president, Harvey Milne, was in the chair. The meeting was for the purpose of outlining the winter's sport and drawing up the schedule for the teams.

In another column will be found an announcement which should be of much interest to many young men and women as well as to many parents having sons and daughters about to embark upon the world of business.

It is admitted that no branch of business education offers such splendid opportunities as stenography, and the introduction of the thirty-day syllabic system has brought this art within the reach of hundreds who could never have considered it under the older methods which required an average of from six to ten months time, and under which methods perhaps upwards of fifty per cent. gave up discouraged.

All kinds from 25c up.
