

THE SPORT REVIEW

HOCKEY TEAMS ARE BUSY GETTING INTO SHAPE.

Deseronto Wants a Game With the Dippers—Williamsville Boasts of Some Good Players—R.C.H.A. Team Disbanded.

The Dipper Hockey Club is in receipt of a letter from the manager of a hockey team in Deseronto, asking it to try and make arrangements to play there some time next week. It would like to play Monday afternoon, but it is impossible to make arrangements as soon as that. The Deseronto bunch are fast and tricky, and the Dippers will have to go some to best them. The Deseronto club, last season, with the Pictou O.H.A. team, and beat them. Stanley Trotter has given them terms and is awaiting a reply.

Frontenac Practice.

Frontenac will practice at the covered rink, to-night, at 9.30 o'clock. It is an important practice and all players are requested to be out in uniform.

After R.C.H.A. Players.

The R.C.H.A. team, the sole remaining one of the K.A.H.A.s has disbanded, thus throwing this association to the ground. The players who were connected with it are eagerly being seized by other teams of the city.

Williamsville vs. Bath Road.

Arrangements are on foot to have a game with the Bath Road Beavers and Williamsville Hockey Club, for some day next week. Manager Saunders will have to get to work coaching the Williamsville boys early next week to be in shape for the game. The Beavers, winners of the Corbett trophy last season, will be as strong this year, with the exception of Blakey, and should make the Williamsville boys "hump" for all they get.

Williamsville Fast Ones.

The Ironsides and Williamsville hockey teams had a practice game, last evening, on the Stadium rink. With proper coaching there are some boys in Williamsville who would make stars in a couple of years. Somerville, who played second base with St. Luke's, last summer, is just as speedy a kid on the ice as he was on the diamond. He is only fifteen years old, and is a corner. He is a good stick-handler and a wicked shot. Blakey, who played with the Bath Road Beavers, is another one with earmarks for a corner. According to the new rules, he will not be allowed to play with the Beavers this year, and will likely be annexed by the Williamsville Club. "Mike" Thornton, who played with Cooke's, last year, is a whirlwind, and is probably just as tricky as any one on the junior Frontenacs. Frank Goddard, who is practising with the junior Frontenacs, was out with the Ironsides for a practice, and showed up well.

Barrie Field Hockey Club.

The Barrie field hockey team had a workout at the Palace rink, last night, and, under their new manager, Frank Birch, showed up well. They have some promising material.

Frontenacs vs. Montreals.

The big game is "cinched"—Montreal Amateur Athletic Association's champion junior team will be here, on Wednesday next to play the champion Frontenacs. The M.A.A.A. team won out in the junior Quebec championship last winter after an exciting season, while everybody knows the history of the plucky little Frontenacs, junior

ONLY DEATH ENDS HIS RENT PAYING

"I have paid rent all my life; I mean to quit when I die," declared a western man in a letter expressing his last wishes, which was opened after his death.

And in that letter he evinced his desire that his body be cremated, or if not, that it be buried in the "potter's field," where no rent is charged for lots in which rest the dead. His body was cremated.

That man paid rent to the last, when he might as well have been living in his own home.

Don't follow his example. Get a home as soon as you can. It is a step toward that higher prosperity to which we are all looking. Come in and talk it over.

See here! \$200 cash and small monthly payments you can secure a double modern brick house. The rent of one with your savings would soon pay for both. See.
