SURE SIGNS

of Kidney Trouble.

If your back is constantly aching and if you experience dull shooting pains, your kidneys are out of order. If your urine is thick and cloudy, or your passages frequent, scanty and painful, your kidneys and bladder are out of order. Neglect quickly brings on rheumatism, diabetes, lumbago, sciatica and etc.

Mrs. John Wagner of 110 Hollis St., Halifax, N.S., says: "Dull shooting pains would catch me across the small part of my back and extend into my shoulders and neck, often causing me to suffer with severe headaches and spells of dizziness. Spots would dazzle before my eyes and everything would turn black. I would fall to the floor and be unable to get up again without assistance. A friend told me of Booth's Kidney Pills and I began their use. The first box gave me relief, and I am now well and strong."

All druggists sell Booth's Kidney Pills, in a box, with a guarantee to relieve or your money back. They are the world's greatest specific for Kidney and bladder trouble. Postpaid from the proprietors, The R. T. Booth Co. Ltd., Fort Erie. Sold and guaranteed by Jas. B. McLeod, Druggist.
