INAUGURAL MEETING

OF THE CITY COUNCIL HELD THIS MORNING.

Mayor-Elect Graham and the Aldermen Made Their Declarations—The Standing Committees Appointed—General Business.

The city council of 1911 held its inaugural meeting this morning, and began the year's work. Mayor-elect Graham was installed in office by Police Magistrate Farrell and Retiring Mayor Couper. The aldermen made their declarations to the new mayor, and the business of the year was begun, after Mayor Graham had delivered his address. The most important matter was the appointment of standing committees, but the selection was made with the utmost unanimity. There was a good attendance of spectators. The aldermen, as has been the custom since Ex-Mayor Mowat took office, were seated around the horseshoe in alphabetical order, thus—Ald. R. G. Armstrong, S. Bailey, J. Carson, W. Clugston, D. Couper, R. F. Elliott, W. J. Fair, R. Fraser, D. A. Givens, R. Hanley, T. F. Harrison, F. J. Hoag, R. E. Kent, J. W. Litton, J. S. McCann, W. A. McCarthy, T. J. Rigney, A. E. Ross, A. Shaw, R. H. Toye.

The retiring mayor placed on Mayor-Elect Graham, the gold chain of office, and wished him all success throughout the year. Both the retiring mayor and the police magistrate shook hands with Mayor Graham, who then took the chair amid hearty applause from the horseshoe. Mayor Graham then gave his inaugural address, which appears on page 1, and on motion of Ald. Kent and Hoag, it was referred to the standing committees for their consideration. On motion of Ald. Elliott and Rigney, the following were appointed to strike the standing committees for the year—Ald. Carson, Ross, Hoag, Kent, Elliott and Rigney. The motion was adopted, and council adjourned for ten minutes. When the committee returned it recommended that the

standing committees be as follows, the first named on each to be chairman— Finance—Mayor Graham and Ald. Carson, Couper, Hoag, Elliott, Rigney, Kent. Board of Works—Ald. Rigney, Bailey, Carson, Clugston, Harrison, Fraser, Toye. Waterworks—Ald. Carson, Armstrong, Harrison, Litton, Ross, Shaw, Hanley. Fire and Light—Ald. Givens, Fraser, Fair, Hanley, Hoag, McCann, McCarthy. Light, Heat and Power—Ald. Elliott, Armstrong, Hanley, Harry, McCann, Rigney, Toye. City Property—Ald. Ross, Litton, Hoag, Givens, Couper, Clugston, Bailey. Parks—Ald. Kent, Shaw, McCarthy, Hanley, Fair, Bailey, Armstrong. Printing—Ald. Harty, Litton, McCarthy, Givens, Clugston. House of Industry—Mayor Graham and Ald. Couper, Harrison, Ross. Industries—Ald. McCann, Shaw, Fair. School of Mines—Ald. Carson and Givens. Board of Education—W. J. Renton, J. M. Farrell (to finish the term of Prof. Marshall), J. P. Hanley. Court of Revision—J. B. Laidlaw. Board of Health—A. Strachan, Henry Taylor. Ald. Toye had first declined to serve on the board of works, but after remarks by Ald. Rigney and Elliott, he consented to allow his name to stand. Both Ald. Elliott and Rigney said that Ald. Toye had been selected because of his long service and knowledge of civic affairs. They also stated that Ald. Toye had been offered the chairmanship of the board of works, but had declined. Ald. Toye remarked that it had been a custom to place

him on important committees because it was known that he did a good deal of the work. He was getting tired of this. However, he finally consented to act. On motion of Ald. Elliott and Rigney, the standing committees above named were adopted. Communications Read. These communications were read and referred to committees: J. Ross Robertson asking a contribution for Sick Children's hospital. Secretary of board of education, making application for the sum of \$40,000 for new public school building. City clerk, Toronto, asking support of city council of Kingston in petition to the Ontario government re purchase of Bell Telephone system as a provincial institution. Prime minister, asking to have delegate sent to the Canadian forestry convention, Jan. 28th and 29th, in Quebec. Secretary Trimble, of the Y.M.C.A., asking that the city arrange for its policemen and firemen to take gymnastic exercise at the Y.M.C.A. gymnasium. The city clerk gave the results of the vote on the by-law to extend Barrie street, 931 for and 624 against, and on the by-law to extend and improve the street lighting system 1,211 for and 402 against. By-laws were passed confirming the assessment of 1910; to appoint members of the board of education; of the school of mining, board of health and court of revision. The mayor appointed Thomas D. Minnes as his representative on the latter. On motion of Ald. Elliott and Fraser the following special committee on garbage was appointed: Ald. Toye (chairman), Hoag, Bailey, Harrison and Shaw. Ald. Toye said he had great pleasure in accepting the chairmanship of the above committee. The reason he did not want to go on the board of works was that he thought there was sufficient work for any man on the garbage committee. This motion was adopted on motion of Ald. Givens and Cargon: Whereas the total assessment for Kingston for 1910 was \$8,907,378, and whereas the total amount of exemptions from taxation was \$3,438,825; resolved that the city clerk be instructed to procure from the city assessor and submit to council at its next regular meeting a schedule showing the names of all persons or corporations owning property exempt from taxation, the assessment of such property and the amount of exemption from taxes in every case. The following was given by Ald. Givens as a notice of motion: Whereas the municipal elections are held at a time which is most inconvenient for all classes of citizens; resolved that in the opinion of the council it is advisable to hold these elections at some earlier date, say either in the last week of November or the first or second week in December; that a copy of this resolution be sent to Sir James P. Whitney, premier of Ontario, and that a copy be also sent to W. F. Nickle, M.P.P., with the request that this matter be brought to the attention of the Ontario legislature at its next session. On motion of Ald. McCann, the petition of the Ottawa, Smith's Falls and Kingston Electric Railway company, for a dominion charter was referred to the finance and industries committees for consideration. The council adjourned at twelve o'clock, its inaugural session being the shortest on record.

STOLE WHISKEY AND MONEY.
Beaure's Liquor Store Entered on Sunday Morning. Six bottles of whiskey and the sum of \$1.10, was taken from the store of Edwin Beaure, liquor dealer, Princess street, early on Sunday morning. Mr. Beaure has a dog on the premises, but the dog made no disturbance and it is believed that the store was entered by someone who was well acquainted with the place. Entrance was secured by the smashing of two panes of glass, 12 x 8, in the rear of the store. Once in the rear room there was no trouble in getting into the store, as Mr. Beaure left the door leading to the store open. This is a big bar which locks this door, but so happened that this night, the first time since he had been in the store, Mr. Beaure neglected to lock it. Thus the work of the thief or thieves was made very easy. The money was taken out of the till in the store.

JUNIOR LEADERS CORP.
Annual Meeting Held at the Y. M. C. A. The annual meeting of the Junior Leaders' corp. of the Y.M.C.A. took place Saturday evening. The boys sat down to a first-class banquet, after which the election of officers for the coming year took place. C. Eford was elected president; R. McBroom, vice-president, and R. McGillivray secretary-treasurer. H. Bowron was elected honorary president and E. F. Trimble hon. vice-president. The following men were appointed to the training squad: J. Evans, N. Knapp and K. Reid. B. Barnum was appointed convener of the social committee. Addressed the Ministers. The members of the Methodist Ministerial Association had the pleasure of a visit, at their regular meeting, on Monday morning, from Prof. Law, of Knox College, Toronto, who gave a fine address. He spoke of the Christian attitude toward evil, and took for his text that portion of the sermon on the Mount, which deals with the non-resistance of evil. The president, Rev. S. Selley, occupied the chair. The members feel greatly indebted to Prof. Law, for his address. Heavy Gale Sunday Evening. A heavy gale sprang up on Sunday evening just before seven o'clock, and pedestrians had sensational experiences on the streets while en route to church. Nuisances were unable to stand, and had to seek the shelter of doorways, poles and trees. Many umbrellas were blown inside out. The rain came down heavily all the while. It was the wildest night Kingston has experienced for many years. Every garment of Imperial underwear is guaranteed by the makers.

MADE STIRRING APPEAL
For Men to Live Honorably in Everything. Two excellent men's meetings were conducted at the Y.M.C.A. building yesterday. In the afternoon Capt. Turner and the band of the Salvation Army took charge and a large number were on hand to listen to the message. Captain Turner made a very stirring appeal to the men to live honorably in everything and the earnestness of his message went home to every man present. The band very kindly rendered several choice selections, which were much appreciated. The men were favored with a beautiful male quartette in their usual good style. The Y.M.C.A. intend making this a weekly meeting. Next Sunday the men will be addressed by some prominent laymen. In the evening another of these ever popular song services was held at 8-30. There was a large turnout, in view of the miserable weather outside. Robert Mead took charge of the service and made the meeting very interesting by little incidents cited of the different hymns sung. The men were treated to several pleasing solos by W. E. Manhard, George Pounder and Mr. Treener, as well as a splendid piano selection by H. Treener, organist of Brock street church.

Neal, of Sydenham Street Methodist church.

DUTY OF THE PEOPLE

To Hear the Message of Christ's Ambassadors.

During his discourse in Chalmers church, on Sunday morning, Rev. Dr. Ryckman struck a note that impressed the congregation very much. He remarked that he was not occupying the pulpit simply to accommodate a brother minister, but he was taking his brother minister's place in delivering a message from his Master. Dr. Ryckman pointed out that it was too often forgotten that the man who preaches is an ambassador of Christ, delivering the message of Christ, and it is the duty of the people to receive that message, for they, as well as the preacher, will have to give account to God for their actions. It is the duty of the preacher, Dr. Ryckman said, to deliver the message as it is contained in God's Book. People will criticize a preacher because of his peculiarities, or because of his looks, or his delivery, forgetting that he is Christ's ambassador and speaking the Word from the Master. Dr. Ryckman emphasized the necessity of people who profess to be Christians doing what God required them to do. The trouble was that professing Christians did not obey. Each immediately did what he was commanded to do. He straightway went. The reason why people fell away from right living was that they did not start right. They wanted to do as they pleased, instead of yielding themselves up and doing what God required them to do.

SENT TO REFORMATORY.

Youth Sentenced in Juvenile Court—Other Gets Suspended Sentence.

The two lads, gathered in by the police, one for forgery and the other for theft, appeared in the police court, on Monday morning. One was sent to the reformatory at Mimico, for an indefinite period, and the other was allowed to go on suspended sentence. The lad who was sent to the reformatory, had been in police court before, and has given the police a great deal of trouble, and it is felt that a term in the school will do him good. Suspended sentence was passed upon the lad who forged the cheque, but it was his first time in trouble, and the magistrate was good enough to give him a chance to turn over a new leaf.
