Try This Home-Made Cough Remedy Costs Little, But Does the Work Quickly, or Money Refunded.

Mix two cups of granulated sugar with one cup of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents) worth in a 16 oz. bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours. You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep-seated cough inside of 24 hours. Splendid, too, for whooping cough, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough. This recipe makes more and better cough syrup than you could buy ready-made for \$2.50. It keeps perfectly and tastes pleasant. Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in galuic acid and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula. This plan of making cough syrup with Pinex and Sugar Syrup (or strained honey) has proven so popular throughout the United States and Canada, that it is often imitated. But the old, successful formula has never been equalled. A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Toronto, Ont.

Gardner; Robert Meek, Kingston, supreme grand patriarch of the Grand Encampment of Ontario, was also present.

Mr. Carter, of Thousand Island Park, had a new idea in the line of ice boats here for inspection on Sunday. It consisted of an ice boat runner, steered ahead, on the rear being a gasoline engine operating a fan which drove the craft at a speed of about thirty miles an hour.

Work was started, yesterday, in the main channel, near the government buoy, for the harvesting of the ice crop. The ice in quality is well up to the standard and of about twelve-inch thickness.

NEW CHURCH OPENED THE VERONA METHODISTS HAVE A NEW EDIFICE.

Half of the Debt Upon it Was Subscribed at the Concert on Monday Evening—Speeches Made at the Event—A Fine Programme.

The formal opening of the newly-built Methodist church at Verona, which has arisen from the ashes of the one which was burned last May took place. The present commodious and comfortable structure, which has just been finished was built at a cost of \$4,000. At the time of opening the only debt which remained was \$1,500. During the course of the entertainment on Monday evening, over half that amount was given and subscribed by friends far and near. The church was packed to the doors, every inch of standing room being taken. A large number of people went from the city by a special train, which left the city at 5:30 o'clock, arriving at Verona about 8 o'clock. Quite a number were taken on at Harrowsmith and Hartington, so that by the time the train reached its destination the coaches were filled to capacity.

T. F. Harrison, of Kingston, occupied the chair in an able manner. In his opening remarks he said that he considered it a great honor to have the privilege of presiding on an occasion of the kind. He complimented the people of Verona, on the way they had carried things through, commencing with the charred remains and building the present handsome structure.

Elmer Davis, of Kingston, said he had no doubt that the burning of the old church had been a great object lesson for the people of the community, inasmuch as they had been called upon, to rise to greater things, to be equal to any emergency which might confront them.

Rev. Dr. Ryekman, of Kingston urged the people to clear of the remaining debt as soon as possible.

Rev. J. A. Waddell, of Harrowsmith said he was the bearer of best wishes and heartiest congratulations from the people of his parish, and said he sympathized deeply with the Verona people in their loss, but was glad to see that they were not daunted by the fact that they had lost their church, but before the ashes were hardly cold, they began discussing plans for the building of a larger and better one.

Rev. J. Tallman Pitcher, of Gananoque, chairman of the Kingston Methodist district, made a passionate appeal to those present for funds, which was nobly responded to by those present.

Rev. B. Pierce, who has been in charge for some time and Rev. Mr. Stafford, the present pastor also spoke a few words to the people, reviewing the work and thanking the people for their support.

The programme was varied and well rendered, and was mostly furnished by Kingston talent. Misses Jessie Reid and Edith Orser delighted the audience with several solos, which received accolades. Miss Bureau scored several successes with her songs and recitations, which were applauded vigorously. The opening selection was given by the choir. Master Harley Arthur Sears gave an instrumental solo, which was appreciated very much. Mr. Stafford, the pastor, sang a solo in good voice. John Plewes, of Kingston was called upon to contribute to the enjoyment of the evening, and very ably responded. His power as an entertainer was well known and he succeeded in amusing the people to a very high degree. He also added a few spicy remarks which were very appropriate.

After the concert refreshments were served in a neighboring house, and about 12:30 o'clock, the special K. & P. left for Kingston, arriving here about 1:30 a.m.

GRAND OPERA HOUSE An English Opinion of an American Comedy.

The London Standard says: "The Rejuvenation of Aunt Mary" was certainly a surprise, pathetic and dramatic incident, follow unfolding the story, while May Robson as the New England spinster, dominates and holds the humor; occasionally little bits of pathos creep in here and there as a relief from excessive laughter. Per-

MISS MAY ROBSON.

haps the picture of an eccentric old woman enjoying for the first time a sumptuous dinner in a first-class hotel is funny, but the mistakes are pathetic and Miss Robson develops and holds interest as the play progresses. At Terry's theatre last night there was almost a continuous ripple of laughter and yet at the moment "Aunt Mary" became serious, she compelled absolute silence. Miss Robson is certainly a clever woman and her sense of comedy is enormous and being supported by a clever company of English actors, all London should see this very funny play under the fur producing, My Robson." This attraction comes to the Grand, on Thursday, Jan. 19th.

ULCERS AND SORES Cannot Resist Zam-Buk's Healing Power.

An illustration of the way in which Zam-Buk cures even the most serious and chronic cases of ulcers, eruptions and sores is provided by Mr. R. H. Barker, of Glencairn, Ont. He says: "I would not have believed that any remedy could cure so quickly, and at the same time so effectively, as Zam-Buk cured me."

"My face began to be covered with a kind of rash, which itched and irritated. This rash then turned to sores, which discharged freely and began to spread. I first tried one ointment and then another, but nothing seemed to do me any good, and the eruption got worse and worse, until my face was almost covered with running sores.

"Apart from the pain (which was very bad), my face was such a terrible sight that I was not fit to go out. This was my state when some one advised me to try Zam-Buk. I got a supply, and, marvellous as it may sound, within little under a bronch, every sore on my face was healed. I was so amazed that I have told the facts to several persons, and I have no objection to your stating my experience for the benefit of other sufferers."

Zam-Buk is purely herbal in composition, and is the ideal balm for babies and young children, for whose tender skin coarse ointments are so dangerous. Zam-Buk is a sure cure for cold sores, chapped hands, frost bites, blood-poison, varicose sores, piles, scalp sores, ringworm, influenza patches, babies' eruptions and chapped places, cuts, burns, bruises and skin injuries generally. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, upon receipt of price.

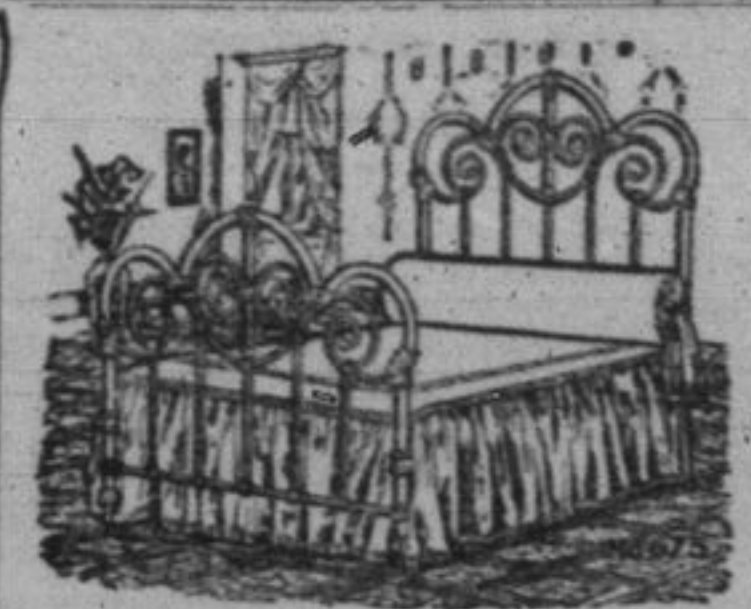

A STRANGE MEETING. A Clerk and a Manager Stand Together.

Brockville, Jan. 17.—The Times says that W. R. Travers, of the Farmers' bank, stood, a few weeks ago, in the Brockville police court, pressing charges against a young man who had been in charge of a branch near here, with the result that his subordinate officer was sent to the penitentiary for three years. Fate has been ironical in the swiftness with which it has dealt out retribution to the older man. What a meeting there will be between the two at Kingston!
