LIEUT.-COL. HEMMING TO STAY.

Not to Go to Montreal—Occupies Higher Position Here.

Our Ottawa special to the Whig says:

"Is Lieut.-Col. Hemming, of Kingston, to be appointed C.S.O. at Montreal?" asked a press representative, to-day, of the adjutant-general.

"No," he replied. "Col. Hemming now occupies a higher position than that, and I am sure there is no intention of reducing him."

The above news will be heard here with pleasure, for Kingston does not wish to lose Col. Hemming, who is decidedly popular both in military and civil circles.

ON CHURCH UNION.

Presbytery Will Meet on Thursday Afternoon.

The Kingston presbytery has been called to meet in Chalmers church, on Thursday afternoon, at two o'clock. The question of church union, which at the last session was laid over until the March meeting, has been set down for discussion and as it has been held that the presbytery cannot legally take up the question, there promises to be an interesting time.

Jolly Driving Party.

On Tuesday evening, a number of young people held a jolly driving party around the city, for a couple of hours. Although the weather was quite sharp it was a most enjoyable drive. After the party drove to the home of Miss V. Sleeman, Frontenac street, where they were very pleasantly entertained. There were dancing and games, and refreshments were served. At a seasonable hour the very pleasant affair was brought to a close after "Auld Lang Syne" and "God Save the King" had been sung, and kind words of thanks paid the genial hostess.

All roads lead to Wolfe Island these days. Pressed hay is being brought over for shipment to the west in large quantities. The dealer said that the road to the island was never better, and that it would take about three weeks to get the hay over and loaded.

After dinner carousals were indulged in, interspersed with a little music, and about 1.30 the happy gathering broke up.

Williams will be utility man this evening, but will guard the nets at the game in Picton, Friday evening.

"Buy after-sinner milks" at Gibson's.

The probable line-up of the Belleville team will be: Goal, Wardrop; point, Marshall; cover, Tuite; centre, Wallace; rover, E. Moore, right wing, Connolly; left wing, A. Moore.

George Vanhorne will referee the game.

The Belleville Intelligencer says that this group looks like an easy win for the Kingston boys.

Portsmouth Beat Wolfe Island.

The Wolfe Island hockey team was no match for the speedy Portsmouth boys in their scheduled game last evening. Most people thought that the island would be able to put out as good a hockey team as a baseball team, but although there are practically the same players they are not as good on the ice as they are on the diamond. They put up a good game, however, but the boys from Hatter's Bay had it all over them. The game, which was refereed by "Mel" Lemmon, was very clean and at times was fast.

Portsmouth—Goal, Doyle; point, Williams; cover, Davidson; rover, Gratton; centre, Davidson; wings, Kennedy and Dennison.

W.I.S.C.—Goal, Card; point, Cosgrove; cover, Davis; rover, R. Cumming; centre, W. Cummings; left wing, R. Davies; right wing, Crawford.

Local Curlers at Belleville.

Two teams from the local curling club played Napanee in the Ontario tankard series, at Belleville, yesterday, and were defeated by the close margin of three shots. The ice was in poor condition, compared with the ice at the local rink, and as a result the game they would have had under other circumstances.

Skip S. W. Hyde defeated Skip Leonard by 20 to 11. Skip Ham, of Napanee, defeated Skip Slater, of Kingston, by a score of 20 to 8.

This left Napanee in the running with Belleville and Belleville won in this series by 9 points. This will now leave Belleville in the finals with Toronto.

The local teams were:

J. M. Farrell, A. McNaughton, S. R. Bailey, Prof. S. W. Hyde, skip.

H. Angrove, J. Hooper, W. H. Montgomery, Thomas Slater, skip.

They Are Down and Out.
