IN CURLING MATCHES HERE ON THURSDAY.

Kingston Won Out in Both Senior and Junior Series in Central Ontario League—Senior Game Very Exciting—Napanee Here on Monday.

There is some class, all right, to the Kingston curlers. Yesterday four teams came up from Belleville to play in the Central Ontario League series, two junior and two senior teams, and the Kingston men succeeded in winning out in all the matches. They have won all the games in these series played so far this season.

In the senior games the local curlers won by two points and in the junior series the locals had a majority of 23 points.

That a great deal of interest is being taken in the curling games in Kingston was shown during the games last night when the rink was crowded with interested spectators during all the evening. The games were not finished until midnight, but at that hour the attendance was very large. The ladies were out in large numbers, and manifested a great deal of interest in the games.

In the senior game it was very exciting and not until the last stone had been sent across the ice was the final result known. Interest was at fever heat. To "Eddie" Lyons, one of the veterans at the game, is given the credit of winning out for the Kingston knights of the broom. Just when it was needed "Eddie" raised a stone and won out, making a play that made everybody sit and take notice. It was certainly a grand play.

After the games the visitors were royally entertained by the local players and everybody had a good time. Belleville put up a gallant fight and are deserving of much credit.

On Monday Napanee will send four teams to Kingston when games in the Central Ontario League series will be continued.

On Tuesday, the district cup matches will be commenced at the local rink, and this will be just like a bonspiel. It will continue for two days, and a most interesting time is being looked forward to. The teams and scores:

Kingston seniors (No. 1)—C. F. Jackson, A. McNaughton, S. R. Bailey, E. Lyons, skip—14.

Belleville seniors (No. 1)—W. Dolan, A. P. Allen, S. W. Vermilyea, F. Dolan, skip—13.

Kingston seniors (No. 2)—P. D. Lyman, A. W. McLean, J. M. Elliott, L. W. Gill, skip—15.

Belleville seniors (No. 2)—J. S. Cook, T. F. Ketcheson, Stuart Robertson, D. Her, skip—14.

Kingston juniors (No. 1)—A. Turcott, G. Gillespie, G. Chown, W. P. Spaulding, skip—19.

Belleville juniors (No. 1)—Dr. Day, C. J. White, Dr. Clark, C. J. Symons, skip—8.

Kingston juniors (No. 2)—A. B. Williams, G. E. Searle, W. J. Driver, R. D. Sutherland, skip—22.

Belleville juniors (No. 2)—W. D. Riggs, N. L. Turner, J. McEwen, H. Hampton, skip—10.

**It Was the Thistles Who Won.**

The item in yesterday's paper concerning the playing off of the protested game between Tecumseh and Thistles was incorrect, inasmuch as it stated that the former won by the score of 2 to 1, when it was the Thistles who came out ahead.

**Trophy for Basketball.**

The Sunday School Basketball League has been very fortunate in securing a handsome silver trophy for competition. Much interest has been displayed in the different games that have been played but not that there is something definite in view for the winners. Each team enters into the sport with great vim. H. W. Newman, of the Newman Electric company, is the man who has kindly come forward and given the trophy. The news will be welcomed by the eight Sunday schools now arrayed in battle attire.

**Ladies' Curling Matches.**

The curling matches among the ladies, at the curling rink, are attracting much attention. The ladies play every morning, that is if the weather is favorable, and some fine contests have resulted.

In the matches played on Friday morning Mrs. Hughes won from Mrs. R. J. Hooper by a score of 14 to 6. Miss Beatrice Birch won from Miss Smythe by a score of 17 to 11. The teams:

Mrs. W. A. Mitchell, Miss Jean Craig, Miss Mammie Garrett, Miss B. Birch, skip—17.

Miss Mabel Richardson, Mrs. R. S. Waldron, Miss Leta Carson, Miss Smythe, skip—11.

Miss Agnes Richardson, Mrs. W. R.

**19 Days—Not Weeks or Months.**

On June 8th, 1910, Maxwell Appelle enrolled with us. On July 12th, 1910, after only nineteen days' attendance, we placed Mr. Appelle in a splendid position as stenographer in the office of Mr. Powers, resident civil engineer of the G.T.R., offices room 401 Union Station. We have since had no less than fourteen calls from different officials in the Union Station building for our stenographers. In thirty-day stenography a dream? Is it a poor, cheap substitute as some may tell you? If we cannot prove the above to be absolutely true we pay you \$500 in cash. Moon College, 282-286 Yonge street Toronto. (Mr. Appelle knew nothing of stenography when he enrolled with us.)
