LADIES MUSIC NIGHT

A FINE PROGRAMME GIVEN IN CONVOCATION HALL.

The Third of the Ladies' Musical Club Series—The Large Audience Enjoyed the Numbers Very Much.

The third recital for this season of the Ladies' Musical Club was held last evening in Convocation Hall and the programme was throughout a brilliant success. Two piano solos, "A Reverie" (Schubert) and "Etude op. 10, No. 5" (Chopin), were given by Miss Phyllis Knight as the opening numbers, and were much enjoyed by the large audience.

A vocal quartette, composed of Misses Reid, Waldron, Craig and Elder, followed with two numbers by A. B. Hawley, "Oh! 'Tis a Dream" and "She Was But Seven." In this quartette the parts were well balanced and the shading was perfect. A violin solo, "Reverie, op. 22" (Henri Vieuxtemps) by Miss Drake, was given with great expression, and was heartily encored. Mrs. Arthur Craig sang with much beauty of voice and smoothness of phrasing three little songs, "The Rose Tree," "Just June" and "Rococo," composed by her brother, Geoffrey O'Hara, New York. A young pianist of fine accomplishment and promise is Miss Rosalind MacLachlan, who gave "Love's Dream" (Liszt) and Mendelssohn's "Spinning Song." In response to an encore she gave "Waterlily" (Macdowell).

Three part songs, "Lullaby," by Jakobson, and "Ave Maria," by Mendelssohn, were given by the Misses Reid, Waldron and Craig with much sweetness of tone, whether in passages of tender expression or in those characterized by power and brilliancy of effect. Miss Drake was again heard to good advantage in "Cavatina" (Joachim Raff) and she responded to an encore by playing with much brilliancy "Kniwiak" (Wieniawski).

Mrs. Craig then gave three charming songs by Chaminade and her sweet soprano voice of harmonious tone quality interpreted this composer with excellent effect. Mrs. Craig graciously responded to a vociferous encore.

The closing numbers were three instrumental duets by the Misses Wright and Shaw, "Nocturne," "The Dance of the Elves" and "Wedding March" (Mendelssohn) played in a most perfect manner. Miss Shaw, as accompanist, was, as usual, most sympathetic and artistic in her work.

Orpheum's Excellent Bill.

The bill at the Orpheum theatre for the remainder of the week is one that is sure to please everyone. Both acts are excellent. Owing to the success which they scored during the first part of the week, the management decided to hold over the "Buster Duo." They presented an entirely different act from the first part of the week. The sketch is very laughable and elicited much applause from the large audience last night. Their act deals with the domestic troubles of a young married couple and how the girl worked the double game as well as the man. Nebur and Cacum presented their high class dramatic and musical sketch entitled "His Last Dollar," and introduced some good singing, including snatches from Grand Opera. Arthur Lynn sang "The Star of Love." The people continue to throng Griffin's popular Orpheum.

Epworth League Drive.

The young people of the Epworth League of Princess street Methodist church held their annual drive Wednesday evening. The party left the city at 7.30 o'clock in two vans for the home of Mr. and Mrs. James Barnes, Dufferin. The roads were good and the night perfect, consequently the drive was enjoyed very much. Upon their arrival, they were received with open arms by the host and hostess, and a merry time was spent with games and music until about twelve o'clock when dainty refreshments were served by the young ladies. About one o'clock the gathering broke up and the young people reached home about 2.30 a.m.

One of the Examiners.

Dr. J. G. Evans has been elected to the examining board of the Ontario Optometrical Association just formed in Toronto, which hoped to secure provincial powers to license members. Dr. Evans is also on the directorate.

Only One "Bromo Quinine."

That is Laxative Bromo Quinine. Look for the signature of E. W. Grove. Used the world over to Cure a Cold in One Day. 25c.

LETTERS TO THE EDITOR.

Suggestion to Divide Frontenac for County Purposes.

Kingston Station, Jan. 19.—(To the Editor: I notice in your issue of yesterday an article referring to the representation of the township at the county council board and the likelihood of a deputation waiting on the Ontario government to have matters fairly adjusted. Would it not be better for all parties concerned to ask the government to divide the county for municipal purposes. In road improvements, school purposes, and many other matters, the interests of the front and rear of the county are not identical. Besides, the distance that some of the reeves have to travel to attend committee meetings, especially when they are on improvement committees, adds greatly to our municipal expenses. Also loss of time and inconvenience is caused by the most living fifty miles from the court house. I would like to hear the views of other ratepayers, both front and rear, on this important matter.—R. H. FAIR.

FOR THE POULTRY SHOW.

Between Four and Five Hundred Entries Now.

There are already between four and five hundred entries for the show to be held in Ontario hall, next week, by the Kingston Poultry and Pet Stock Association.

This announcement was made at the meeting of the association, held last night, when reports were received from the committees. This goes to show that the display will be the largest ever put on by the association. The exhibition will open on Tuesday, and will be continued on Wednesday and Thursday.

A Word of Warning!

You've seen the imitation fires on the theatre stage, made of red paper and an electric light bulb? What good would they be to warm your house?

Take a lesson for the hour of sickness. Imitations of Zam-Buk and substitutes may give the dealer a little more profit, but they won't cure your skin disease, or stop the pain of your burn, or ease the agony of piles, or cure the rash on your baby. Don't be misled by the plausible "This preparation is just as good as Zam-Buk and cheaper." It isn't just as good. Get the real Zam-Buk. See the legally protected name on the packet.

Dance at Sunbury.

James McGarvey and Thomas O'Brien were hosts at a delightful dance given in the village hall at Sunbury, Wednesday evening. There were about sixty-five couples on the floor, who thoroughly enjoyed the choice programme of excellent music furnished by McAuley's orchestra of the city. Refreshments were served about midnight in the hotel, after which dancing was resumed.

Harvesting Ice at the Cape.

The New York Central ice harvest for the annual supply of ice on the St. Lawrence division, commenced Wednesday at Cape Vincent. About 3,000 tons will be distributed and about 6,000 tons more will be held in reserve at Cape Vincent. It is probable that as usual after the division's supply has been harvested, ice will be cut for a portion of the Ontario and Western divisions.

Campbell Bros' Clearing Fur Sale.

Every manufactured fur article in the store, including ladies' fur-lined coats, fur coats, men's fur coats, ladies' fur neck pieces, muffs, sleigh robes, etc., all being sold at startling reductions. Campbell Bros' big clearing fur sale.

Masons Satisfied With Wages.

Recently, the statement was made that next May there would be a danger of a general strike among all the labor trades in Kingston. Members of the masons' union say that they have no intention of striking. They are satisfied with the present standard of wages.

Clark's Pork and Beans.

This is Canada's leading brand; sold everywhere, in tins of several sizes. Three kinds: plain, or with chili or tomato sauce. Invaluable as a regular or emergency dish. Wm. Clark, Mfr., Montreal.

The partly burned steamer Ottawa still lies at the depot wharf at Cape Vincent. It is now the property of a marine insurance company. In the spring her machinery will be taken out. It is not expected that the craft will be rebuilt.

THE SPORT REVIEW

FRONTENACS PLAY IN PICTON THIS EVENING.

Picton is the Frontenacs' Hoodoo Town—Toronto Star Says Frontenacs are the Goal-a-minute Team.

The junior Frontenacs left, this morning, for Picton, to play their first game with the O.H.A. team there. The boys would not express themselves one way or another as to what the result of the game would be. They have regarded Picton as a "hoodoo" town ever since Picton beat them, last winter, there. On the return game here Picton was beaten 11 to 3. The lineup will be the same as in Wednesday's game, with the exception of Marchand, who will be replaced by Williams, in goal.

To Play on Palace Rink.

The Bath Road Beavers and Glenburnie will play their scheduled game in the township hockey league at the Palace rink to-morrow night, instead of at Glenburnie as had been intended. The reason for the change in plans is the fact that the ice at Glenburnie is in bad condition.

Rooters' Club to Root.

The Rooters' Club have made arrangements whereby they will have the covered rink gallery, where the band plays, for the remainder of the season. They will have a practice with the band next Monday evening at the rink. The music for the different parades has been written by the bandmaster and the boys promise to make the rink ring with their music at the Picton game to be pulled off here.

Both Granite Teams Won.

The senior games in the evening were watched by a large crowd, owing to the fact that the weather was very mild. The ice was in good condition and the brand of hockey which was pulled off was a good variety. The first game between Barriefield and Granites juniors resulted in a victory for the Granites by one point, the final score being 4 to 3. Things looked good at the end of the first half for the Barriefield boys, the score being 2 to 4 in their favor, but in the

last half they broke down and the other fellows rallied somewhat with the result that they figured quite extensively on the scoring line.

Granites—Goal, Cooke; point, Schultz; cover, Pound; rover, Partell; centre, Muekler; wings, Robinson and Rae. Barriefield—Goal, King; point, S. Esford; cover, Campbell; rover, Murray; centre, Stanton; wings, W. Esford and Tisdale.

The senior game was the other attraction and was closely contested. Regiopolis and Granites battled right royally for the first place, and the Granites got it by the lead of two goals the final score being 6 to 4. Half time score was 3 to 2 in favor of the winners. Allan Davidson, of Portsmouth relieved both evening games.

Regiopolis—Goal, Walsh; point, Casler; cover, R. Yellow; rover, Little; centre, Freeman; wings, Ryan and Joyce. Granites—Goal, Richards; point, Mullen; cover, Dunlop; centre, Hughes; rover, Ainslie; wings, Weicher and Pound.

Portsmouth's Victory.

Portsmouth walloped the heads of the Kingston Business College bunch at the Palace rink Thursday afternoon in the junior city hockey league series, winning by 5 to 0. It was thought that after the beating the Portsmouth team got at the Palace rink, Tuesday, at the hands of the K.C.I., they would be an easy mark for the Business College boys, but it was not so. They were shut out without a goal. "Billy" Campbell of Barriefield refereed.

Portsmouth—Goal, M. Kennedy; point, McCammon; cover, McHaire; centre, Davidson; rover, Forsythe; wings, Thornton and Kennedy. Business College—Goal, Dunn; point, Hoffman; cover, Staley; centre, Asseltine; rover, Davis; wings, Bradshaw and Turcotte.

Sporting Notes.

Toronto Star: The Kingston Frontenacs evidently desire to be known as the "goal-a-minute" team. It took Montreal Wanderers all they could do to defeat the Canadians, by five goals to four. Those French hockeyists are good ones. The Junior Frontenacs broke the covered rink record at their game with Belleville, Wednesday night, for the highest score. The previous high-

**Are You Pale
Anaemic**

Anaemia means colorless blood — means languor, blanched lips, faded cheeks. You grow dyspeptic and nervous. This condition cannot exist if there is plenty of healthy blood. Prouse's Compound Iron Pills makes rich, nutritious blood and strengthens weak nerves—that's why it cures. In concentrated form Prouse's Compound Iron Pills contain rare qualities that render them unrivaled in anaemia, languor, poor color and loss of weight.

Best score was twenty-two goals. The Frontenacs scored twenty-four.

CAPTURED A PRIZE.

Baby Harrick Won Gold Watch at Portsmouth. All this week, a medicine company has been the attraction in the town hall at Portsmouth, and the hall has been crowded every night. Two men have been putting on a programme and selling the medicine. Last night the performances were brought to a close, with a contest for the most popular baby, and Freddie Harrick's baby carried off the prize, securing the largest number of votes.

Another contest was on the programme, that of a prize for the most popular young lady in the village, but as all the ladies in Hatter's Bay are popular, the event had to be called off. The Portsmouth philosopher was to have acted as judge in this, but owing to the circumstances, he was not required to give his decision.

When you want to lose a friend ask his advice occasionally and then pointedly ignore it.
