HALLS OF QUEEN'S

A BOXING INSTRUCTOR IS TO BE ENGAGED.

The Intercollegiate Tournament Takes Place in Montreal Next Month—Edwin Elliott is a Whirlwind Scrapper.

By Our Queen's Correspondent. The boxing and wrestling club has decided to procure the services of a first-class boxing instructor, and soon the Queen's men will be working in earnest for the tournament to be held in Montreal next month.

The four-for-a-dollar tickets are good for the game with Parkdale at the covered rink Saturday night. This game will be one of the best exhibitions offered in Kingston this season.

Edward Elliott continues to indulge in his playful little workouts at the Queen's gymnasium. He is fast developing into a heavyweight boxer of no mean merit. Recently a modern Goliath endeavored to offer him a little exercise and as a result today he is wearing a profusely ornamented optic.

Smith; recording secretary, R. J. Kingham; financial secretary, Norton Tolhurst; treasurer, Charles Phillips; chaplain, W. Marshall; director of ceremonies, G. English; conductor, Mrs. T. Y.M.C.A. Auxiliary. The first meeting of the Y. M. C. A. auxiliary for the New Year, 1911, was fairly well attended, on Friday afternoon, the president, Mrs. O. Thorne, occupying the chair. After singing an appropriate reading by members, three of the ladies made short prayers and Mrs. (Rev.) Sproule read a short interesting paper dealing with New Year resolutions. She said the nineteenth century motto had been to make "other people" good, but the twentieth century requires us to be good "ourselves." The treasurer reported having paid out \$15.29 since November, leaving a balance on hand of \$161.14. The meeting then proceeded to make arrangements for several important banquets and teas to be given during the next few weeks.

Will be Celebrated. It is now just about three hundred years, since the revised version of the Bible was printed, and an effort is being made to have this event fittingly celebrated. The preachers in the city are arranging to give a special sermon on the event. The annual meeting of the Bible Society will be held in Chalmers church on Friday, February 10th, when Rev. Mr. Cooper, the general agent for the society in Canada, will give an address.

Mass Meeting for Boys. The Y.M.C.A. has been fortunate in securing the general secretary of the Laymen's Missionary Movement, H. K. Caskey, to speak to older boys on Sunday at 4.15 p.m. Mr. Caskey is to be here in connection with the Laymen's meeting on Tuesday, which will be held at the Y.M.C.A., and is stopping in the city over Sunday. OGLIVIE CO.'S DEMONSTRATION

Event Friday Night Was Great Success.

The Ogilvie Co.'s demonstration at the Bijou theatre, last night, was most successful. It was well attended, and proved profitable to the ladies. Owing to the company's short stay in the city, it will be impossible for Miss Ledy to canvass all the city, and last night she announced that she would be pleased to call at any address which might be left at the British-American hotel, or at the Bijou theatre, Mr. Bissell, who is looking after the demonstration, has also in mind the welfare of the farmers, and is making arrangements for a demonstration for them, some day next week. This will be announced later in the Whig. A special evening is also to be arranged for business men and clerks.

H. K. CASKEY, General secretary of the laymen's missionary meeting, who speaks at meeting in Y.M.C.A. Sunday afternoon.

DOBSON WILL PLAY

With Queen's Hockey Team in All Scheduled Matches.

Dobson will be with Queen's hockey team in its game with McGill in Montreal next Friday evening, and the Presbyterians are hopeful of defeating the McGill seven, in view of the beating Varsity gave the easterners on Toronto ice on Friday evening. If Queen's can defeat Varsity in Toronto, they will have the intercollegiate championship cinched, and with Dobson, who will play all the scheduled senior matches, the Presbyterians should be able to do the trick.

Curling Last Night.

In the curling matches in the local series, Friday night, Skip Slater defeated Skip Spaulding thirteen to eleven; Skip McLe defeated Skip Slater eleven to eight; Skip Birkett defeated Skip McKevely sixteen to nine; Skip McDonald defeated Skip Wallace twenty to nine.

Juvenile Hockey Results.

In the juvenile hockey series Saturday morning the results were: Regiopolis defaulted to the Y.M.C.A. and K.C.I. and Tecumehs played a tie after thirty minutes overtime. Arthur Doyle refereed.

Dunphy With Irishmen.

Dunphy, the R.C.H.A. man who distinguished himself by playing with Y.C.B.A., and R.C.H.A., senior teams, in the city hockey league, will play with Y.I.C.B.A. for the remainder of the season. President Mills had as his authority for his decision the rule book which distinctly says that no player shall play with two senior teams in the same league. The Irishmen are much pleased over the result as they are sure of him now for the rest of the season.

To Play With Brockville.

This is what the Toronto World says about Reginald Crawford, the local all-around athlete who was transferred from the branch of the Northern Crown Bank here to Brockville: "In the removal from Kingston to Brockville of Reginald Crawford, a bank clerk, the island city has secured an all-round athlete. He was a star of the 14th hockey team and is a good football and baseball player. Crawford will likely finish the season with Brockville Invincibles."

Married at Tweed.

Tweed News. On Wednesday evening, January 11th, a pretty wedding was solemnized at the home of Albert Countryman, when his eldest daughter, Annie, was married to Alfred A. Routley, formerly of Kingston, by Rev. Mr. Terrell. The bride was given away by her father and wore an empire gown of pearl grey liberty satin and carried a bouquet of white roses. Little Jean Countryman was flower girl. The couple were married under an arch of evergreen and tinsel trimming. The dining-room tables were decorated with flowers and ferns. The bride received many beautiful and costly presents.

The bride changed her gown for a smartly tailored suit of brown broadcloth and to go to match. The couple left for Toronto, Chicago and St. Paul, where they will spend their honeymoon, after which they will leave for their future home in Calgary, Alta.

Smuggled Bracelet in Photographs.

Portland Press. Of smuggling tricks there is no end. The Bangor customs officials had a new dodge sprung on them one day recently in an attempt to get a gold bracelet through without the payment of duty.

Some one took a number of cabinet photographs, but before tying them together to make them appear as a bundle of photos, he carefully hollowed out a hole in the centre and deposited the bracelet therein. A superficial examination of the package would have caused one to think that it was simply a bundle of photographs and allowed it to proceed without question.

Usually the kid glove Christian counts in membership—not in the Lord's service.

Butter, rolls or prints, 25c. J. Crawford. We ought to give our blessings just as much thought, and more, than we do our trials.

Leakage at Clayton. Clayton on the St. Lawrence. An amusing story is being told of a Clayton man, who has occasion to have a little something on hand in case of sickness or snake bite. Since the "dry" spell went into effect it has been necessary to procure the goods out of town, but the buyer had no desire to increase his already large number of friends, and accordingly instructed the shipper to conspicuously mark same, "books."
