**THE FRONTENACS WON EASILY AT PICTON.**

The Score was 18 to 7—Double Header at Covered Rink This Evening—Dobson Not Likely to Play.

The junior Frontenacs have won this eastern O.H.A. district without any exertion. On Friday night, in Picton, they walloped the Picton team by 18 to 7. James T. Sutherland telephoned that the game was hardly a workout for the Kingston team. The locals have still another match to play with Picton, here, next Wednesday night, but their three wins give them the district championship. In these three games they have scored fifty-one goals to their opponents' nine. The Frontenacs, as they stand to-day, are the fastest junior team Kingston ever had, and if they do not win the junior O.H.A. championship again, it will be very strange. The western teams will have to play pretty classy hockey to defeat Sutherland's whirlwinds.

A Picton despatch says: Overlaid by fame and "World's Junior Champion Frontenacs" Edward Boulter's Picton kids fell comparatively easy victims to the Kingston team. Half time score was 14 to 1, and full time count, 18 to 7. The Kingston boys had weight, speed, age and experience on the little Picton lads, but although Frontenacs were the big guns all the way, Picton managed to notch a few goals, as they did at Belleville. Kingston had a new goalkeeper, Williams, in the nets. The game was decidedly clean. Every lad on the Kingston team played great hockey and there was rivalry to see who would lead in goal-scoring. Brouse, Hunt and Millan each had four or five, and Boyer and Davidson were in the honor roll too. In fact, the only man who did not net the puck was the goalkeeper, K. Cooper, in the Picton goal, must have felt as if a puck factory had dumped the whole season's output on him. He stopped a thousand, more or less, but no living man could get them all.

**St. James Beat Y.M.C.A.**  
 At the Stadium rink, last evening, St. James' and Y.M.C.A. seniors had an exhibition game, the former winning out by the close score of 3 to 2. The teams were very evenly matched and at half time the score stood 1 to 1. David Somerville refereed.  
 St. James'—Goal, Partridge; point, H. Sargent; cover, Rutherford; centre, V. Sargent; rover, Atkinson; wings, Moxley and Coulson.  
 Y.M.C.A.—Goal, Day; point, Percy; cover, Bowron; centre, Edgar; rover, Snider; wings, Pense and Williams.

**Bath Road vs. Glenburnie.**  
 The line-up of the Bath Road Beavers, which will face the team from Glenburnie Saturday night, will not be as strong as has been expected, in spite of the fact that the Beavers have had some good practices lately. Two of their best men, Graham and McGuire, will be off the line-up, owing to the fact that they are unable to get away from their work. Greer will likely take the place of one of them, but it is not certain yet who will be the one to fill the other vacancy. Graham and McGuire will be missed exceedingly, but they are two of the huskiest players on the team.

**Stadiums Beat Indians.**  
 The junior Stadiums and Indians played an exhibition game at the Stadium rink, last evening, from eight to nine o'clock, and at the finish the score stood 6 to 1 in favor of the Stadiums. At half time the score was nothing. Up till half time the teams were evenly matched, but in the last half the Indians were not able to stand the pace set by the Stadiums, who have had more practice.  
 Stadiums—Goal, Metcalfe; point, A. Somerville; cover, Evans; centre, Timmerman; rover, H. Somerville; wings, Smith and Freeman.  
 Indians—Goal, McGuire; point, Dolan; cover, Watson; centre, Houston; rover, King; wings, Donoghue and Hunt.

**Queen's Double Header.**  
 The double-header hockey match which will be pulled off at the covered rink to-night, will be a great attraction. The first game will be between Queen's II and R.M.C.' I. The cadets are in splendid shape as the result of several practices and undoubtedly will show some speed. This is their first game in the intermediate intercollegiate series.  
 With Parkdale looked upon as the probable senior O.H.A. champions, and with Queen's having made such a good start already this season, the game between these two teams should be interesting to a marked degree. It was not known, yesterday, whether Dobson will be on the team or not. Supporters of Queen's are quaking in their boots for fear he will not turn out. It was stated that he would not play, but it is possible that he will change his mind in this respect and arrive in time for the contest. Queen's chances depend a great deal whether he is on the team or not.

**Post Office Flag to Float.**  
 People wondered why the post office flag was floating to-day. It seems that Postmaster Stewart has received instructions from the government to fly it each day, from sunrise to sunset. The post office is a very important place. Besides handling the people's mail, it is not a recruiting place for the Canadian navy? The next thing that will be seen will be the postmaster wearing a cocked hat, a gold-braided uniform and a big sword.

**Will be Beached.**  
 The steamer Dunelm, which has recently been at King's elevator, says a despatch, from Port Arthur, will be beached. Owing to the ice around her, she will be unable to go on the dry dock before spring.

 Announcement was made that a delegate would attend a meeting of the association, in the near future, and give the members an address on a timely subject. These addresses are given by men sent out by the government, and are the members of the association should see to it that they are present. The address will be given about the middle of February. Arrangements will be made for this later on.  
 The vegetable growers in the Kingston district are a progressive lot of men, and are doing everything possible to advance the interests of the trade, and to give their patrons the very best, in every line. Still greater things are looked forward to during the new year.

**C. A. Stirling Transferred.**

Chester A. Stirling, who has been manager here for the firm of S. H. Knox & Co. for the past three years, has been transferred to the branch at Stratford. He will leave to-morrow for his new field. His departure will cause regret in business circles, for he has always been regarded as an indefatigable worker, one who is possessed of great business ability and keen business judgment. He is an American, coming here from the headquarters of the firm at Buffalo, N.Y. He is a very young man, and this is his first store he has had charge of. Both he and Mrs. Stirling will be missed very much here, and they have the best wishes of a large number of their friends. It is not known who will be sent here as manager to succeed Mr. Stirling.

**Does Not Need Operation.**

Carman McNeil, a man living at Wensley, came to the city on Friday night and is suffering from a bad eye. He was chopping wood and a chip flew up and struck him, inflicting a severe cut. He thought a film was gathering over the pupil of the eye, and came to the hospital to see about it. He has a bad eye, but there will be no operation.

**Police Were Called.**

Early last night, a call was sent to the police, on the complaint that there was a disturbance in a house on York street. Constable Craig went to the scene and made an investigation. Some of the members of the family had been drinking, and according to all accounts there had been a lively time, but the constable did not find it necessary to make any arrests.

 "When they first began to criticize you I became somewhat interested and began to wonder what your Grape-Nut breakfast food was like, and my curiosity got the best of me I bought a package and I liked it so well I have used several packages. **"The Red Cross Seal"**

After prolonged negotiations the King Edward has secured the very remarkable "Red Cross" film for Kingston. It will be shown on the afternoons and evenings of Tuesday, Wednesday and Thursday—of next week. This picture goes thoroughly into the modern methods of preventing and curing tuberculosis, and connected with it is an exceptionally pretty drama so that there is a double interest involved. The Red Cross film was considered of such importance by the health authorities of Montreal and Ottawa that the boards of health in these cities furnished the films free to all the theatres so that everybody would have an opportunity to see it. It will be brought to Kingston at considerable expense. The citizens should appreciate the action of the King Edward and attend in large numbers. Without a doubt this film has greater special attraction than any yet exhibited here.

**Kingston Men Elected.**

At the annual meeting of the Dominion Marine Association, held in Montreal, H. W. Richardson and E. F. **Gave up His Job to Follow the Game.**

There is an old saying of the Portmouth philosopher, "If business interferes with pleasure, give up the business."  
 There is a young lad, in Kingston, who has followed out this advice to the letter. He is about twelve years of age, and has been employed at a Princess street store, to deliver parcels after school hours, and on Saturdays. Nearly every boy plays hockey, and likes the game, but this youngster has simply gone crazy as it were, over chasing the puck.  
 Last Saturday morning, he walked into the store at 9.30 o'clock, just an hour and a half late. As it was so late, and Saturday being a busy day, his boss asked him why he was late.  
 "Well, I was playing hockey," said the youngster, "and I could not get down sooner. The game started about 8 o'clock, and it was rather late before it was over."  
 "And the worst of it all," added the youngster, "is that the side I was on, lost."  
 "Well, that's too bad," said the business man, who could not help smiling at the lad.  
 "But then, I'm quitting the job to-night," explained the puffed boy.  
 It came rather suddenly for the boss and he asked for an explanation.  
 "Well," was the reply, "it's just like this. You know I can't work at the store and play hockey too, so I guess I will have to give up the work."  
 The store man is now looking for another parcel boy. No hockey fiends need apply.

**Skating Club Meeting.**

The Skating Club had a most enjoyable gathering at the covered rink last night. There were about fifty members present, and as the ice was in fine condition a very interesting time was spent. The music was provided by the 14th Regiment band.
