I have been treated by doctors for twenty-five years for a bad case of eczema on my leg. They did their best, but failed to cure it. My own doctor had advised me to have my leg cut off, but I said I would try the Cuticura Remedies first. He said, "try them if you like but I do not think they will do any good." At this time my leg was peeled from the knee down, my foot was like a piece of raw flesh and l had to walk on crutches. I bought a cake of Cuticura Soap, a box of Cuticura Oint-ment and a bottle of Cuticura Resolvent. went down and in two months' use of the Cuticura Remedies my leg was cured and the new skin grown on. The doctor could not believe his own eyes when he saw that Cuticura had cured me and said that he would use Cuticura for his own patients. But for the Cuticura Remedies I might have lost my life. I am truly grateful for the wonderful cure that Cuticura wrought. I have many grandchildren and they are frequent users of Cuticura and I always mmend it most highly as a sure and omical cure for skin troubles.
